

PETER McLAUGHLIN

Ragtime Soldiers

The background of the book cover is a solid red color. In the lower half, there is a black silhouette of a group of soldiers in World War I-era uniforms. They are standing on a wooden bridge or trestle that spans across the frame. The soldiers are in various poses, some looking forward, others slightly turned. The bridge has a simple wooden railing. The overall image is a high-contrast silhouette against the red background.

Ragtime Soldiers The Rhodesian Experience In The First World War

L Darling-Hammond

Ragtime Soldiers The Rhodesian Experience In The First World War:

Ragtime Soldiers Peter McLaughlin, 1980 **The First World War** Hew Strachan, 2003-02-06 This is the first truly definitive history of the First World War the war that has done most to shape the twentieth century The first generation of its historians had access to only a limited range of sources and their focus was primarily on military events More recent approaches have embraced cultural diplomatic economic and social history In Hew Strachan s authoritative and readable history these fresh perspectives are incorporated with the military and strategic narrative The result is an account that breaks the bounds of national preoccupations to become both global and comparative To Arms the first of three volumes in this magisterial study examines not only the causes of the war and its opening clashes on land and sea but also the ideas that underpinned it and the motivations of the people who supported it It provides full and pioneering accounts of the war s finances of the war in Africa and of the Central Powers bid to widen the war outside Europe *The Outbreak of the First World War* Hew Strachan, 2004 Professor Strachan brings his trademark clarity of thought and lucid expository style to bear on the long contested ground of the causes of the First World War *Black Soldiers in the Rhodesian Army* M. T. Howard, 2024-02-08 During Zimbabwe s war of liberation 1965-80 fought between Zimbabwean nationalists and the minority white Rhodesian settler colonial regime thousands of black soldiers volunteered for and served in the Rhodesian Army This seeming paradox has often been noted by scholars and military researchers yet little has been heard from black Rhodesian veterans themselves Drawing from original interviews with black Rhodesian veterans and extensive archival research M T Howard tackles the question of why so many black soldiers fought steadfastly and effectively for the Rhodesian Army demonstrating that they felt loyalty to their comrades and regiments and not the Smith regime Howard also shows that units in which black soldiers served particularly the Rhodesian African Rifles were fundamental to the Rhodesian counter insurgency campaign Highlighting the pivotal role black Rhodesian veterans played during both the war and the tumultuous early years of independence this is a crucial contribution to the study of Zimbabwean decolonisation **Decolonisation, Identity and Nation in Rhodesia, 1964-1979** David Kenrick, 2019-11-02 This book explores concepts of decolonisation identity and nation in the white settler society of Rhodesia now Zimbabwe between 1964 and 1979 It considers how white settlers used the past to make claims of authority in the present It investigates the white Rhodesian state s attempts to assert its independence from Britain and develop a Rhodesian national identity by changing Rhodesia s old colonial symbols and examines how the meaning of these national symbols changed over time Finally the book offers insights into the role of race in Rhodesian national identity showing how portrayals of a timeless black population were highly dependent upon circumstance and reflective of white settler anxieties Using a comparative approach the book shows parallels between Rhodesia and other settler societies as well as other post colonial nation states and even metropolises as themes and narratives of decolonisation travelled around the world The First World War: To arms Hew Strachan, 2001 Contents Vol 1

To arms The First World War in Africa Hew Strachan,2004-10-14 To Arms is Hew Strachan s most complete and definitive study of the opening of the First World War Now key sections from this magisterial work are published as individual paperbacks each complete in itself and with a new introduction by the author The First World War was not just fought in the trenches of the western front It embraced all of Africa Many of those who fought this white man s war were black The dangers they confronted went beyond those of the battlefield They fell prey to malaria and dysentery and they were attacked by lions and crocodiles But it was a vast and spectacular theatre of operations in which great personalities thrusting German officers like Paul von Lettow Vorbeck or big game hunters like Peter Pretorius could impose themselves Embracing the perspectives of all the nations who fought there this is the first ever full account of the Great War in Africa

