Regionalism In The New Asiapacific Order Vol 2:

Regionalism in the New Asia-Pacific Order Joseph A. Camilleri, 2003-01-01 Regionalism in the Asia Pacific is a complex and rapidly evolving phenomenon This volume explores the relationship between globalization and regionalization between states markets and civil society and between US hegemony and Asian aspirations **The Future of Global Relations** T. Paupp, 2009-06-22 The collapse of US global hegemony means that the future of global relations will be defined by an integrated and mutually co operative world order of regions in which there are multiple centres of power These centres will continue to mature under the ideology of regionalism and through the long historical process of regionalization

Regionalism in East Asia Fu-kuo Liu, Philippe Regnier, 2013-10-18 Regional cooperation and integration have emerged as key issues for East Asia following the financial crisis This book explores these issues and examines the degree to which a new paradigm is emerging It reviews the evolution of the concepts and practices of regionalism in East Asia and considers the factors which are shaping new patterns of regional co operation and integration It includes discussions of historical developments economic co operation socio political factors and defence and security It considers the role of those states including China and Japan which have distinctive approaches to international relations and assesses the role of regional international bodies such as ASEAN *Strategy and Security in the Asia-Pacific* Robert Ayson, Desmond Ball, 2020-07-25 From the war on terror to the rise of China this book unlocks the major strategic themes and security challenges of the early twenty first century Strategy and Security in the Asia Pacific provides the analytical frameworks needed to make sense of this complex but exciting strategic universe Offering a unique mix of global strategic thinking and Asia Pacific security analysis this book is for readers from Sydney to Seoul who want to put their own local security challenges in a wider regional and global context It is also for North American and European readers requiring an understanding of the dynamic security developments in the Asia Pacific region around which so much of global strategy is increasingly based The really vital questions facing the international community are dealt with here Why do governments and groups still use armed force Has warfare really changed in the information age Why should we be concerned about non traditional security challenges such as water shortages and the spread of infectious disease Is a great clash imminent between the United States and China What are the prospects for peace on the Korean peninsula and between India and Pakistan Can Southeast Asia survive the challenges of transnational terrorism What does security mean for the Pacific island countries and for Australia and New Zealand With contributions from leading commentators and analysts Strategy and Security in the Asia Pacific offers a comprehensive and authoritative introduction to the field Contested Ideas of Regionalism in Asia Baogang He, 2016-09-13 Deepening regionalism in Asia demands new leadership Strong elites who are committed to a supranational identity are a minimum requirement of successful regionalism Regional leaders are increasingly seen as a new set of leaders in Europe Currently Asian regional leaders largely come from the diplomacy community or trade and economic sectors Yet further

regionalization demands a new type of leadership from civil society and citizens In this context it is important to cultivate new regional leadership through the development of regional citizenship This book examines contested ideas of regionalism in Asia with a particular focus on two competing ideas of pan Asianism and Pacificism It also identifies a new trend and contestation the fundamental shift from a civilization understanding of regionalism to a technocratic and functional understanding of regionalism in the form of regulatory regionalism It also examines the other contested imaginations of regionalism in Asia including elitist versus participatory approaches to regionalism and democracy centric versus nationalism centric approaches to regionalism

Rivalry And Cooperation In The Asia-Pacific: The Dynamics Of A Region In Transition (In 2 Volumes) Mark Beeson,2019-09-23 Rivalry and Cooperation in the Asia Pacific provides a comprehensive and accessible introduction to the most important strategic and economic region in the world Asia Pacific is a region that is undergoing a major transformation largely as a consequence of the rise of China and its growing rivalry with the United States Whatever happens in the Asia Pacific will profoundly influence global events not just regional ones Looking ahead the region's future direction and even its name is contested and uncertain This two volume reference work by one of the world's leading analysts of regional affairs places these events in historical context and considers what they may mean for future political economic and strategic relations By focusing on the United States China and the region's most significant middle powers the book explains why and how the Asia Pacific has become the fulcrum of international events

China's Multilateral Co-operation in Asia and the Pacific Chien-peng Chung,2010-06-24 The leaders and bureaucrats of China have actively attended initiated promoted or made skilful use of regional multilateral political economic and security institutions to accelerate regional cooperation and integration with neighboring states convince Asian states that China's rise will not threaten the regional order and their national interests and exploit its role and diplomacy in the Asia Pacific as a launch pad for greater influence in world affairs This book examines why and to what extent China wishes to promote accelerate delay or overcome constraints to the institutionalization of these regional organizations It explores the meaning scope and repercussion in the drive that a rising China has for institutionalizing multilateral cooperative processes in the Asia Pacific region the extent to which its actions are motivated by concerns of politics economics or security and the obstacles it faces for so doing These arrangements have varying effect on the diplomatic postures economic development and strategic orientation of countries in Asia and the Western Pacific and hence the stability and prosperity of the entire region China's Multilateral Co operation in Asia and the Pacific will be of interest to those studying the politics and international relations of China and the Asia Pacific region

Northeast Asian Regionalism Christopher M. Dent,David W. F. Huang,2002-03-28 Examines both actual and potential developments in North East Asian regionalism from various levels and fields of analysis considering cooperative and integrative structures and processes Particular reference is made to the contemporary experience of Europe which provides important models of cooperation and integration in both the government and

Asia-Pacific Diplomacy Lawrence T.

Woods,2011-11-01 The emergence of Asia Pacific regionalism as witnessed by the increasing influence of the Asia Pacific Economic Cooperation forum and the annual ASEAN Post Ministerial Conference highlights one of the major trends in late twentieth century geopolitics and international relations Asia Pacific Diplomacy traces the evolution of the Pacific economic cooperation movement by examining the diplomatic contributions of three international nongovernmental organizations INGOs the scholarly Pacific Trade and Development Conference PAFTAD the business oriented Pacific Basin Economic Council PBEC and the multipartite academic business and government Pacific Economic Cooperation Council PECC Lawrence Woods also provides a historical perspective by assessing the work of the Institute of Pacific Relations forerunner of the INGOs This book makes an important contribution to the study of international political and economic institutions It argues that as the regional cooperation movement expands at the governmental level an understanding of the nongovernmental roots of that movement is required if the diplomatic contributions of the INGOs are to be retained India as an Asia Pacific Power David Brewster,2012-03-12 The emergence of India as a regional and potentially global power is forcing us to rethink our mental map of the Asia Pacific We are only just beginning to discern how India may alter the global economic landscape How will the rise of India change the strategic landscape of Asia and beyond This book provides a comprehensive assessment of India s international relations in the Asia Pacific a region which has not traditionally been understood to include India It examines India s strategic thinking about the Asia Pacific its relationships with China and the United States and India s increasingly close security ties with other major countries in the region It considers the consequences of India s rise on the Asia Pacific strategic order and asks whether India is likely to join the ranks of the major powers of the Asia Pacific in coming years
