Impact of OMB-proposed Budget Cuts for the Federal Trade Commission United States. Congress. House. Committee on Government Operations. Commerce, Consumer, and Monetary Affairs Subcommittee,1981 *The Federal Trade Commission* Robert V. Larabee,2020-03-11 This annotated bibliography assists the reader in locating information about the United States Federal Trade Commission The book is divided into four chapters each reflecting the major functions and regulatory responsibilities of the FTC **The Federal Civil Service System and the Problem of Bureaucracy** Ronald N. Johnson,Gary D. Libecap,2007-12-01 The call to reinvent government to reform the government bureaucracy of the United States resonates as loudly from elected officials as from the public Examining the political and economic forces that have shaped the American civil service system from its beginnings in 1883 through today the authors of this volume explain why despite attempts at an overhaul significant change in the bureaucracy remains a formidable challenge The Economics of Industrial Organization William G. Shepherd,Joanna M. Shepherd,2003-09-19 The study of industrial organization extends to the core of some of the most important questions of economics Who controls markets and profits from them Does competition or monopoly result in a more beneficial economy How can the economic playing field become fairer or more biased in either direction Throughout the fields history various clashing schools of thought have attempted to sort through these complex issues examining both abstract theory and real life cases The Fifth Edition of this widely used highly regarded text includes coverage of dramatic changes in the field Shepherd and Shepherd provide broad balanced coverage of topics without showing preference to any single point of view encouraging readers to think independently This emphasis on independent judgment is evident throughout the book with discussion of structure placed before performance to assist the reader in thinking about causation Topics are organized for maximum flexibility with distinct chapters covering case studies antitrust and regulation policy and capital markets *The Causes and Consequences of Antitrust* Fred S. McChesney,William F. Shughart,1995-03-15 Why has antitrust legislation not lived up to its promise of promoting free market competition and protecting consumers Assessing 100 years of antitrust policy in the United States this book shows that while the antitrust laws claim to serve the public good they are as vulnerable to the influence of special interest groups as are agricultural welfare or health care policies Presenting classic studies and new empirical research the authors explain how antitrust caters to self serving business interests at the expense of the consumer The contributors are Peter Asch George
