

# **Radical Monotheism and Western Culture by H. Richard Niebuhr**

H. Richard Niebuhr, for many years Sterling Professor of Christian Ethics at Yale University Divinity School, was one of mid-century's most respected teachers and writers. This book presents in revised and expanded form the Montgomery Lectures on Contemporary Civilization which Dr. Niebuhr gave at the University of Nebraska in 1957. The six chapters were originally three lectures. To them are added four supplementary essays that expand and complement the ideas in the Lectures.

Published in Louisville, KY by Westminster/John Knox Press, 1993. Originally published, New York, Harper, 1960. This material prepared for Religion Online by Richard and Sue Kendall.

**(ENTIRE BOOK)** Niebuhr gives a thorough analysis of faith as confidence and loyalty, and the forms of faith as henotheism, polytheism and radical monotheism. He then analyzes the implications of radical monotheism for western religion, the political community, western science, and ethical value systems.

## **Forward by James M. Gustafson**

Dr. Gustafson introduces Niebuhr's book as making theology and theological thinking intelligible by showing their continuities with other forms of thinking and activity, while at the same time reinterpreting other forms of activity in the light of theology.

## **I: Introduction: Theology and Faith**

This introduction deals with the conflict of faiths in our Western Culture ...a conflict between radical monotheism and polytheism, or henotheism (a social faith which makes a finite cultural or religious society the object of trust and loyalty).

## **II. The Idea of Radical Monotheism**

This chapter contrasts polytheism, social faith and radical faith in the One God.

## **III. Radical Faith - Incarnate and Revealed in History**

This chapter focuses upon the persons and movements through whom radical monotheism finds expression in human history and in all of human life.

Miller,1991-11-15 Miller brings together the opposed traditions of pacifism and just war theory and puts them into a much needed dialogue on the ethics of war Publisher   **The Constructive Promise of Schleiermacher's Theology** Shelli M. Poe,2021-04-08 This volume demonstrates how Friedrich Schleiermacher's thought can be used to address contemporary doctrinal refinement and development Taking a constructive approach Shelli M Poe weaves Schleiermacher's theology together with current scholarship in feminism womanism ecotheology and queer theology While Schleiermacher is widely acclaimed as the progenitor of modern theology Poe is one of the first to use his work as a springboard to refine contemporary doctrine This book demonstrates the promise of Schleiermacher's mature work for contemporary constructive forms of theology   The Oxford Handbook of Reinhold Niebuhr Robin Lovin,Joshua Mauldin,2021 This authoritative Handbook features 38 chapters placing Reinhold Niebuhr 1892-1971 in his historical context to offer readers an appreciation of his insights and how he was received by his contemporaries

**Radical Monotheism and Western Civilization** Helmut Richard Niebuhr,1960   *The Theological Imagination* Gordon D. Kaufman,1981-01-01 In this challenging work Gordon Kaufman asserts that the prime task of theology is the imaginative construction of the doctrine of God Kaufman maintains that both the absoluteness of the divinity and our own necessity demand that we construct the doctrine of God critically and in a manner appropriate to our own time and place In thorough examinations of God and theology Christ and christology and of the ultimate foundations of religious thought he shows how this construction can be accomplished faithfully and in full realization of our own humanity   **New World Metaphysics** Giles B. Gunn,1981 From the days of discovery when America was for Europeans more dream than reality to our own days of disillusionment and faltering hope poets philosophers historians novelists and theologians have drawn on

religious themes and images to express the meaning of their encounter with America Here in more than one hundred selections is the record of their quest for a New World metaphysics a spiritual vision or ultimate idea of order expressive of the American experience     In Quest of a Vital Protestant Center George Demetrios, 2014-10-06 In Quest of a Vital Protestant Center probes the relationship between Scripture and culture in twentieth century US theology and biblical studies It points to the necessity of turning to what Karl Barth has referred to as the strange new world within the Bible for any revitalization of mainline Protestantism in the tradition of the Protestant Reformers in critical dialogue with serious evangelical theology The study includes a historical overview underlying what Demetrios refers to as the fundamentalist modernist great divide which continues to resonate powerfully in contemporary US Protestant thought and culture Demetrios offers an in depth exploration of four representative twentieth century Protestant theologians and biblical scholars spanning from the conservative evangelical theology of J I Packer to the postliberal dialectical theology of Walter Brueggemann The book includes a chapter on the neo orthodox legacy as a mediating resource in bringing evangelical and postliberal theology into dialogue with the core issues of theology biblical hermeneutics and religious culture Demetrios concludes with a critically empathetic review of the postliberal dialectical theology of Douglas J Hall and the evangelical narrative theology of Richard Lints In linking evangelical postliberal and neo orthodox theology to a common search for a vital Protestant center this book will facilitate fruitful dialogue among divergent schools of Protestant thought and culture

