Knowing the Facts about Divination

Practices and Occult "Games" John Ankerberg, John Weldon, 2012-09-28 Divination has existed in all cultures throughout history. It is the attempt to predict or control one's future or to gain access to hidden information by the assessment of various indicators or use of particular implements. Some Christian diviners have pointed to biblical examples of divination in order to justify their practices. This book examines where the power comes from, explains how the various implements, including games, are used, and warns of the potential dangers.
