English and Spanish / Los Libros Bilingues para ninos en Ingles y en Espanol Doris Cruger Dale,2011-12-20 To fill the needs of a growing Hispanic market there has been a dramatic increase in the number of bilingual books being published in recent years But they have been appearing for many years This bibliography lists more than 400 children s titles mostly picture books with alphabet and counting books also included that feature text in both Spanish and English in the same volume Annotations to the entries provide a summary of each book s contents along with information on awards the book has received and a list of reviews gathered from Children s Book Review Index This bilingual edition includes introduction table of contents and subject indexing in both English and Spanish En los ultimos anos los editores estadounidenses han tratado de ponerse al dia en lo que respecta al mercado de publicaciones en espanol en auge constante Y lo han hecho basicamente incrementando el lanzamiento de libros bilingues para ninos Cabe matizar sin embargo que este tipo de publicaciones ha sido una practica vigente desde hace anos El presente compendio bibliografico incluye mas de 400 titulos bilingues para ninos la mayoria de ellos libros de ilustraciones ademas de publicaciones relativas a las letras del alfabeto y el aprendizaje de los numeros Las notas que se incluyen en esta obra resumen los contenidos de cada libro junto a resenas y premios relativos a los mismos Children's Literature Review Alan Hedblad,1996-12 Presents literary criticism on writers and illustrators for children and young adults Critical essays are selected from leading sources including published journals magazines books monographs reviews and scholarly papers Critical Multicultural Analysis of Children's Literature Maria José

Botelho,Masha Kabakow Rudman,2009-05-07 Children s literature is a contested terrain as is multicultural education Taken together they pose a formidable challenge to both classroom teachers and academics Rather than deny the inherent conflicts and tensions in the field in Critical Multicultural Analysis of Children s Literature Mirrors Windows and Doors Maria Jos Botelho and Masha Kabakow Rudman confront deconstruct and reconstruct these terrains by proposing a reframing of the field Surely all of us children teachers and academics can benefit from this more expansive understanding of what it means to read books Sonia Nieto From the Foreword Critical multicultural analysis provides a philosophical shift for teaching

literature constructing curriculum and taking up issues of diversity and social justice It problematizes children's literature offers a way of reading power explores the complex web of sociopolitical relations and deconstructs taken for granted assumptions about language meaning reading and literature it is literary study as sociopolitical change Bringing a critical lens to the study of multiculturalism in children's literature this book prepares teachers teacher educators and researchers of children's literature to analyze the ideological dimensions of reading and studying literature Each chapter includes recommendations for classroom application classroom research and further reading Helpful end of book appendixes include a list of children's book awards lists of publishers diagrams of the power continuum and the theoretical framework of critical multicultural analysis and lists of selected children's literature journals and online resources

Interpreting Literature With Children Shelby A. Wolf, 2014-04-04 Clearly organized and beautifully written Interpreting Literature With Children is a remarkable book that stands on the edge of two textbook genres the survey of literature text and the literary criticism text Neither approach however says enough about how children respond to literature in everyday classroom situations That is the mission of this book It begins by providing a solid foundation in both approaches and then examines multiple ways of developing children's literary interpretation through talk through culture class and gender as well as through creative modes of expression including writing the visual arts and drama The result is a balanced resource for teachers who want to deepen their understanding of literature and literary engagement Because of its modest length and price and its ongoing focus on how to increase student engagement with literature either pre service or practicing teachers can use this text in children's literature language arts or literacy and language courses
