Greg Dening,1996 history is my passion Writing it teaching it reading it fills the days and years of my life In all passions there
is pain and pleasure Greg Dening In this collection of writings some new some previously published Greg Dening reflects on
his experiences both as a historian and a participant in history Performances brings together the personal and the scholarly
demonstrating how our lives are saturated with history how we can only understand our present through our consciousness
of the past and how in thinking about the past we mirror the time and place of our own living Each of these essays can be
enjoyed on its own yet throughout them all run the common themes of the intricate relationships between past and present
the personal and the political historical research and the imagination Dening writes with elegance and candour inviting
readers to reflect upon their own participation in the performance of history **Four Seasons** Eve J Blohm,2016-10-14

and art with this prestigious distinction As the largest most recognized organization of women in the country spanning
virtually every industry and profession the National Association of Professional Women is a powerfully vibrant networking
community with over 600 000 members and nearly 400 local chapters I started doing my art in 1965 says Ms Blohm I
recently created a catalog of some of my artwork that is for sale Whether its peering through the lens of her camera or
dipping her brush into watercolors Ms Blohm vividly brings images to life From collages to watercolors to photographs she
enjoys creating art for herself and for others The artist has recently tried her hand at working in a new medium felt tip pen
drawing I love it Its like watercolor only you use ink Its beautiful she said **Gothiniad** Surazeus Astarius,2017-10
Gothiniad of Surazeus Oracle of Gotha presents 150 792 lines of verse in 1 948 poems lyrics ballads sonnets dramatic
monologues eulogies hymns and epigrams written by Surazeus 1993 to 2000 **Abstraction in Art and Nature** Nathan
Cabot Hale,2012-06-19 In this stimulating thought provoking guide a noted sculptor and teacher demonstrates how to
discover a rich new design source in the abstractions inherent in natural forms Through systematic study of such properties
as line form shape mass pattern light and dark space proportion scale perspective and color as they appear in nature
students can learn to utilize the infinite variety and diversity of those elements as a wellspring of creative abstraction The

author invites students to learn the necessary techniques through a series of projects devoted to exploring and drawing plants animals birds landscapes seascapes skies and more Lines of growth and structure water and liquid forms weather and atmospheric patterns luminosity in plants and animals earth colors and lightning are among the sources of abstraction available to the artist who is aware of them This book will train you to see and use these elements and many more An intriguing blend of art psychology and the natural sciences Abstraction in Art and Nature is profusely illustrated with over 370 photographs scientific illustrations diagrams and reproductions of works by the great masters It not only offers a mind stretching new way of learning and teaching basic design but deepens our awareness of the natural environment In short Mr Hale s book is an indispensable guide that artists teachers and students will want to have close at hand for instruction inspiration and practical guidance
