*Edited by* Emily Toth, Ph.D.

# Regionalism And The Female Imagination

**Rhonda S. Pettit**

## **Regionalism And The Female Imagination:**

Regionalism and the Female Imagination Emily Toth, 1985-01-01 Essays consider women writers from New England the Midwest the Appalachian Mountains and the South the psychology of regions and new themes in regional writing

**Comedy and the Woman Writer** Judy Little, 2015-08-01 Recent critics have affirmed the difficulty perhaps the impossibility of defining modern comedy at the same time some feminist scholars are seeking to understand the special comedy often present in literature written by women Comedy and the Woman Writer responds to both these concerns of recent criticism feminist literary theory and theories of comedy Judy Little develops a critical apparatus for identifying feminist comedy in recent fiction especially the radical political and psychological implications of this comedy and then applies and tests her theory by examining the novels of Virginia Woolf and Muriel Spark Despite recent scholarly attention to Woolf the profound comedy of her work has been largely overlooked and the comic fiction of Spark has seldom had the responsible and attentive criticism that it deserves The introductory chapter draws upon anthropology and sociology as well as literary criticism and the fiction of feminist writers such as Woolf Doris Lessing and Monique Wittig to define a modern feminist comedy Four central chapters then explore the implications of this comedy in the novels of Woolf and Spark Little distinguishes between on the one hand several varieties of traditional comedy and satire and on the other the festive or liminal comedy to which feminist comedy belongs Both Woolf and Spark mock centuries old mythic patterns and behaviors deriving from basic social norms as well as the values emerging from these norms It is one thing the author points out to find manners amusing to scourge vices or to mock the follies of lovers it is a much more drastic act of the imagination to mock the very norms against which comedy has traditionally judged vices follies and eccentricities While the comedy of Woolf and Spark has some precedent in festive or liminal celebrations during which even basic values and behavior are abandoned feminist comedy displays its radical nature by implying that there is no resolution to the inverted overturned world the world in revolutionary transition The final chapter considers briefly in the light of the critical model of feminist comedy the work of several other twentieth century writers including Jean Rhys Penelope Moritmer and Margaret Drabble The presence of radical comedy in the fiction of these and other writers suggests the need for continuing attention to the theory of feminist comedy proposed in this study

American Women's Regionalist Fiction Monika Elbert, Rita Bode, 2021-01-04 American Women's Regionalist Fiction Mapping the Gothic seeks to redress the monolithic vision of American Gothic by analyzing the various sectional or regional attempts to Gothicize what is most claustrophobic or peculiar about local history Since women writers were often relegated to inferior status it is especially compelling to look at women from the Gothic perspective The regionalist Gothic develops along the line of difference and not unity thus emphasizing regional peculiarities or a sense of superiority in terms of regional history natural landscapes immigrant customs folk tales or idiosyncratic ways The essays study the uncanny or the haunting quality of the commonplace as Hawthorne would have it in his introduction to The House

of the Seven Gables in regionalist Gothic fiction by a wide range of women writers between ca 1850 and 1930 This collection seeks to examine how if the regionalist perspective is small limited and stultifying and leads to Gothic moments or whether the intersection between local and national leads to a clash that is jarring and Gothic in nature     **A Gendered Collision** Rhonda S. Pettit,2000 As documented in her poetry and fiction Parker s modernism moves beyond a narrow set of aesthetic principles it carries the remnants from a collision of competing values those of nineteenth century sentimentalism and twentieth century decadence and modernism Her works display the intense dynamic in which early twentieth century literature and art were created **BOOK JACKET     Imagining New England** Joseph A. Conforti,2003-01-14 Say New England and you likely conjure up an image in the mind of your listener the snowy woods or stone wall of a Robert Frost poem perhaps or that quintessential icon of the region the idyllic white village Such images remind us that as Joseph Conforti notes a region is not just a territory on the ground It is also a place in the imagination This ambitious work investigates New England as a cultural invention tracing the region s changing identity across more than three centuries Incorporating insights from history literature art material culture and geography it shows how succeeding generations of New Englanders created and broadcast a powerful collective identity for their region through narratives about its past Whether these stories were told in the writings of Frost or Harriet Beecher Stowe enacted in historical pageants or at colonial revival museums or conveyed in the pages of a geography textbook or Yankee magazine New Englanders used them to sustain their identity revising them as needed to respond to the shifting regional landscape     **Awakenings** Bernard Koloski,2009-12 No other American book was so maligned neglected for so long and then embraced so quickly and with such enthusiasm as Kate Chopin s 1899 novel *The Awakening* For the twelve scholars whose essays make up this collection reading the novel was a life changing event *Awakenings* explains how as graduate students and young college instructors they carried out some of the basic research thought through some of the critical approaches and developed some of the present directions for reading studying and teaching Kate Chopin a foundation narrative that focuses on what happened a generation ago and why     *The Academic's Handbook* A. Leigh DeNeef,Craufurd D. Goodwin,2007 This new revised and expanded edition of the popular *Academic s Handbook* is an essential guide for those planning or beginning an academic career Faculty members administrators and professionals with experience at all levels of higher education offer candid practical advice to help beginning academics understand matters including The different kinds of institutions of higher learning and expectations of faculty at each The advantages and disadvantages of teaching at four year colleges instead of research universities The ins and outs of the job market Alternatives to tenure track research oriented positions Salary and benefits The tenure system Pedagogy in both large lecture courses and small discussion based seminars The difficulties facing women and minorities within academia Corporations foundations and the federal government as potential sources of research funds The challenges of faculty mentoring The impact of technology on contemporary teaching and learning Different types of publishers and the

