Keith,2008 Radio Cultures examines the manifold ways in which radio has influenced the nation s social and cultural environment since its inception nearly a century ago Written by leading scholars in the field chapters address a wide range of topics including how this powerful medium has impacted and affected non mainstream segments of the population throughout its history and how these repressed and neglected groups have employed radio to counter and overcome discrimination and bias The use of the audio medium for political economic and religious purposes is comprehensively probed and analyzed in this insightful and innovative volume Back cover *The Beatles Diary Volume 2: After The Break-Up 1970-2001* Keith Badman,2009-10-28 From 1970 onwards the disbanded Beatles were at last free to follow their individual interests From that point on there were four separate stories but they were stories that would form a complex overlapping history of quarrels and reconciliations personal projects and sporadic collaborations For the first time ever a noted Beatles expert has meticulously documented the entire period of The Beatles after the break up **Radio Replies in Defence of Religion Given from the Catholic Broadcasting Station 2 S M, Sydney, Australia** Leslie Rumble,1940 **Popular Radio and Television** ,1924 *Divorce and Remarriage* Tom Roberts,2018-03-22 From the birth of Christianity and with the Christian churches separation from Judaism a tragic misunderstanding of marriage and divorce has occurred Not only have we lost the understanding of biblical marriage counsel and wisdom we have also lost the process of marriage and its biblical allowances for separation of man and wife under certain conditions Christianity often fails to understand the biblical practice of marriage as well as divorce and remarriage Our Lord employed rabbinic teaching to uplift the status of women in his temple discourses with Jewish sects such as the Sadducees and many groups of Pharisees Unless we understand the Semitic discussion within those groups and properly translate Our Lord s response to these

questions his teaching is held in tension with that of the epistles of Paul Jesus and Paul are dealing with different case studies together with different communities of faiths which affects how we should interpret the general message contained in the text These misinterpretations of this vital information have needlessly ruined the lives of many innocent victims It is long overdue for the Christian Church to reevaluate her response to this growing problem There is a blessing for those who will receive this teaching **Popular Radio** Kendall Banning,1927 **Radio News** ,1926 Some issues 1943 July 1948 include separately paged and numbered section called Radio electronic engineering edition called Radionics edition in 1943
