

Justified (flush left and right)

Thy father was delighted and cried out to the servant, 'Give him a hundred and three gold pieces with a robe of honour!' The man obeyed his orders, and I awaited an auspicious moment, when I blooded him; and he did not balk me; nay he thanked me and I was also thanked and praised by all present. When the blood-letting was over I had no power to keep silence and asked him, 'By God, O my lord, what made thee say to the servant, Give him an hundred and three dinars?'; and he answered, 'One dinar was for the astrological observation, another for thy pleasant conversation, the third for the phlebotomisation, and the remaining hundred and the dress were for thy verses in my commendation.' 'May God show small mercy to my father,' exclaimed I, 'for knowing the like of thee.' ❧

Ragged But Right:

Ragged but Right Lynn Abbott,Doug Seroff,2009-09-17 The commercial explosion of ragtime in the early twentieth century created previously unimagined opportunities for black performers However every prospect was mitigated by systemic racism The biggest hits of the ragtime era weren t Scott Joplin s stately piano rags Coon songs with their ugly name defined ragtime for the masses and played a transitional role in the commercial ascendancy of blues and jazz In *Ragged but Right* Lynn Abbott and Doug Seroff investigate black musical comedy productions sideshow bands and itinerant tented minstrel shows Ragtime history is crowned by the big shows the stunning musical comedy successes of Williams and Walker Bob Cole and Ernest Hogan Under the big tent of Tolliver s Smart Set Ma Rainey Clara Smith and others were converted from coon shouters to blues singers Throughout the ragtime era and into the era of blues and jazz circuses and Wild West shows exploited the popular demand for black music and culture yet segregated and subordinated black performers to the sideshow tent Not to be confused with their nineteenth century white predecessors black tented minstrel shows such as the Rabbit s Foot and Silas Green from New Orleans provided blues and jazz heavy vernacular entertainment that black southern audiences identified with and took pride in *Ragged But Right* Dolly Carlisle,1986 Tells of the rise of George Jones from a Depression childhood to being a country music celebrity Blacksound Matthew D. Morrison,2024-03-26 A new concept for understanding the history of the American popular music industry *Blacksound* explores the sonic history of blackface minstrelsy and the racial foundations of American musical culture from the early 1800s through the turn of the twentieth century With this namesake book Matthew D Morrison develops the concept of *Blacksound* to uncover how the popular music industry and popular entertainment in general in the United States arose out of slavery and blackface *Blacksound* as an idea is not the music or sounds produced by Black Americans but instead the material and fleeting remnants of their sounds and performances that have been co opted and amalgamated into popular music Morrison unpacks the relationship between performance racial identity and intellectual property to reveal how blackface minstrelsy scripts became absorbed into commercial entertainment through an unequal system of intellectual property and copyright laws By introducing this foundational new concept in musicology *Blacksound* highlights what is politically at stake for creators and audiences alike in revisiting the long history of American popular music **The Original Blues** Lynn Abbott,Doug Seroff,2017-02-27 Blues Book of the Year Living Blues Association of Recorded Sound Collections Awards for Excellence Best Historical Research in Recorded Blues Gospel Soul or R the shadowy prehistory and early development of the blues is illuminated detailed and given substance At the end of the nineteenth century vaudeville began to replace minstrelsy as America s favorite form of stage entertainment Segregation necessitated the creation of discrete African American vaudeville theaters When these venues first gained popularity ragtime coon songs were the standard fare Insular black southern theaters provided a safe haven where coon songs underwent rehabilitation and blues songs suitable for the professional stage were formulated The process

was energized by dynamic interaction between the performers and their racially exclusive audience The first blues star of black vaudeville was Butler String Beans May a blackface comedian from Montgomery Alabama Before his bizarre senseless death in 1917 String Beans was recognized as the blues master piano player of the world His musical legacy elusive and previously unacknowledged is preserved in the repertoire of country blues singer guitarists and pianists of the race recording era While male blues singers remained tethered to the role of blackface comedian female coon shouters acquired a more dignified aura in the emergent persona of the blues queen Ma Rainey Bessie Smith and most of their contemporaries came through this portal while others such as forgotten blues heroine Ora Criswell and her protégé Trixie Smith ingeniously reconfigured the blackface mask for their own subversive purposes In 1921 black vaudeville activity was effectively nationalized by the Theater Owners Booking Association T O B A In collaboration with the emergent race record industry T O B A theaters featured touring companies headed by blues queens with records to sell By this time the blues had moved beyond the confines of entertainment for an exclusively black audience Small time black vaudeville became something it had never been before a gateway to big time white vaudeville circuits burlesque wheels and fancy metropolitan cabarets While the 1920s was the most glamorous and remunerative period of vaudeville blues the prior decade was arguably even more creative having witnessed the emergence popularization and early development of the original blues on the African American vaudeville stage

