**Literature and Modern Time** Trish Ferguson,2020-05-06 *Literature and Modern Time* is a collection of essays that explore literature in the context of a wave of challenges to linear conceptions of time introduced by thinkers such as Bergson Einstein McTaggart Freud and Nietzsche These challenges were not uniform in character The volume will demonstrate that literature of the era under scrutiny was not simply reacting to new theories of time in some cases it is actually inspiring and

anticipating them Thus Literature and Modern Time promises to offer a genuine dialogue between literature and time theory and in doing so will uncover and examine influences and connections sometimes unexpected between philosophers and writers of the era It will examine literary attempts to transcend and escape time and also challenge rupture based accounts of modernist time by demonstrating that literary texts commonly associated with brokenness decline or stasis also at the same time maintain faith in healing renewal and mobility This collection contains interdisciplinary research of the quite highest kind to see so many different kinds of time narrative historical mechanical subjective non linear time myth and nostalgia as well as time space discussed here is very stimulating indeed Professor Simon James

**British Writers and the Approach of World War II** Steve Ellis, 2014-10-27 This book considers the literary construction of what E M Forster calls the 1939 State namely the anticipation of the Second World War between the Munich crisis of 1938 and the end of the Phoney War in the spring of 1940 Steve Ellis investigates not only myriad responses to the imminent war but also various peace aims and plans for post war reconstruction outlined by such writers as T S Eliot H G Wells J B Priestley George Orwell E M Forster and Leonard and Virginia Woolf He argues that the work of these writers is illuminated by the anxious tenor of this period The result is a novel study of the long 1939 which transforms readers understanding of the literary history of the eve of war era
