Rehabilitation Counseling Basics And Beyond:

Rehabilitation Counseling Randall M. Parker, 1987
Szymanski, 1992-01-01 Handbook of Rehabilitation Counseling T.F. Riggart, T. F. Riggart, EdD (Deceased), Dennis R. Maki, 2003-11-06 This state of the art textbook illustrates paradigms for professional practice provides an overview of current knowledge and future trends in rehabilitation counseling and aims to stimulate thinking that will lead to new research initiatives Both settings private and public as well as services are addressed including placement advocacy and case management The text also contains elements of practice including cutting edge uses of technology and supervision both clinical and managerial The appendices include useful source materials such as Rehabilitation Acronyms and the Code of Professional Ethics for Certified Rehabilitation Counselors

The Oxford Handbook of Social Class in Counseling William Ming Liu, 2013-04-26 Social class is a pervasive facet of all lives regardless of one's own social class and status One would think its ubiquity would make it necessary for all helping professionals to understand social class and discuss it in therapy and research Yet social class and classism are one of the most confusing and difficult concepts to understand and integrate into research and counseling practice mostly due to the relative lack of psychological theories research and quantitative data Fulfilling this need this handbook summarizes and synthesizes available research on social class and classism in counseling practice and research areas The 32 chapters included offer up to date fascinating and provocative applications of social class and classism as seasoned chapter authors provide an overview of theories related to social class and classism and its application toward research education training and practice Chapters include comprehensive coverage of lifespan issues related to social class such as unique aspects of social class and classism in the lives of children adolescents and older adults how social class is studied and empirically understood through research assessment and practice implications of social class in career counseling psychological assessment and diagnosis and the therapy relationship how social class is implicated in positive psychology career and work psychology and health psychology social class and classism and its connection to whiteness racism sexual orientation religion and spirituality and social justice This book offers the first compendium of counseling related resources on social class and classism and will be a comprehensive must have reference for professionals and academics in counseling psychology and related fields for years to come

Career Counseling David Capuzzi, Mark Stauffer, 2012-04-27 This text provides the beginning counseling student with a comprehensive overview and discussion of the practical application of career counseling skills Based on the view that counselors must be prepared in a holistic manner it covers the historical and theoretical foundations of career counseling the skills and techniques needed for career counseling and contextual perspectives on career and lifestyle planning Important material that is often overlooked in introductory texts is included such as career and lifestyle planning with clients in mental health rehabilitation and couples and family counseling settings gender issues and working with LGBT and minority clients Throughout the text case studies

informational sidebars and experiential activities make for a more engaging learning experience and encourage additional contemplation of chapter content This new edition features new updated and expanded content throughout the division of career counseling in schools into separate chapters for K 8th grade high school and college including traditional hybrid and online campuses and an online instructor s manual with student resources offering material to enhance the pedagogical features of the text

The Oxford Handbook of Rehabilitation Psychology Paul Kennedy,2012-08-16 Rehabilitation psychology is one of the fastest growing fields in applied psychology In this book the editor has successfully brought together a range of well established international and experienced researchers and practitioners to provide a guide to best practice clinical management and the wider professional themes and issues

The Psychological and Social Impact of Disability Robert P. Marinelli,1999 Marinelli and Dell Orto continue the premise of their earlier editions of this widely adopted text and present a realistic perspective on disability Carefully selected articles and personal narratives capture the unique aspects of the psychological and social effects of disability Formatted to include thought provoking study questions and disability awareness exercises this text is recommended for students in rehabilitation counseling and physical therapy education programs as well as professionals in rehabilitation psychology and social work

Certified Rehabilitation Counselor Examination Preparation Fong Chan,2011-11-14 Print CourseSmart

Career Development, Employment, and Disability in Rehabilitation David R. Strauser,2013-09-17 This text provides from a rehabilitation perspective comprehensive coverage of the dominant theories and techniques related to the occupational development vocational behavior and the organizational factors that impact the career development and employment of individuals with disabilities It is designed for the CORE mandated required course on employment and career development for the Master s Degree in rehabilitation counseling and for Licensed Professional Counselor certification As the only book in rehabilitation and counseling that broadly addresses career development and employment of individuals with disabilities it is a major contribution to the literature Topics covered include major constructs in career development and employment of disabled individuals theoretical foundations occupational assessment information and evaluation intervention strategies and populations and settings To facilitate learning and promote application of theories and techniques each chapter includes chapter objectives discussion and review questions and case studies An instructor s manual is also included Key Features The only book in rehabilitation and counseling to provide comprehensive coverage of career development and employment and disability related theory and research Fulfills CORE mandated requirements and Professional Counselor licensure Authored by respected leaders in the field Provides chapter objectives case examples and discussion questions in each chapter along with instructor s manual

A Lawyer's Guide to Understanding Earning Capacity Assessment and Earning Capacity Options Stan Owings,2009 Courts often need to determine the impact of an incident on the capacity of an individual to be employed and to earn wages This book explains the concepts of earning capacity assessment and identifies the considerations that go into determining an assessment This book

provides an in depth understanding of earning capacity assessment requirements and methodology to facilitate the examination of an expert or to determine the accuracy of opinions can rely on this book