Britain, Northern Rhodesia and the First World War Edmund James Yorke,2016-01-12 An insightful account of the devastating impact of the Great War upon the already fragile British colonial African state of Northern Rhodesia Deploying extensive archival and rare evidence from surviving African veterans it investigates African resistance at this time **The Great War** Ian F. W. Beckett,2014-01-14 The course of events of the Great War has been told many times spurred by an endless desire to understand the war to end all wars However this book moves beyond military narrative to offer a much fuller analysis of the conflict s strategic political economic social and cultural impact Starting with the context and origins of the war including assassination misunderstanding and differing national war aims it then covers the treacherous course of the conflict and its social consequences for both soldiers and civilians for science and technology for national politics and for pan European revolution The war left a long term legacy for victors and vanquished alike It created new frontiers changed the balance of power and influenced the arts national memory and political thought The reach of this account is global showing how a conflict among European powers came to involve their colonial empires and embraced Japan China the Ottoman Empire Latin America and the United States *Soldiers and Settlers in Africa* Stephen M. Miller,2009 This book revisits some of the most significant guerrilla struggles of the late 19th century all set in Africa and remind readers in light of current events the difficulties involved in engaging in this type of conflict Indigenous Peoples of the British Dominions and the First World War Timothy C. Winegard,2011-11-03 The first comprehensive examination and comparison of the indigenous peoples of the five British dominions during the First World War **Daily Lives of Civilians in Wartime Africa** John Paul Clow Laband Ph.D.,2006-11-30 In most accounts of warfare civilians suffer cruelties and make sacrifices silently and anonymously This volume details the dismal impact war has had on the African people over the past five hundred years from slavery days the Zulu War World Wars I and II to the horrific civil wars following decolonization and the genocide in Rwanda In most accounts of warfare civilians suffer cruelties and make sacrifices silently and anonymously Finally historians turn their attention to those who are usually caught up in events beyond their control or understanding This volume details the dismal impact war has had on the African people over the past five hundred years from slavery days the Zulu War World

Wars I and II to the horrific civil wars following decolonization and the genocide in Rwanda Chapters provide a representative range of civilian experiences during wartime in Africa extending from the late eighteenth century to the present representing every region of Africa except North Africa Timelines glossaries suggested further readings and maps are included and the work is fully indexed The book begins with Paul E Lovejoy s study of the ubiquitous experience of African slavery which has so profoundly affected the development of the continent and the lives of its people John Laband then examines the rise of the Zulu kingdom in the early nineteenth century and its subsequent conquest by Britain thus charting the fate of civilians during the formation of an African kingdom and their experiences during colonial conquest The Anglo Boer War is situated at a crucial crossroads between colonial and modern warfare and the concentration camps the British set up for Boer and African civilians pioneered a new form of modern savagery Bill Nasson examines this war s complex effects on various categories of non combatants in South Africa Because it was under colonial rule Africa was dragged into the two World Wars Tim Stapleton shows in the fourth chapter that while the African civilian response to the war of 1914 1918 was often contradictory and ranged from collaboration to revolt the effect of the conflict was only to confirm colonial rule In the following chapter David Killingray explains how and why the impact of the Second World War on African civilians was rather different from that of the First in that it undid colonial rule and paved the way for the future independence of Africa under modernized African leadership The Portuguese held on to their African empire long after the other colonial empires had relinquished theirs in the 1960s Angola the subject of Chapter six passed seamlessly out of an independence struggle against Portuguese rule into civil war that soon involved Cold War rivalries and interventions Inge Brinkman describes the dismal sufferings and displacement of Angolan civilians during four decades of interminable fighting Liberia and Sierra Leone declined from relative stability and prosperity into horrific civil war and in Chapter seven Lansana Gberie traces the deadly consequences for civilians and the efforts to stabilize society once peace was tentatively restored The Sudan has suffered decades of ethnic and religious strife between the government and the people of the southern and western periphery and in Chapter eight Jane Kani Edward and Amir Idris analyze what this has meant and still means for the myriad civilian victims Chapter nine concludes the book with the most horrific single episode of recent African history the Rwandan genocide Alhaji Bah explains its genesis and canvasses the subsequent search for reconciliation The chapter ends with his discussion of African mechanisms that should and even might be put in place to ensure effective peacekeeping in Africa and so save civilians in future from the swarm of war s horrors *Africa and the First World War* Melvin E

