Radical Church:

Radical David Platt, 2010-05-04 New York Times bestseller What is Jesus worth to you It's easy for American Christians to forget how Jesus said his followers would actually live what their new lifestyle would actually look like They would leave behind security money convenience even family for him They would abandon everything for the gospel They would take up their crosses daily But who do you know who lives like that Do you In **Radical** David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences He shows what Jesus actually said about being his disciple then invites you to believe and obey what you have heard And he tells the dramatic story of what is happening as a successful suburban church decides to get serious about the gospel according to Jesus Finally he urges you to join in The Radical Experiment a one year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring The Radical Question and A Radical Idea David Platt, 2012-10-02 Challenge the Status Quo The Radical Question offers a compelling introduction to Radical's challenge to the contemporary church In this concise message Platt asks What is Jesus worth to you Then he explores what a commitment to Jesus would actually look like in action The Radical Idea extracts key passages in Radical Together the follow up to Radical to show readers that church is not built on places performances programs or professionals but on people Platt argues that those of us in the pews are meant to be active and intentional in spreading the good news of the gospel because when ordinary believers mobilize in everyday ministry communities and church families change dramatically The goal of the church is never for one person to be equipped and empowered to lead as many people as possible to Christ The goal is always for all of God's people to be equipped and empowered to lead as many people as possible to Christ David Platt Is a Radical Church Possible? Adrian Alker, 2016-03-25 Mainstream Christian denominations are facing critical decline in the United Kingdom Church leaders call for new strategies for growth but will these be effective In this book Adrian Alker calls for an honest look at the life of Jesus and the faith of the Church and suggests a radical and more honest reshaping of the churches to enable them to face the challenges of the present day The author has been ordained as an Anglican priest for over thirty years and recognises the important contributions which church congregations can and do make to their communities and the wider world He passionately believes that the Church must become more Jesus shaped and less concerned with its own structures and beliefs in order to attract new members **Radical Welcome** Stephanie Spellman, 2021-11-16 For the fifteenth anniversary of its publication this revised edition features a new introduction from the author on the state of the church and its radical welcome today along with new reflections on how it continues to reshape the church This book is at once a theological inspirational and practical guide for congregations that want to move beyond diversity and inclusion to present a vision for the church of the future one where the gifts voices and power of marginalized groups bring new life to the mainline church Based on two years of work and over 200 interviews with people in congregations all around the United States in

urban suburban and rural settings it asks the question How do we face our fears and welcome transformation in order to become God's radically welcoming people Each chapter introduces a particular congregation and the challenges it faced and lays out the theological underpinnings of tackling fears head on to embrace change as a welcome part of community life This new edition features essays from Michael B Curry Mark Bozzuti Jones Jennifer Baskerville Burrows and Mark Richardson

The Global House Church Movement Rad Zdero, 2004 A major church shift is happening all around the world God is once again bringing back the power and simplicity of New Testament style Christianity The Lord is raising up the global house church movement Do you want to reach your friends and your nation with an approach to church life and church planting that is biblical and effective If so read this book *Reformation* Mark Driscoll, 2013-12-03 If the unchurched in the United States ever formed their own country it would be the world's eleventh most populous nation Reformation is a call to reform a flawed view of missions as something we only do in foreign lands to focus on the urgent needs in our own neighborhoods filled with diverse Americans who desperately need the Gospel of Jesus and life in his Church It calls for a movement of missionaries who seek the lost across the street as well as across the globe Many evangelical churches today are either hostile to the unbelieving world in which they live or so friendly with the surrounding culture that they have lost the unique claims of the gospel that alone have the power to change people This basic primer on the interface between gospel and culture by 1 New York Times bestselling author and pastor Mark Driscoll will help you to carefully navigate between the twin pitfalls of syncretism being so culturally irrelevant that you lose your message and sectarianism being so culturally irrelevant that you lose your mission If you're more convinced today than ever that this crazy sin sick world needs a Savior Reformation will show you how to love the Lord through the unchanging gospel and love your neighbor in our ever changing culture

