## **Radical Evangelism A New Look At An Old Commission:**

**Annotation** ,1987      **Evangelism and Social Concern in the Theology of Carl F. H. Henry** Jerry M.

Ireland,2015-06-01 How do evangelism and social concern relate to one another in the mission of the church How should the Old Testament s emphasis on social justice inform the praxis of modern believers Does the Bible emphasize individual salvation or does it teach a broader more inclusive concept Theologians missiologists pastors and educators have wrestled with these questions for centuries But especially since the early part of the twentieth century this debate has increasingly become a point of contention among evangelical Christians with few indications that a consensus may soon be forthcoming Yet few have offered so thorough an answer to these questions as has Carl F H Henry Henry s regenerative model of evangelism and social concern stands on the shoulders of Augustine and many others and offers what may be the best way forward This book explores Henry s thoughts on this subject and sets him in dialogue with numerous others who have written on these topics Thus it will prove a valuable resource for all interested in this topic      *A Quick Look at Christian History*

George Kurian,2015-04-01 A few weeks after Easter AD 33 the entire church fit in one upstairs room In just decades it exploded into a worldwide movement What happened Follow the action with this collection of the highs and lows of the people of God Its twenty informative and fast paced chapters are arranged by centuries Each one begins with a summary of the most important statistics and influential Christians at that time In the rest of each chapter you ll find concise notes about the history of Christianity including its practices and beliefsdenominations and movementsinstitutions and traditionsevangeliism and persecutionliterature art and architecture You can also use the helpful index to read topically rather than chronologically Follow the explosive spread of the gospel and discover your amazing heritage as a member of God s family      **The Christian Leader** ,1929      **Great Commission, Great Confusion, or Great Confession?** Lucas V.

Woodford,2012-04-26 There is a great debate going on in the church today It centers on one question What is the mission of the church From culturally relevant emerging congregations to strategic methods of organization and outreach many claim they have the answer They say the mission must become missional Yet the churches of North America continue to struggle Uncertainty is growing What does it really mean to be missional Competing claims abound Get the message out Get the message right Great confusion has set in particularly in the postmodern North American church The Gospel is getting lost Yet throughout the ages the creedal confession of the Holy Christian Church has carried her through uncertainty and struggle The Apostles Creed has steadied and stayed the mission of the church for centuries It centers on the Gospel of Jesus Christ and the work of the Holy Spirit the communion of saints the forgiveness of sins the resurrection of the body and the life everlasting This book celebrates the historic mission of the Holy Christian Church and it invites the North American church to do the same      The Presbyterian ,1909      Balanced Discipleship Justin Campbell,2023-03-09 The data is in more and more people are leaving the church We ve worked hard at creating better programs better music and better sermons but

it's not enough This is in stark contrast to the global church that is growing exponentially What are they doing differently What can we learn In Matthew 28 Jesus does not ask us to go into the world and make great church services he tells us to go into the world and make disciples Campbell takes a deep dive into the Great Commission exploring Jesus balanced model of discipleship and giving us practical tools to apply to our local church Servantship Graham Joseph Hill, 2013-10-10

Servantship is essentially about following our Lord Jesus Christ the servant Lord and his mission it is a life of discipleship to him patterned after his self emptying humility sacrifice love values and mission Servantship is humbly valuing others more than yourself and looking out for the interests and wellbeing of others Servantship is the cultivation of the same attitude of mind Christ Jesus had making yourself nothing being a servant humbling yourself and submitting yourself to the will and purposes of the triune God Since servantship is the imitation of Christ it involves an unreserved participation in the mission Dei the Trinitarian mission of God In this pioneering work sixteen servants describe the four movements of radical servantship Servantship is the movement 1 from leadership to radical servantship 2 from shallowness to dynamic theological reflection 3 from theories to courageous practices and 4 from forgetfulness to transforming memory Servantship recognizes in word thought and deed that whoever wants to become great among you must be your servant and whoever wants to be first must be your slave just as the Son of Man did not come to be served but to serve and to give his life as a ransom for many H. Richard Niebuhr Jon Diefenthaler, 1986 **Christian Advocate**, 1917 *The Congregationalist*, 1929

**Outbreak** Greg Stier, 2006-06-01 New in paperback and now revised and updated Outbreak by gifted youth leader Greg Stier draws on the example of viral marketing in secular marketing to illustrate the idea of viral evangelism He believes if we equip teens to be contagious unstoppable Christians like those in the book of Acts a major revival is sure to follow This new edition contains practical strategies and links to free resources and forums Milk, 1928 **Is Hearing Enough?:** Don Edwards, 2010-06-27 Is Hearing Enough makes the case for including literacy in evangelism and discipleship efforts in developing nations like India Drawing on over 20 years of cross cultural ministry experience Don Edwards offers an insightful look at literacy's key role in building a strong healthy body of believers Edwards looks at the crippling effects of illiteracy examines Scripture's view of literacy and explains literacy's value as a door opener in communities that are resistant to traditional evangelism The Great Commission commands us to go and make disciples of all nations Likewise we are called to fulfill the Great Commandment Love your neighbor as yourself Both are expressions of Jesus' love for people Readers will be challenged to share the gift of literacy as a tangible act of obedience to Jesus' two Great Commandments Don Edwards first visited India in 1984 The very first morning of that trip on October 31 the Prime Minister of India Indira Gandhi was assassinated From that moment God planted the nation of India in Edwards' heart This led to his involvement in church planting efforts with indigenous missions and churches for the last 14 years Edwards has a Doctor of Ministry degree in Missions and Cross Cultural Studies from Gordon-Conwell Theological Seminary and a Masters of Religious Education degree

from Grand Rapids Theological Seminary      Evangelicals and the End of Christendom Hugh Chilton, 2019-12-09 Exploring the response of evangelicals to the collapse of Greater Christian Britain in Australia in the long 1960s this book provides a new religious perspective to the end of empire and a fresh national perspective to the end of Christendom In the turbulent 1960s two foundations of the Western world rapidly and unexpectedly collapsed Christendom marked by the dominance of discursive Christianity in public culture and Greater Britain the powerful sentimental and strategic union of Britain and its settler societies disappeared from the collective mental map with startling speed To illuminate these contemporaneous global shifts this book takes as a case study the response of Australian evangelical Christian leaders to the cultural and religious crises encountered between 1959 and 1979 Far from being a narrow national study this book places its case studies in the context of the latest North American and European scholarship on secularisation imperialism and evangelicalism Drawing on a wide range of archival sources it examines critical figures such as Billy Graham Fred Nile and Hans Mol as well as issues of empire counter cultural movements and racial and national identity This study will be of particular interest to any scholar of Evangelicalism in the twentieth century It will also be a useful resource for academics looking into the wider impacts of the decline of Christianity and the British Empire in Western civilisation      *World Christian Trends Ad30-ad2200 (hb)* ,2001