Recruiting and motivations for enlistment Perceptions of African security force members Education and upward mobility Camp life African women and the security forces Objections and reforms Travel and danger Demobilization and veterans

The Rhodesian War Paul L. Moorcraft,Peter McLaughlin,2016-01-20 A political and military analysis of this conflict in

southern Africa with maps photos and a new introduction assessing its long aftermath A half century after the Universal Declaration of Independence this superb book depicts the military history of Southern Rhodesia from the first resistance to colonial rule through the period of UDI by the Smith government to the Lancaster House agreement that transferred power There are vivid accounts of the operations against the black nationalist guerillas by the security forces and the intensity of the fighting and courage of the participants will surprise and enthrall readers Atrocities were undoubtedly committed by both sides as the protagonists played for very high stakes But this is more than just a book on military operations The authors are able to provide expert analysis of the historical situation and examine events well into the twenty first century including Mugabe s operations against rival tribes and white farmers With a new introduction this is essential reading for those wishing to learn more about a counterinsurgency campaign and why despite the ingenuity of the Rhodesian military fighting against overwhelming odds and restricted by sanctions the outcome culminating in the Lancaster House Agreement was inevitable

A Guide to British Military History Ian F. W. Beckett, 2016-06-30 What exactly is military history Forty years ago it meant battles campaigns great commanders drums and trumpets It was largely the preserve of military professionals and was used to support national history and nationalism Now though the study of war has been transformed by the war and society approach by the examination of identity memory and gender and a less Euro centric and more global perspective Generally it is recognised that war and conflict must be integrated into the wider narrative of historical development and this is why Ian Becketts research guide is such a useful tool for anyone working in this growing field It introduces students to all the key debates issues and resources While European and global perspectives are not neglected there is an emphasis on the British experience of war since 1500 This survey of British military history will be essential reading and reference for anyone who has a professional or amateur interest in the subject and it will be a valuable introduction for newcomers to it

Rhodesian War Paul L. Moorcraft, Peter McLaughlin, 2010-09-15 The vicious conflict 1964-79 that brought Robert Mugabe to power in Zimbabwe Expert coverage of the war its historical context and its aftermath Descriptions of guerrilla warfare counterinsurgency operations and actions by units like Grey s Scouts Amid the colonial upheaval of the 1960s Britain urged its colony in Southern Rhodesia modern day Zimbabwe to grant its black residents a greater role in governing the territory The white minority government refused and soon declared its independence a move bitterly opposed by the black majority The result was the Rhodesian Bush War which pitted the government against black nationalist groups one of which was led by Robert Mugabe Marked by unspeakable atrocities the war ended in favor of the nationalists

No Insignificant Part

Timothy J. Stapleton, 2006-04-21 No Insignificant Part The Rhodesia Native Regiment and the East Africa Campaign of the First World War is the first history of the only primarily African military unit from Zimbabwe to fight in the First World War Recruited from the migrant labour network most African soldiers in the RNR were originally miners or farm workers from what are now Zimbabwe Zambia Mozambique and Malawi Like others across the world they joined the army for a variety of

reason chief among them a desire to escape low pay and horrible working conditions The RNR participated in some of the key engagements of the German East Africa campaign s later phase subsisting on extremely meager rations and suffering from tropical diseases and exhaustion Because they were commanded by a small group of European officers most of whom were seconded from the Native Affairs Department and the British South Africa Police the regiment was dominated by racism It was not unusual for black soldiers but never white ones to be publicly flogged for alleged theft or insubordination Although it remained in the field longer than all white units and some of its members received some of Britain s highest decorations the Rhodesia Native Regiment was quickly disbanded after the war and conveniently forgotten by the colonial establishment Southern Rhodesias white settler minority partly on the strength of its wartime sacrifice was given political control of the territory through a racially exclusive form of self government but black RNR veterans received little support or recognition No Insignificant Part takes a new look at an old campaign and will appeal to scholars of African or military history interested in the First World War

