Relationships and Communication Jerry L. Buley, 1979-06-01 Relationships and Communication Jerry L. Buley, 1977

CommuniContents, 1977 Abstracts of books of interest to communication scholars Communication and Sex-role Socialization Cynthia Berryman-Fink, Deborah Ballard-Reisch, Lisa H. Newman, 2015-10-23 Originally published in 1993 The essays in this book collectively seek to illuminate the role of communication and sex role socialization throughout the life cycle Section 1 addresses some important issues and behaviours that have an impact on the beginnings of the socialization process Section 2 covers socialization later on in relationships the workplace and the political arena while section 3 looks at manifestations of socialization through communication strategies and skills Finally section 4 addresses ways to alter socialization through instructional practices in higher education The approach to studying sex role socialization varies by perspective and methodology and conclusions are interpreted in diverse ways but the results have been very similar and the research in this volume shows that the socialization of males and females continues to reinforce male dominance despite women s advancement toward equal status in society This work is of interest in the fields of sociology psychology anthropology and women s studies as well as communication *Quality of Life Therapy* Michael B. Frisch, 2005-12-02 Note Book no longer includes a CD ROM but the files are available online for download for both book and ebook purchasers at www.wiley.com/go/frisch This book defines an approach to well being and positive psychology that is state of the art evidence based empirically validated and an outstanding guide for anyone interested in learning about the practice of positive psychology or well being Ed Diener the world authority on happiness from the University of Illinois and President of the International Positive Psychology Association Endorsed by Christopher Peterson of the University of Michigan and taught in Marty Seligman s Masters in Applied Positive Psychology MAPP Program at the University of Pennsylvania this book teaches a simple step by step method for putting the fields of well being and positive psychology into practice It is a one stop shopping manual with everything you need in one book and with one approach This approach to greater happiness meaning and success is evidence based and empirically validated It has been successfully tested in three randomized controlled trials including two NIH grant funded trials conducted by James R Rodrigue and his colleagues at Beth Israel and Harvard Medical Centers in Boston Quality of Life Therapy also known as Quality of Life Therapy and Coaching or QOLTC is designed for use by therapists coaches organizational change agents consultants and all professionals who work to improve peoples well being Many laypersons and clients have found the book useful as well This book explains the Sweet 16 Recipe for Joy and Success along with validated interventions for each 1 Basic Needs or Wealths Health Money Goals and Values Spiritual Life Self Esteem 2 Relationships Love Friends Relatives and Children 3 Occupations Avocations Work and Retirement Pursuits Play Helping Service Learning Creativity 4 Surroundings Home Neighborhood Community *Contemporary Sociological Theory* Doyle Paul Johnson, 2008-03-29 This volume is designed as a basic text for upper level and graduate courses in contemporary

sociological theory Most sociology programs require their majors to take at least one course in sociological theory sometimes two A typical breakdown is between classical and contemporary theory Theory is perhaps one of the broadest areas of sociological inquiry and serves as a foundation or framework for more specialized study in specific substantive areas of the field In addition the study of sociological theory can readily be related to various aspects of other social science disciplines as well From the very beginning sociology has been characterized by alternative theoretical perspectives Classical theory includes the European founding figures of the discipline whose works were produced during the later half of the nineteenth century and the first couple of decades of the twentieth century plus early American theorists For most of the second half of the twentieth century a fairly high consensus has developed among American sociologists regarding these major founders particularly with regard to the works of Durkheim and Weber in analyzing the overall society and of Simmel in analyzing social interaction processes Since the late 1960s and early 1970s the influence of Marx has also been recognized Recent decades have also witnessed an increased emphasis on the important contributions of several pioneering feminist perspectives in the early years of sociology

Social Psychology John D. DeLamater, Daniel J. Myers, Jessica L.
