Raise Hell and Sell Newspapers Sherry Boswell, Sharon A. Boswell, Lorraine McConaghy, 1996 *Raise Hell and Sell Newspapers* the lively biography of Alden J Blethen traces the newspaperman's life from his birth in 1845 to his death in 1915 Longtime editor in chief of The Seattle Times Blethen became the most powerful and influential publisher in the Northwest and one of the foremost newspapermen of his generation Authors Sharon A Boswell and Lorraine McConaghy tell the compelling story of this self made man during a period of dramatic change in American life Alden Blethen arrived in Seattle broke in 1896 after making and losing fortunes as a newspaper owner and publisher in Kansas City and Minneapolis One year later the Klondike gold rush transformed the muddy Puget Sound seaport into a magnificent boomtown Using a loan from his brother in law Blethen purchased a share in The Seattle Times During the next two decades as Seattle grew into the queen city of the Northwest Blethen transformed The Times into the region's largest paper and reclaimed his family's fortune *Raise Hell and Sell Newspapers* Sharon A. Boswell, Sherry Boswell, Lorraine McConaghy, 1996 During the next two decades as Seattle grew into the queen city of the Northwest Blethen transformed The Times into the region's largest paper and reclaimed his family's fortune **Hard Drive to the Klondike** Lisa Mighetto, 1999 The Alaskan Klondike Gold Rush coincided with major events including the arrival of the railroad and it exemplified continuing trends in Seattle's history If not the primary cause of the city's growth and prosperity the Klondike Gold Rush nonetheless serves as a colorful reflection of the era and its themes including the celebrated Seattle spirit This historic resource study examines the Klondike Gold Rush beginning in the early 1850's with the founding of Seattle and ending in 1909 with the Alaska Yukon Pacific Exposition commemorating the Klondike Gold Rush and the growth of the city Chapter 1 describes early Seattle and the gold strikes in the Klondike while the following three chapters analyze how the city became the gateway to the Yukon how the stampede to the Far North stimulated local businesses and how the city's infrastructure and boundaries changed during the era of the gold rush Chapter 5 looks at how historians have interpreted the Klondike Gold Rush throughout the 20th century The final chapter brings the Klondike story up to the present describing the establishment of Seattle's Pioneer Square Historic District and the Klondike Gold Rush National Historical Park The chapter titles include 1 By and By The Early History of Seattle 2 Selling Seattle 3 Reaping the Profits of the Klondike Trade 4 Building the City 5 Interpreting the Klondike Gold Rush and 6 Historic Resources in the Modern Era Contains an extensive 147 item partially annotated bibliography 12 appendixes contain historical documents and photographs Vigilante Newspapers Gerald J. Baldasty, 2010-03-01 This riveting work of social history documents the role the news media played in spurring two murders revolving around Edmund Creffield a charismatic Holy Roller evangelist who arrived in Corvallis Oregon in 1903 and quickly enraged the citizenry by defiantly challenging the religious and sexual mores of the time When ardent female followers began refusing to speak to their nonbelieving husbands vigilantes tarred and feathered Creffield eventually forcing him to flee to Seattle Once there

Creffield was murdered by George Mitchell the brother of one of his followers The news media in Seattle and Oregon applauded George s defense of his sister Esther s honor influencing the jury Citing temporary insanity the jury quickly acquitted George pleasing the cheering crowds and the approving media As George prepared to return to Oregon however Esther shot him point blank at Union Station and another moralizing media frenzy broke out Esther was sent to Western State Hospital and committed suicide after her release Her short life was among the most poignant of the dozens wrecked by the controversy Gerald Baldasty s examination of Seattle and Oregon media coverage shows the tenacity with which frontier media protected traditional mores particularly the notion that men are responsible for women s purity and have the right to take action if they feel another man has besmirched a woman s honor Expertly crafted in a brisk accessible style Vigilante Newspapers illustrates through the tragic tale of Edmund Creffield George Mitchell and Esther Mitchell how the news media defined social deviance using vague concepts such as hysteria and temporary insanity vigorously defending the established order of religious class and gender norms

**Murdering Holiness** Jim Phillips, Rosemary Gartner, 2011-11-01 Murdering Holiness explores the story of the Holy Roller sect led by Franz Creffield in the early years of the twentieth century In the opening chapters the authors introduce us to the community of Corvallis Oregon where Creffield a charismatic self styled messiah taught his followers to forsake their families and worldly possessions and to seek salvation through him As his teachings became more extreme the local community reacted Creffield was tarred and feathered and his followers were incarcerated in the state asylum Creffield himself was later imprisoned for adultery but shortly after his release he revived the sect This proved too much for some of the adherents families and in May 1906 George Mitchell the brother of two women in the sect pursued Creffield to Seattle and shot him dead The authors take us into the courtroom for the trial that made headlines across North America as Mitchell was acquitted of murder Though the formal plea was insanity the defence built its case on the unwritten law that justified killing to protect or avenge family honour Based on court records and archival sources this case study includes a detailed examination of the trial the media s response to it and the dramatic aftermath and sheds light on the rise of ardent religion in the Pacific Northwest the justice system in Seattle and the role of the press in influencing public opinion

**The Journalist's Predicament** Matthew Powers, Sandra Vera-Zambrano, 2023-08-22 Low pay Uncertain work prospects Diminished prestige Why would anyone still want to be a journalist Drawing on in depth interviews in France and the United States Matthew Powers and Sandra Vera Zambrano explore the ways individuals come to believe that journalism is a worthy pursuit and how that conviction is managed and sometimes dissolves amid the profession s ongoing upheavals For many people journalism represents a job that is interesting and substantial with opportunities for expression a sense of self fulfillment and a connection to broader social values By distilling complex ideas holding the powerful to account and revealing hidden realities journalists play a crucial role in helping audiences make sense of the world Experiences in the profession though are often far more disappointing Many find themselves doing tasks that bear little relation to what

attracted them initially or are frustrated by institutions privileging what sells over what informs The imbalance between the profession's economic woes and its social importance threatens to erode individuals' beliefs that journalism remains a worthwhile pursuit Powers and Vera Zambrano emphasize that as with many seemingly individual choices social factors class gender education and race shape how journalists make sense of their profession and whether or not they remain in it An in depth story of one profession under pressure *The Journalist's Predicament* uncovers tensions that also confront other socially important jobs like teaching nursing and caretaking *A Will within a Wheel* T.R.