The Last Great Safari Corey W. Reigel, 2015-04-22 In The Last Great Safari East Africa in World War I military historian Corey W Reigel explores a fascinating and misunderstood theater of operations in the history of the First World War Unprepared for the Great War colonial units combined modern industrial weapons and equipment with traditional African methods to produce a hybrid force Throughout The Last Great Safari Reigel challenges myth after myth Were really one million Allied soldiers pulled up from Europe to toil in the tropical sun only to fall victim to local diseases Did the Germans truly become masters of guerrilla warfare and humiliate the British Empire in what appeared a David versus Goliath conflict Reigel brings together traditional military studies and African history to explore the myths fables and stereotypes that have long characterized examinations of this topic from questions as to how German East Africa contributed to the fate of the war to claims respecting significant diversion of resources Racism played a significant role in then prevalent definitions of what constituted military success and in how Africans and Indians were recruited holding more sway in the minds of white armies as a success factor than differences in weapons Reigel points out how modern methods of medicine and transportation ultimately failed only to be replaced by a hybrid of industrial Europe and traditional African solutions for dealing with an especially difficult climate In the end when necessity came to outweigh then current ideas of professionalism did German forces outfight their opponents The Last Great Safari East Africa in World War I will interest students of military history African studies and World War I as this tale of colonial warfare within a war of attrition shaped part of Africa s colonial future

Church and Settler in Colonial Zimbabwe Pamela Welch, 2008-08-31 This book examines the history of the Anglican Diocese of Mashonaland Southern Rhodesia virtually co extensive with modern Zimbabwe in the period 1890 1925 when its institutions took shape and its religious character was formed While work among indigenous communities is outlined the primary subject is the church s work with white settlers A fresh general narrative is provided and an examination of clergy recruitment and finance relates events in Mashonaland to developments in global Anglicanism Among

the questions addressed are those of religion and empire church and state and the complexities of relationship between the Church of England and her overseas extensions particularly those covering areas of white settlement Local developments in religious practice are also explored most striking of these was the settler apprehension of the vast landscapes of South Central Africa as a locus of the sacred and their custom of veld burial

Ragtime Soldiers The Rhodesian Experience In The First World War Introduction

In the digital age, access to information has become easier than ever before. The ability to download Ragtime Soldiers The Rhodesian Experience In The First World War has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Ragtime Soldiers The Rhodesian Experience In The First World War has opened up a world of possibilities. Downloading Ragtime Soldiers The Rhodesian Experience In The First World War provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Ragtime Soldiers The Rhodesian Experience In The First World War has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Ragtime Soldiers The Rhodesian Experience In The First World War. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Ragtime Soldiers The Rhodesian Experience In The First World War. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Ragtime Soldiers The Rhodesian Experience In The First World War, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Ragtime Soldiers The Rhodesian Experience In The First World War has transformed the way we access information. With

the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Ragtime Soldiers The Rhodesian Experience In The First World War Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Ragtime Soldiers The Rhodesian Experience In The First World War is one of the best book in our library for free trial. We provide copy of Ragtime Soldiers The Rhodesian Experience In The First World War in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Ragtime Soldiers The Rhodesian Experience In The First World War. Where to download Ragtime Soldiers The Rhodesian Experience In The First World War online for free? Are you looking for Ragtime Soldiers The Rhodesian Experience In The First World War PDF? This is definitely going to save you time and cash in something you should think about.