Christian History Alister E. McGrath, 2013-03-04 A major new introduction to the global history of Christianity written by one of the world's leading theologians and author of numerous bestselling textbooks Provides a truly global review by exploring the development of Christianity and related issues in Asia Latin America and Africa and not just focusing on Western concerns Spanning more than two millennia and combining elements of theology history and culture it traces the development of all three branches of Christianity Catholic Protestant and Orthodox providing context to Christianity's origins and its links to Judaism Looks beyond denominational history at Christianity's impact on individuals society politics and intellectual thought as well as on art architecture and the natural sciences Combines McGrath's acute historical sensibility with formidable organizational skill breaking the material down into accessible self contained historical periods Offers an accessible and student oriented text assuming little or no advance theological or historical knowledge on the part of the reader *Selling the Amish* Susan L. Trollinger, 2012-03-15 More than 19 million tourists flock to Amish Country each year drawn by the opportunity to glimpse a better time and the quaint beauty of picturesque farmland and handcrafted quilts What they may find however are elaborately themed town centers outlet malls or even a water park Susan

L Trollering explores this puzzling incongruity showing that Amish tourism is anything but plain and simple Selling the Amish takes readers on a virtual tour of three such tourist destinations in Ohio s Amish Country the world s largest Amish settlement Trollering examines the visual rhetoric of these uniquely themed places their architecture interior decor even their merchandise and souvenirs and explains how these features create a setting and a story that brings tourists back year after year This compelling story is Trollering argues in part legitimized by the Amish themselves To Americans faced with anxieties about modern life being near the Amish way of life is comforting The Amish seem to have escaped the rush of contemporary life the confusion of gender relations and the loss of ethnic heritage While the Amish way supports the idealized experience of these tourist destinations it also raises powerful questions Tourists may want a life uncomplicated by technology but would they be willing to drive around in horse drawn buggies in order to achieve it Trollering s answers to important questions in her fascinating study of Amish Country tourism are sure to challenge readers understanding of this surprising cultural phenomenon

A Great Cloud of Witnesses John Steinreich, 2016-06-16 Essays on a variety of subjects from the religious social and political spheres based on the author's research into the history of the Christian church

Subterranean Dan White, 2015-08-24 The landscape of Christian spirituality in the West is no longer lush with green grass and wild flowers blooming Instead across the country we find dry terrain where churches no longer can expect interested seekers yet most of our solutions for addressing this predicament link to anxiety around our performance and personality Rather than going back to the boardroom to cook up new techniques for a trendier church let's ask more meaningfully rooted questions Do we know how to be present in our neighborhoods Do we know how to be present in community Do we know how to be present to the in breaking kingdom of God There is a growing groundswell discovering that we have become uprooted and detached from each other in the way we express being the church We need a subterranean movement that plunges below the surface into a way of being the people of God that carries an unwavering incarnational creed Dan White Jr uses crisp criticism narrative theology and tangible practices to uncover a hopeful pathway for being radically rooted in God's world

Dietrich Bonhoeffer and Arnold Koster Paul Spanring, 2014-09-25 Baptists and Lutherans often define the tension of being in the world but not in terms of two separate realms the kingdom of God and the kingdom of the world However their understanding of these realms and their delicate connection is quite nuanced Within the Lutheran tradition the two kingdoms are held in tension which in turn leads to a precarious interaction of state and church In the Ana Baptist tradition a much stricter duality is emphasised resulting in a more radical and separatist stance Dietrich Bonhoeffer and Arnold Koster analyses and compares the historical development of these two viewpoints and to discover how these traditions represented in the lives of two individual followers responded to the ideological onslaught of neopaganism and the enforced political conformity of the Third Reich Compared with Dietrich Bonhoeffer little is known of the Baptist preacher Arnold Koster His ministry as a pastor of the Baptist church in Vienna lasted from 1928-1960 During the Nazi regime he consistently preached critically and prophetically against its underlying ideology

Living in Christian Community Art Gish, 1998-09-29 This book is a description of what the church ought to be Gish purposes to deal with the concrete issues of what it really means to be a Christian community the body of Christ

