That theology fits nicely with the belief that love is uncontrolling Open and relational theology rethinks divine power in light of love and postulates what it might mean for creatures to imitate their Creator's uncontrolling love The essays in Love Does Not Control are diverse Readers may discover some differences of opinion as they move from essay to essay But contributors share in common the quest to explore what uncontrolling love means for issues in counseling psychology and or therapy These essays have a power that goes beyond mere theoretical reflection The ideas in these pages have the capacity to transform our living And even reading Love Does Not Control has the potential to become an exercise in uncontrolling love Love Like Jesus Kurt Bennett, 2020-02-11 Based on Kurt Bennett's popular ish blog God Running Love Like Jesus begins with the story of how after a life of regular church attendance and Bible study Bennett was challenged by a pastor to study Jesus That led to an obsessive seven year deep dive After pouring over Jesus every interaction with another human being he realized he was doing a much better job of studying Jesus words than he was following Jesus words and example The honest and fearless revelations of Bennett's own moral failures affirm he wrote this book for himself as much as for others Love Like Jesus examines a variety of stories examples and research including Specific examples of how Jesus communicated God's love to others How Jesus demonstrated all five of Gary Chapman's love languages and how you can too The story of how Billy Graham extended Christ's extraordinary love and grace toward a man who misrepresented Jesus to millions How to respond to critics the way Jesus did How to love unlovable people the way Jesus did How to survive a life of loving like Jesus or how not to become a Christian doormat How Jesus didn t love everyone the same and why you shouldn t either How Jesus guarded his heart by taking care of himself he even napped and why you should do the same How Jesus loved his betrayer Judas even to the very end With genuine unfiltered honesty Love Like Jesus shows you how to live a life according to God's definition of success A life of loving God well and loving the people around you well too A life of loving like Losing Trust in the World Leonard Grob, John K. Roth, 2016-12-05 In July 1943 the Gestapo arrested an obscure **Iesus** member of the resistance movement in Nazi occupied Belgium When his torture inflicting interrogators determined he was no use to them and that he was a Jew he was deported to Auschwitz Liberated in 1945 Jean Am ry went on to write a series of

essays about his experience No reflections on torture are more compelling Am ry declared that the victims of torture lose trust in the world at the very first blow The contributors to this volume use their expertise in Holocaust studies to reflect on ethical religious and legal aspects of torture then and now Their inquiry grapples with the euphemistic language often used to disguise torture and with the question of whether torture ever constitutes a necessary evil Differences of opinion reverberate raising deeper questions Can trust be restored What steps can we as individuals and as a society take to move closer to a world in which torture is unthinkable Acceptance and Commitment Therapy, Second Edition Steven C.
