**Heart Histories, Spirit Longings, Etc** L. B. Flanders,1877 The Vale of Shadows Alexandre Erixon,1908 **Earthy Rhythms** Tuheen Panda,2020-04-10 The poems are a thoughtful manifestation of the many shades of the mind and moods over the unusual scapes of human activity and nature With the turn of every page the reader will be faced with the solemnity of life s purpose Poems such as Stars Talk playfully tinker with the vastness of the universe while the poem In the Garden of my Mind unsheathes the very structure of our thoughts The Gasp ventures into the morbidities of human greed Her creative writing and artistic poetry deals with the universe and other elements which are transient and not in harmony as a paradox As you read these poems repeatedly the mystery within them gets pleasantly unraveled **Rider of Garuda** Ashok K Banker,2013-10-05 The Lord of Dwarka must ensure the safety of his subjects and uphold the dignity of his title in the seventh book of the Krishna Coriolis Series Newly married and seeking only to dwell in peace Krishna is shaken when he learns that his greatest challenge still awaits him With the help of powerful forces Jarasandha has summoned Narakasura the demon lord of hell himself Tens of thousands of mortal women fall prey to this new menace even as Krishna is forced to defend his honour and go on the most pointless quest imaginable the search for a missing jewel Krishna finally assumes his true form as the master of the great and powerful Garuda and prepares to rid the world of evil once and for all Under a Raging Sky Daniel Carney,1980 **Emergence - Book One of the Alicorn Quest** William R Jenkins Jr,2023-12-08 In a bygone age India s forests whispered tales of unicorns The magic nestled within their spiralled horns was legendary with villagers weaving tales of its mesmerizing properties But these stories also painted targets on the creatures Driven by greed hunters came in droves seeking the power in those horns With every stolen horn they boasted their conquests leaving a trail of slain unicorns and bystanders in their wake Darkness soon descended upon the forest and the once celebrated unicorns faded into myths Yet hope endured through ancient prophecies predicting the unicorns return Symbols of their resurgence a golden seven pointed star and a bangle adorned with horse and unicorn carvings were foretold to re emerge And in November 1861 these artifacts surfaced from the ocean s depths heralding the start of The Alicorn Quest This epic journey follows a young Indian adventurer s quest to an unfamiliar Oregon where destiny awaits in the form of a unique colt As adversaries thwart his path this colt unaware of his future grazes in Oregon s *Mingming & the Tonic of Wildness* Roger

**The Desiring-Image** Nick Davis, 2013-06-03 The Desiring Image yields new models of queer cinema produced since the late 1980s based on close formal analysis of diverse films as well as innovative contributions to current film theory The book defines queer cinema less as a specific genre or in terms of gay and lesbian identity but more broadly as a kind of filmmaking that conveys sexual desire and orientation as potentially fluid within any individual's experience and as forces that can therefore unite unlikely groups of people along new lines socially sexually or politically The films driving this analysis range from celebrated fixtures of the New Queer Cinema of the 1990s including Cheryl Dunye's The Watermelon Woman and Todd Haynes's Velvet Goldmine to sexually provocative films of the same era that are rarely classified as queer David Cronenberg's Dead Ringers and Naked Lunch to breakout films by 21st century directors Rodney Evans's Brother to Brother John Cameron Mitchell's Shortbus To frame these readings and to avoid heterosexist assumptions in other forms of film analysis The Desiring Image revisits the work of the philosopher Gilles Deleuze whose two major works on cinema somehow never address the radical ideas about desire he expresses in other texts This book brings those notions together in innovative ways making them clear and accessible to newcomers and field specialists alike with clear illustrated examples drawn from a wide range of movies extending beyond the central case studies Thus The Desiring Image speaks to readers interested in queer and gay lesbian studies in film theory in feminist and sexuality scholarship and in theory and philosophy putting those discourses into rich surprising conversations with popular cinema of the last 30 years 100

Queer Films Since Stonewall Chelsea McCracken, Matt Connolly, 2025-05-01 100 Queer Films identifies 100 films that shaped the trajectory of queer cinema connected with larger movements and showcased the artistry of queer filmmaking In addition to those films that already hold significant places in queer film canons this volume examines often overlooked titles By highlighting hidden gems alongside well known classics this book makes a valuable accessible contribution to queer film studies While queer films have existed since the beginning of cinema this book focuses on films released after the Stonewall uprising in 1969 Stonewall is considered a turning point for queer politics and representation and the 50 years since that event have generated an explosion of queer creativity The book describes significant formal elements of each film and connects them to their interrelated contexts By moving in chronological order it introduces a contemporary history of queer film and provides an overview of major developments in LGBTQ communities cultures and politics This volume presents a framework for understanding the value of queer film

*La India María* Seraina Rohrer, 2017-12-20 La India Mar a a humble and stubborn indigenous Mexican woman is one of the most popular characters of the Mexican stage television and film Created and portrayed by Mar a Elena Velasco La India Mar a has delighted audiences since the late 1960s with slapstick humor that slyly critiques discrimination and the powerful At the same time however many critics have derided the iconic figure as a racist depiction of a negative stereotype and dismissed the India Mar a films as exploitation cinema unworthy of

serious attention By contrast La India Mar a builds a convincing case for Mar a Elena Velasco as an artist whose work as a director and producer rare for women in Mexican cinema has been widely and unjustly overlooked Drawing on extensive interviews with Velasco her family and film industry professionals as well as on archival research Seraina Rohrer offers the first full account of Velasco s life her portrayal of La India Mar a in vaudeville television and sixteen feature film comedies including Ni de aqu ni de all Neither here nor there and her controversial reception in Mexico and the United States Rohrer traces the films financing production and distribution as well as censorship practices of the period and compares them to other Mexploitation films produced at the same time Adding a new chapter to the history of a much understudied period of Mexican cinema commonly referred to as la crisis this pioneering research enriches our appreciation of Mexploitation films

*The Angel and the Star of 49Th Street* Timothy Patrick Butler,2019-08-13 Timothy P Butler has written nearly 500 poems covering a range of topics *New Queer Cinema* B. Ruby Rich,2013-03-26 B Ruby Rich designated a brand new genre the New Queer Cinema NQC in her groundbreaking article in the Village Voice in 1992 This movement in film and video was intensely political and aesthetically innovative made possible by the debut of the camcorder and driven initially by outrage over the unchecked spread of AIDS The genre has grown to include an entire generation of queer artists filmmakers and activists As a critic curator journalist and scholar Rich has been inextricably linked to the New Queer Cinema from its inception This volume presents her new thoughts on the topic as well as bringing together the best of her writing on the NQC She follows this cinematic movement from its origins in the mid 1980s all the way to the present in essays and articles directed at a range of audiences from readers of academic journals to popular glossies and weekly newspapers She presents her insights into such NQC pioneers as Derek Jarman and Isaac Julien and investigates such celebrated films as Go Fish Brokeback Mountain Itty Bitty Titty Committee and Milk In addition to exploring less known films and international cinemas including Latin American and French films and videos she documents the more recent incarnations of the NQC on screen on the web and in art galleries *Aesthetics and Politics in the Mexican Film Industry* M. MacLaird,2013-06-18 Evaluating a broad selection of Mexican films produced from the early 1990s to the present this study examines how production methods audience demographics and aesthetic approaches have changed throughout the past two decades and how these changes relate to the country s transitions to a democratic political system and a free market economy