Popular Voices in Latin American Catholicism Daniel H. Levine, 2014-07-14 Throughout Latin America observers and activists have found in religion a promise of deep and long lasting democratization But for religion to change culture and

politics religion itself must change Such change is not only a matter of doctrine ritual or institutional arrangements but also arises out of the needs values and ideas of average believers Combining rich interviews and community studies in Venezuela and Colombia with analysis of broad ideological and institutional transformations Daniel Levine examines how religious and cultural change begins and what gives it substance and lasting impact The author focuses on the creation of self confident popular groups among hitherto isolated and dispirited individuals Once silent voices come to light as peasants and urban barrio dwellers reflect on their upbringing and community on poverty and opportunity on faith prayer and the Bible and on institutions like state school and church Levine also interviews priests sisters and pastoral agents and explains how their efforts shape the links between popular groups and the larger society The result is a clear understanding of how relations among social and cultural levels are maintained and transformed how programs are implemented why they succeed or fail and how change appears both to elites and to ordinary people Originally published in 1992 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Before 30 Discipleship English Version Philip Mantofa,Mulyadi Budiyo, M.A,Robert Kusnadi Bsc.,Maria Lusiana M.Pd.,2024-02-01 It is my heart s desire to see the rise of this generation burning with fires of revival A generation that hungers for the presence of the Holy Spirit and a personal encounter with Christ A generation that is filled with power to do mighty works to heal the sick to mend the wounded to help the poor and to be an answer for the nation s A generation whose work and influence are not bounded only within the church vicinity rather their impact can be felt by their immediate families communities at large the entire nation and even by other nations Churches will experience revival school and campuses will be filled with an excellent generation the market place will be revamped with trustworthy leaders the nation s will rise up from economic social cultural setbacks and shine I dream to see history being altered by this superior generation I want to invite you to share the same dream with me in this journey of faith A journey that alters the history of a generation and nation Will the dream come true The answer is with you and me When we decide to respond to God s calling be faithful in everything that we do walk in His holiness and plan we will see God works wonders Through this discipleship book I believe that a new generation will rise and light up the nation The principles contained in this book emanate from my direct personal experience with God It is not a theoretical teaching but a walk of faith that I have gone through with Him I want to share my life experience with you and invite you to join in Prepare your luggage fasten your seat belt we will fly together and enter God s training camp and come out as history changers Yours for revival Ps Philip Mantofa South America, Central America and the Caribbean 2003 Europa Publications,2002 Introductory surveys cover topics of regional importance

Paul Among the Postliberals Douglas Harink, 2013-08-14 This book is changing my mind on more themes than any publication since Hans Frei's *The Eclipse of Biblical Narrative* George Lindbeck Yale University Harink brings several postliberal theologians mainly Yoder and Hauerwas into genuine conversation with the church's original apocalyptic theologian the Apostle Paul The engaging result is a call for the church to return to its true vocation as an uncompromising critic of the state's omnivorous appetite for our loyalties But that is the vocation found in the politics of the cross in which the suffering and victorious God has redemptively invaded the captive world thus calling into being the community that Paul speaks of as the new creation The attentive reader of Harink's book will come away then with an energized hope for the whole of humanity a hope focused on the corporate political nature of God's apocalyptic invasion in Christ J Louis Martyn Union Theological Seminary Sets new standards for all who dare to aspire to theological engagement with Scripture Michael Cartwright University of Indianapolis Doug Harink has knocked a hole in the artificial wall separating the theological disciplines and has established a working coalition between two scholarly enterprises the various new perspectives that seek to supplant older reformational models of interpreting Paul and the work of various theologians who seek to subvert the established theological strategy of accommodating the gospel to the canons and criteria of modernity A unique and highly significant contribution Terence L Donaldson Wycliffe College University of Toronto One of the most creative and exciting books that I have read in years Instead of decrying the gap between theology and biblical studies Harink simply closes the gap by bringing together the best in recent biblical and theological studies In its direct reading of the biblical text this book represents a new stage in the development of postliberal theology Jonathan R Wilson Westmont College *The Intentional Christian Community Handbook* David Janzen, 2012-11-01 This is a book that we've needed for a long long time This is a book for people who long for community and for people who've found it for young seekers and for old radicals Like a farmer's almanac or a good cookbook it's a guide that doesn't tell you what to do but rather gives you the resources you need to find your way together with friends in the place where you are We couldn't be more grateful to have a book like this And we couldn't be happier to share it with you Shane Claiborne and Jonathan Wilson Hartgrove In the 21st century a new generation of Spirit energized people are searching for a new yet ancient way of life together David Janzen a friend of the New Monasticism movement with four decades of personal communal experience has visited scores of communities both old and new *The Intentional Christian Community Handbook* shares his wisdom as well as the experience of intentional Christian communities across North America over the last half century
