Reign Of The Ayatollahs Iran And The Islamic Revolution:

Reign Of Ayatollahs Shaul Bakhash,1986-03-25 **The Reign of the Ayatollahs** Shaul Bakhash,1991-01-01 *The Making Of Iran's Islamic Revolution* Mohsen M Milani,2018-03-09 In this fully revised and expanded second edition Dr Milani offers new insights into the causes and profound consequences of Iran s Islamic Revolution Drawing on dozens of personal interviews with the officials of the Islamic Republic and on recently released documents he presents a provocative analysis of the dynamics and characteristics of factional politics in Islamic Iran Among the new issues covered are the events leading up to the Teheran hostage crisis Ayatollah Khomeini s life and writings President Rafsanjani s activities against the Shah Rafsanjani s recent reforms Iran s involvement in the Kuwaiti crisis and the domestic and foreign policy challenges facing Iran in the post Cold War era The second edition is specifically revised for use as a text for courses dealing with Iran the Middle East and revolutionary movements *The Iranian Revolution And The Muslim World* David Menashri,2019-07-09 This book delineates the Islamic revolution s impact mainly on the Muslim Middle East and examines the first decade of the revolution It deals with the repercussions of the revolution in several Shi i communities and examines Sunni polemical writings on the Shi a and the Iranian revolution *The Battle of the Ayatollahs in Iran* Alex Vatanka,2021-04-08 Understanding the foreign policy agenda and behavior of the Islamic Republic of Iran is a critical challenge for the world But where do the principal Iranian regime actors come from in terms of political background experiences and interests Which types of ambitions or policy conflicts have dominated and shaped foreign policy debates since 1979 This book explains the internal policy process in Tehran by following two regime personalities Ali Khamenei the Supreme Leader and Akbar Hashemi Rafsanjani who before his death in January 2017 held some of the most powerful political positions in Iran No two men have been more influential in dictating the regime s decision making processes since 1979 Yet little is known about how their competing worldviews and interests their key moments of dispute both personal or policy based or their personal ambitions have informed the trajectory of Iranian politics The book analyzes Khamenei and Rafsanjani s own words and writings and accounts of them given by others to reveal how the domestic policy contest has shaped Tehran s actions on the regional and international stage Comprising primary and secondary Iranian sources including untapped memoirs newspaper reports and Iranian electronic media and personal interviews the book highlights the principal rivalries over the lifespan of the Islamic Republic and offers new insights into the present and future of Iranian foreign policy *British Diplomacy and the Iranian Revolution, 1978-1981* Luman Ali,2018-07-19 This book investigates how British diplomats in Tehran and London reacted to the overthrow of the Shah and the creation of an Islamic Republic in Iran which had previously been a major political and commercial partner for London in the Middle East Making substantial use of recently declassified archival material the book explores the role of a significant diplomatic institution the resident embassy and the impact of revolutions on diplomatic relations It evaluates the performance of those charged with British diplomacy during the Iranian Revolution as

Britain's position fell from favour under the post revolutionary regime Examining the views of key diplomatic personnel at the Foreign and Commonwealth Office and British ministers this study seeks to explain how British policy towards Iran was shaped and the means of diplomacy employed In charting the evolution of Britain's diplomatic relationship with Iran during this period a number of factors are considered including historical experience geography economics world politics and domestic concerns It also highlights the impact of events within the Iranian domestic political scene which were beyond London's control but which shaped British policy significantly *A History of Social Justice and Political Power in the Middle East* Linda T. Darling, 2013-05-02 From ancient Mesopotamia into the 20th century the Circle of Justice as a concept has pervaded Middle Eastern political thought and underpinned the exercise of power in the Middle East The Circle of Justice depicts graphically how a government's justice toward the population generates political power military strength prosperity and good administration This book traces this set of relationships from its earliest appearance in the political writings of the Sumerians through four millennia of Middle Eastern culture It explores how people conceptualized and acted upon this powerful insight how they portrayed it in symbol painting and story and how they transmitted it from one regime to the next Moving towards the modern day the author shows how although the Circle of Justice was largely dropped from political discourse it did not disappear from people's political culture and expectations of government The book demonstrates the Circle's relevance to the Iranian Revolution and the rise of Islamist movements all over the Middle East and suggests how the concept remains relevant in an age of capitalism A must read for students policymakers and ordinary citizens this book will be an important contribution to the areas of political history political theory Middle East studies and Orientalism
