Harlem Lionel C. Bascom, 2016-12-12 Focusing on the contributions of civic reformers and political architects who arrived in New York in the early decades of the 20th century this book explores the wide array of sweeping social reforms and radical racial demands first conceived of and planned in Harlem that transformed African Americans into self aware U S citizens for the first time in history When the first slave escaped bondage in the American South and migrated to the Northeast region of the United States this act of an individual started what became known as the great migration of African

Americans fleeing the feudal South for New York and other Northern cities This migration fueled an intellectual social and personal pursuit the long standing quest for identity by a lost tribe of African Americans by every black man woman and child in America In Harlem that quest was anchored by a wide array of civic business and prominent leaders who succeeded in establishing what we now know as modern African American culture In Harlem The Crucible of Modern African American Culture author Lionel C Bascom examines the accuracy of the established image of Harlem during the Renaissance period roughly between 1917 and the 1960s as heaven for migrating African Americans He establishes how mingled among the former tenant farmers cotton pickers maids and farmhands were college educated intellectuals progressive ministers writers and lecturers who formed various organizations aimed at banishing images of Negroes as bumbling ignorant second class citizens The book also challenges unfounded claims that political and social movements during the Harlem Renaissance period failed and dramatizes numerous attempts by government authorities to silence black progressives who spearheaded movements that eventually ended segregation in the armed forces drafted plans that led to the first sweeping civil rights legislation and resulted in a U S Supreme Court ruling that finally made racial segregation in schools a federal crime
