said goodbye to loved ones never knowing when they would return The landscapes which grew around the station are also explored and include such forgotten features as station hotels restaurants gardens and the once common railway YMCA Railway companies often hired the world s leading architects to design grand station buildings which ranged in style from chateau esque to art deco Even small town stations and wayside shelters displayed an artistic flare and elegance Although most have vanished the book celebrates the survival of that heritage in stations which have been saved or indeed remain in use The book will appeal to anyone who has links with our rail era or who simply appreciates the value of Canada s built heritage     Ottawa--making a Capital Jeff Keshen,Nicole J.
