Unlike some other reproductions of classic texts: 1 We have not used OCR (Optical Character Recognition) as this leads to bad quality books with introduced typos. 2 In books where there are images such as portraits, maps, sketches, etc. We have endeavored to keep the quality of these images so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact or were introduced by the scanning process. We believe this work is culturally important and, despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book.

This book illustrates and discusses a wide variety of baskets from those in museum collections to those commonly used today. Work from all over the world is included. Ceremonial baskets which support lavish facades of feathers and shells appear alongside humble work baskets and those made quickly to satisfy a moment's need. Traditional methods of converting plant materials into baskets are described. Contructions are pictured and their special qualities examined. As a hand process that has never been mechanized, basketmaking continues virtually unchanged from what it was thousands of years ago. Having survived without fundamental modification or improvement, basketry retains and
