with many great photos from his travels The book is a treasure trove of insider travel tips from a long term resident of the state who has traveled the length and breadth of the state many times It contains many fascinating historical and geographical facts that put the places and activities in context It is very educational and fun for the whole family It can also save you a lot of time and money by telling you what is worth seeing and what is not It tells you how to avoid the crowds and wasting time traveling and waiting in lines This is the full color edition The stunning photographs show what a marvelous place California is to see
