

THE 100 CORGI BOOK OF GREAT
VICTORIAN HORROR STORIES

REIGN OF TERROR

EDITED BY MICHEL PARRY

Reign Of Terror The 3rd Corgi Of Great Victorian Horror Stories

Arthur James Wells

Reign Of Terror The 3rd Corgi Of Great Victorian Horror Stories:

Reign of Terror, the 3rd Corgi Book of Great Victorian Horror Stories Michel Parry, 1977 *Rediscovering Victorian Women Sensation Writers* Anne-Marie Beller, Tara MacDonald, 2015-09-07 Scholarly understanding of the Victorian literary field has changed dramatically in the past thirty years due in large part to the extensive recovery of sensation fiction and a corresponding recognition of that genre's importance in the literary debates, trends and wider cultural practices of the period. Yet until very recently work on sensationalism has focused on a narrow range of authors and works with Wilkie Collins, Mary Elizabeth Braddon and Ellen Wood retaining the preponderance of critical attention. This collection examines the fiction of ten women sensation writers who were immensely popular in the Victorian period but remain critically neglected today; writers such as Annie Edwards, M. C. Houstoun, Annie French, Dora Russell and others. The Victorian sensation novel was categorically associated with women by Victorian reviewers and this collection extends our current understanding of this sub-genre by showing that female sensation writers were often sophisticated in their textual strategies, employing a range of metafictional techniques and narrative innovations. By moving beyond the novelists who have come to represent the genre, this book presents a fuller, more nuanced understanding of the spectrum of writing that constructed the concept of sensationalism for Victorian readers and critics. The book was originally published as a special issue of *Women's Writing*.

Science Fiction and Fantasy Literature, 1975-1991 R. Reginald, Mary Wickizer Burgess, Daryl Furumi Mallett, 1992 Science fiction constitutes one of the largest and most widely read genres in literature and this reference provides bibliographical data on some 20,000 science fiction, fantasy and horror fiction books as well as nonfiction monographs about the literature. A companion to Reginald's *Science Fiction and Fantasy Literature 1700-1974* (Gale, 1979), the present volume is alphabetically arranged by approximately 10,000 author names. The entry for each individual work includes title, publisher, date and place published, number of pages, hardbound or paperback format and type of book (novel, anthology, etc.). Where appropriate, entries also provide translation notes, series information, pseudonyms and remarks on special features such as celebrity introductions. Includes indexes of titles, series, awards and doubles for locating volumes containing two novels. Annotation copyright by Book News Inc., Portland, OR. **Reign of Terror** Michel Parry, 1977 The Servant's Hand Bruce Robbins, 1993 A work of innovative literary and cultural history. *The Servant's Hand* examines the representation of servants in nineteenth-century British fiction. Wandering in the margins of these texts that are not about them, servants are visible only as anachronistic appendages to their masters and as functions of traditional narrative form. Yet their persistence, Robbins argues, signals more than the absence of the ordinary people they are taken to represent. Robbins's argument offers a new and distinctive approach to the literary analysis of class while it also bodies forth a revisionist counterpolitics to the realist tradition from Homer to Virginia Woolf. Originally published in 1986, *The Servant's Hand* is appearing for the first time in paperback. The British Library General Catalogue of Printed Books 1976 to 1982 British

Library,1983 **The British National Bibliography** Arthur James Wells,1968 **Paperbacks in Print** ,1980 **J. Sheridan Le Fanu** Gary W. Crawford,1995-01-24 Known primarily for his ghost stories and mysteries Joseph Sheridan Le Fanu was one of the most popular writers of the Victorian era Many of his works were published anonymously and he either owned or had an interest in four Irish newspapers which served as an outlet for other anonymous pieces by him This bibliography provides as comprehensive a record as possible of Le Fanu s works It also includes a bibliography of books articles and dissertations about him The volume begins with a short biography of Le Fanu followed by a bibliography of his writings This bibliography is divided into magazine appearances books anthology appearances and manuscript sources Entries in each of these sections are arranged chronologically Annotations comment briefly upon these primary works and annotations for anonymous works attributed to Le Fanu include the names of those who have assigned these writings to him The bibliography of secondary sources is also divided into several sections with entries arranged alphabetically by author While most annotations are descriptive some correct erroneous information *Fantasy Newsletter* ,1980