*The Modern Theologians* David F. Ford, 2013-09-23 This popular text has been updated to ensure that it continues to provide a current and comprehensive overview of the main Christian theologies of the twentieth and twenty first centuries Each chapter is written by a leading theologian and gives a clear picture of a particular movement topic or individual New and updated treatments of topics covered in earlier editions with over half the chapters new to this edition or revised by new authors New section singling out six classic theologians of the twentieth century Expanded treatment of the natural sciences gender Roman Catholic theology since Vatican II and African Asian and Evangelical theologies Completely new chapters on spirituality pastoral theology philosophical theology postcolonial biblical interpretation Pentecostal theology Islam and Christian theology Buddhism and Christian theology and theology and film As in previous editions the text opens with a full introduction to modern theology Epilogue discussing the present situation and prospects of Christian theology in the twenty first century     **Faith Negotiating Loyalties** Stephen W. Martin, 2008 Faith Negotiating Loyalties draws readers into the world of Christian faith in South Africa and the question of loyalties in the new post apartheid state It carries out its investigation in two parts Part one examines Christian faith and loyalty during the first nation building exercise following the South African War positioning the creation and contestation of three Christianities corresponding to three nationalisms each of which imagined South Africa in a particular way shaping faith accordingly The idea of an undifferentiated South African Christianity gives way to contesting and contested Christianities nationalism gives way to nationalisms and faith emerges in

tension with and in criticism of these loyalties Part two discusses the American theologian H Richard Niebuhr in South Africa Three kinds of faith in his writings are set forth social faith radial faith and reconstructing faith Contextualized within the South African story Niebuhr's ideas suggest self and society as constituted by hybridities and suspended in a web of loyalties Faith Negotiating Loyalties suggests the message for faith in a post apartheid South Africa is the importance of negotiating covenants which allow for crossings hybridities and contestations

**The Culture Of Religious Pluralism** Richard Wentz,2018-10-08 Providing a historical context this book examines the challenges that pluralism presents to denominationalism and civil religion and considers the contributions secularism and the New Age movement have made to the culture of religious pluralism

*The Paradox of Church and World* Jon

Diefenthaler,2015-11-01 Ultimately or so H Richard Niebuhr wrote as early as 1929 the problem of church and world involves us in a paradox unless the church accommodates itself to the world it becomes sterile inwardly and outwardly unless it transcends the world it becomes indistinguishable from the world and loses its effectiveness no less surely In the same context he went on to state The rhythm of approach and withdrawal need not be like the swinging of the pendulum mere repetition without progress it may be more like the rhythm of the waves that wash upon the beach each succeeding wave advances a little farther into the world with its cleansing gospel before that gospel becomes sullied with the earth Niebuhr's thought on the paradox of church and world is an essential piece of our understanding of twentieth century theology in America

In this volume Jon Diefenthaler collects for the first time over forty writings that trace the lineage of Niebuhr's thought presents them in a single place and makes a case for their enduring value in a post church religious environment The volume is a treasury of little known and hard to find pieces making scholarship and understanding easier

**A Philosophy of Christian Materialism** Christopher Baker,Thomas A. James,John Reader,2016-03-09 A Philosophy of Christian Materialism offers a new religious engagement with the public sphere via means of interdisciplinary analysis and empirical examples developing what the authors call a Relational Christian Realism building upon interaction with contemporary Philosophy of Religion The book argues that the current discourse on public religion is inadequate in addressing the issues now to be faced including material religious practice in the sphere of education the growth of alternative political movements and the

developing awareness of environmental concerns and urban social justice Key concepts that support this strategic analysis are entangled fidelities the form of a materialist religious practice the possibility of a relational Christian realism including

new developments in how we interpret key categories of doctrine including God and creation salvation and humanity and the post secular public sphere including the emerging phenomenon of postsecular rapprochement namely the coming together of both religious and secular actors in methodologies and politics of pragmatism as well as ethical discourse for the sake of the public commons Co authored by theologians in both the USA and the UK this book represents an exciting contribution to philosophy and practice of religion on both sides of the Atlantic and aspires to be sufficiently interdisciplinary to also appeal to readerships engaged in the study of modern political and social trends     **Scripture and Ethics** Jeffrey S. Siker, 1997  
Siker brings together the history of biblical interpretation and the study of uses of the Bible in Christian ethics to examine how the Bible has actually been used in Christian theological ethics and in the process profiling eight influential twentieth century theologians

## Radical Monotheism And Western Culture Introduction

In the digital age, access to information has become easier than ever before. The ability to download Radical Monotheism And Western Culture has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Radical Monotheism And Western Culture has opened up a world of possibilities. Downloading Radical Monotheism And Western Culture provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Radical Monotheism And Western Culture has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Radical Monotheism And Western Culture. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Radical Monotheism And Western Culture. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Radical Monotheism And Western Culture, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Radical Monotheism And Western Culture has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
