Linda Nielsen

Relative Intimacy Fathers Adolescent Daughters And Modern American Culture Gender And American C:

Relative Intimacy Rachel Devlin, 2006-03-08 Celebrated as new consumers and condemned for their growing delinquencies teenage girls emerged as one of the most visible segments of American society during and after World War II. Contrary to the generally accepted view that teenagers grew more alienated from adults during this period Rachel Devlin argues that postwar culture fostered a father daughter relationship characterized by new forms of psychological intimacy and tinged with eroticism. According to Devlin psychiatric professionals turned to the Oedipus complex during World War II to explain girls delinquencies and antisocial acts. Fathers were encouraged to become actively involved in the clothing and makeup choices of their teenage daughters thus domesticating and keeping under paternal authority their sexual maturation. In Broadway plays girls and women's magazines and works of literature fathers often appeared as governing figures in their daughters sexual coming of age. It became the common sense of the era that adolescent girls were fundamentally motivated by their Oedipal needs dependent upon paternal sexual approval and interested in their fathers romantic lives. As Devlin demonstrates the pervasiveness of depictions of father adolescent daughter eroticism on all levels of culture raises questions about the extent of girls independence in modern American society and the character of fatherhood during America's fabled embrace of domesticity in the 1940s and 1950s.

Father-Daughter Relationships Linda Nielsen, 2019-06-04 In this fully revised new edition *Father Daughter Relationships: Contemporary Research and Issues* summarises and analyses the most relevant research regarding father daughter relationships aiming to break down the persistent misconceptions regarding fatherhood and father daughter relationships and encourage the reader to take a more objective and analytical approach. The research is brought to life with compelling personal stories from fathers and daughters including well known celebrities and politicians. Boxed quizzes and questionnaires show students how the research can be applied to their own lives while others highlight the relationships between real life fathers and daughters. Nielsen discusses the father daughter relationship within a diverse range of family structures including divorced and separated parents gay parents adopted children and children of sperm donors. Covering a wide range of topics including the father's impact on his daughter's cognitive academic social and physical wellbeing ethnic minorities and incarcerated or abusive fathers *Father Daughter Relationships: Contemporary Research and Issues* gives panoramic view of the most recent research and statistics. This book is essential reading for upper level undergraduate and for graduate students as well as for practitioners working with families such as social workers mental health professionals and family counsellors. It is especially relevant for courses in psychology sociology women's studies and counselling. Linda Nielsen is a Professor of Adolescent and Educational Psychology at Wake Forest University. A member of the faculty for 35 years she is a nationally recognized expert on father daughter relationships.

Canadian Men and Masculinities Wayne Martino, Christopher John Greig, 2012 *Canadian Men and Masculinities: Historical and Contemporary Perspectives* is a provocative new volume that examines men and masculinity across Canadian history and

culture and sets it against the broader context of neoliberal globalization This edited collection adopts a multi perspective social inquiry and interdisciplinary approach and takes into careful consideration the intersections of the social and historical construction of gender with race social class sexuality bodily abilities and other social justice factors The chief aim of this book is to examine from historical and contemporary perspectives the production and performance of men boys and embodied masculinity within the Canadian context Within this framework Canadian Men and Masculinities explores a range of issues including modern fatherhood black male athleticism indigenous masculinities wrestling and body building This volume will be a valuable resource for general readers and professionals in sociology history education and social and gender studies

Mobilizing Zanzibari Women C. Decker, 2014-11-05 The experiences of African women in the era before independence remain a woefully understudied facet of African history This innovative and carefully argued study thus adds tremendously to our understanding of colonial history by focusing on women s education professionalization and political mobilization in the East African islands of Zanzibar

Dressed in Black Lisa MacKinney, 2025-03-18 The first full length history of the Shangri Las one of the most significant and most misunderstood pop groups of the 1960s Sisters Mary and Betty Weiss together with twins Mary Ann and Marguerite Ganser were schoolgirls when they formed the Shangri Las in 1963 and had a meteoric rise to fame with songs like Leader of the Pack and Remember Walking in the Sand Their career was cut short for reasons largely beyond their control derailed by the machinations of Mafia linked record executives and heartbreak and tragedy followed Historian Lisa MacKinney marshals an impressive array of new evidence to tell the Shangri Las story dispelling many myths and long standing mysteries along the way Equally importantly Dressed in Black radically rewrites the accepted narrative of the Shangri Las place in rock history As young women they were permitted little agency within a male dominated industry that viewed teenagers as fodder to be manipulated and exploited by producers songwriters and label owners For decades this has served as an excuse for critics to deny the musical input of the group members to trivialize the Shangri Las as a girl group and to assign their work a lesser rank in the canon of authentic rock and roll MacKinney s great achievement here is to foreground the Shangri Las considerable abilities and musicality and establish the centrality of their performance of their songs to the group s underappreciated artistic achievement This is not to deny the critical role in the group s success of professional songwriters including Ellie Greenwich and Jeff Barry and writer producer George Shadow Morton a pioneering and eccentric figure whose self mythologizing has generated a level of obfuscation that rivals that of the Shangri Las themselves MacKinney s clear sighted account reveals Morton in a completely new light and as part of a complex ecosystem of musical relationships Morton wrote and produced highly emotional material specifically for the Shangri Las because he knew they had the skills to make his mini operas not only believable but enthralling The group members particularly Mary Weiss channeled personal anguish into their extraordinary performances which are central to the songs impact no less so than for such classic singers as Ella Fitzgerald and Elvis Presley who also relied on producers and

songwriters for their body of work The Shangri Las impassioned delivery elicited a massive response from their audience of fellow teenagers at the time and has continued to connect profoundly with audiences ever since MacKinney backs up these arguments with in depth analysis of key Shangri Las recordings and makes a powerful case that their achievements warrant a far more prominent place for the Shangri Las in the history of popular music **America, History and Life** ,2007 Article abstracts and citations of reviews and dissertations covering the United States and Canada Cincinnati Magazine ,2001-08 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region Popular Mechanics ,2000-01 Popular Mechanics inspires instructs and influences readers to help them master the modern world Whether it s practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle *Forthcoming Books* Rose Arny,2003-04 *Our Fathers, Ourselves* Peggy Drexler,2011-05-10 There s no denying that a woman s relationship with her father is one of the most important in her life And there s also no getting around how the quality of that relationship good bad or otherwise profoundly affects daughters in a multitude of ways In *Our Fathers Ourselves* research psychologist author and scholar Dr Peggy Drexler examines the ways in which the father daughter bond impacts women and offers helpful advice for creating a better stronger more rewarding relationship Through her extensive research and interviews with women Dr Drexler paints an intimate timely portrait of the modern father daughter relationship Women today are increasingly looking to their dads for a less than traditional bond but one that still stands the test of time and provides support respect and guidance for the lives they lead today *Our Fathers Ourselves* is essential reading for any woman who has ever wondered how she could forge a closer connection with and gain a deeper understanding of her father