publishing process at university presses The modern research library The structure of university governance The role of departments within the university With the inclusion of eight new chapters this edition of *The Academic's Handbook* is designed to ease the transition from graduate school to a well rounded and rewarding career Contributors Judith K Argon Louis J Budd Ronald R Butters Norman L Christensen Joel Colton Paul L Conway John G Cross Fred E Crossland Cathy N Davidson A Leigh DeNeef Beth A Eastlick Matthew W Finkin Jerry G Gaff Edie N Goldenberg Craufurd D Goodwin Stanley M Hauerwas Deborah L Jakubs L Gregory Jones Nellie Y McKay Patrick M Murphy Elizabeth Studley Nathans A Kenneth Pye Zachary B Robbins Anne Firor Scott Sudhir Shetty Samuel Schuman Philip Stewart Boyd R Strain Emily Toth P Aarne Vesilind Judith S White Henry M Wilbur Ken Wissoker Charlotte Perkins Gilman Jill Rudd, Val Gough, 1999-04-01 These essays exemplify all the virtues of interdisciplinarity in consideration of that most multidisciplinary of writers Charlotte Perkins Gilman The contributors simultaneously clarify and complicate our understanding of some of the more vexed areas of Gilman's work by engaging saliently with her theories of ethnicity class prostitution and the dynamics of gender posing difficult questions to contemporary feminist scholars and providing sensitive and insightful guidance to a well chosen and wide range of texts Janet Beer author of *Kate Chopin Edith Wharton and Charlotte Perkins Gilman* *Studies in Short Fiction*

*Women and Gender in Central and Eastern Europe, Russia, and Eurasia* Mary Zirin, Irina Livezeanu, Christine D. Worobec, June Pachuta Farris, 2015-03-26 This is the first comprehensive multidisciplinary and multilingual bibliography on Women and Gender in East Central Europe and the Balkans Vol 1 and The Lands of the Former Soviet Union Vol 2 over the past millennium The coverage encompasses the relevant territories of the Russian Hapsburg and Ottoman empires Germany and Greece and the Jewish and Roma diasporas Topics range from legal status and marital customs to economic participation and gender roles plus unparalleled documentation of women writers and artists and autobiographical works of all kinds The volumes include approximately 30 000 bibliographic entries on works published through the end of 2000 as well as web sites and unpublished dissertations Many of the individual entries are annotated with brief descriptions of major works and the tables of contents for collections and anthologies The entries are cross referenced and each volume includes indexes

**Skeptical Feminism** Carolyn Dever, 2004 In this major work Carolyn Dever considers the ambivalence or outright hostility many feminists feel toward theory arguing that a fundamental skepticism toward abstraction has been vital to the development of the movement Dever analyzes the politics of feminist theory by looking at its popular activist and academic modes from the liberation movements of the 1970s to gender and queer studies now Using key moments in the history of modern feminism consciousness raising best selling books like *Sexual Politics* by Kate Millett and *The Women's Room* by Marilyn French and media representations of women's struggle for equality Dever outlines heated debates over psychoanalysis sexuality and activism The abstract and the grounded converge in discussions about the relationship between the feminist mind and the feminist body and in the preoccupation both uneasy and utopian with lesbian sexuality Powerful

illuminating and galvanizing Skeptical Feminism traces the strategies the women's movement has used to make theory matter and points toward a new politically engaged approach to feminist thought A clarion call for a new approach to feminist thought