Colonial Encounters in a Time of Global Conflict, 1914-1918 Santanu Das, Anna Maguire, Daniel Steinbach, 2021-09-28 This volume gathers an international cast of scholars to examine the unprecedented range of colonial encounters during the First World War More than four million men of color and an even greater number of white Europeans and Americans crisscrossed the globe Others in occupied areas behind the warzone or in neutral countries were nonetheless swept into the maelstrom From local encounters in New Zealand Britain and East Africa to army camps and hospitals in France and Mesopotamia from cafes and clubs in Salonika and London to anticolonial networks in Germany the USA and the Dutch East Indies this volume examines the actions and experiences of a varied company of soldiers medics writers

photographers and revolutionaries to reconceptualize this conflict as a turning point in the history of global encounters How did people interact across uneven intersections of nationality race gender class religion and language How did encounters direct and mediated forced and unforced shape issues from cross racial intimacy and identity formation to anti colonial networks civil rights movements and visions of a post war future The twelve chapters delve into spaces and processes of encounter to explore how the conjoined realities of war race and empire were experienced recorded and instrumentalized

Music, Muscle, and Masterful Arts Sakina M. Hughes, 2025-01-07 Before the heyday of the Chitlin Circuit and the Harlem Renaissance African American performing artists and creative entrepreneurs sometimes called Black Bohemians seized their limited freedoms and gained both fame and fortune with their work in a white dominated marketplace These Black performers plied their trade in circuses blues tents and Wild West Shows with Native Americans The era s traveling entertainments often promoted the disappearing Indian myth and promoted racial hierarchies with Black and Native people at the bottom But in a racial economy rooted in settler colonialism and legacies of enslavement Black and Indigenous performers found that otherness could be a job qualification Whether as artists or manual laborers these workers rejected marginalization by traveling the world making a solid living off their talents and building platforms for political and social critique Eventually America s popular entertainment industry could not survive without Black and Native Americans creative labor As audiences came to eagerly anticipate their genius these performers paved the way for greater social economic and cultural autonomy Sakina M Hughes provides a conceptually rich work revealing memorable individuals laborers artists and entrepreneurs who faced with danger and discrimination created surprising opportunities to showcase their talents and gain fame wealth and mobility

Staging the Blues Paige A. McGinley, 2014-09-10 Singing was just one element of blues performance in the early twentieth century Ma Rainey Bessie Smith and other classic blues singers also tapped joked and flaunted extravagant costumes on tent show and black vaudeville stages The press even described these women as actresses long before they achieved worldwide fame for their musical recordings In Staging the Blues Paige A McGinley shows that even though folklorists record producers and festival promoters set the theatricality of early blues aside in favor of notions of authenticity it remained creatively vibrant throughout the twentieth century Highlighting performances by Rainey Smith Lead Belly Sister Rosetta Tharpe Sonny Terry and Brownie McGhee in small Mississippi towns Harlem theaters and the industrial British North this pioneering study foregrounds virtuoso blues artists who used the conventions of the theater including dance comedy and costume to stage black mobility to challenge narratives of racial authenticity and to fight for racial and economic justice

Creating the Jazz Solo Vic Hobson, 2018-10-09 Throughout his life Louis Armstrong tried to explain how singing with a barbershop quartet on the streets of New Orleans was foundational to his musicianship Until now there has been no in depth inquiry into what he meant when he said I figure singing and playing is the same or Singing was more into my blood than the trumpet *Creating the Jazz Solo* Louis Armstrong and Barbershop Harmony shows that

Armstrong understood exactly the relationship between what he sang and what he played and that he meant these comments to be taken literally he was singing through his horn To describe the relationship between what Armstrong sang and played author Vic Hobson discusses elements of music theory with a style accessible even to readers with little or no musical background Jazz is a music that is often performed by people with limited formal musical education Armstrong did not analyze what he played in theoretical terms Instead he thought about it in terms of the voices in a barbershop quartet Understanding how Armstrong and other pioneer jazz musicians of his generation learned to play jazz and how he used his background of singing in a quartet to develop the jazz solo has fundamental implications for the teaching of jazz history and performance today This assertive book provides an approachable foundation for current musicians to unlock the magic and understand jazz the Louis Armstrong way

Traditional Anglo-American Folk Music Norm Cohen, 2015-12-22 Originally published in 1994 Filling a gap in the sound recordings of traditional Anglo American folk music this volume covers both vocal and instrumental material from the 1920s to the 1990s The listings have also been limited to performers native to the tradition rather than revival performers The album selection is grouped into field recordings and commercial pre 1942 recordings with subdivisions into individual recordings or anthologies The discography not only reflects its author s in depth knowledge of Anglo American folk music s historical development but charts a valuable step forward in the evaluation as well as select listing of available sound recordings
