Rosary Novenas to Our Lady Catholic Church, Brother Hermenegild, 2014-10-18 This devotion which the author has called the Rosary Novenas to Our Lady is of comparatively recent origin In an apparition of Our Lady of Pompeii which occurred in 1884 at Naples in the house of Commander Agrelli the heavenly Mother deigned to make known the manner in which she desires to be invoked For thirteen months Fortuna Agrelli the daughter of the Commander had endured dreadful sufferings and torturous cramps she had been given up by the most celebrated physicians On February 16 1884 the afflicted girl and her relatives commenced a novena of Rosaries The Queen of the Holy Rosary favored her with an apparition on March 3rd Mary sitting upon a high throne surrounded by luminous figures held the divine Child on her lap and in her hand a Rosary The Virgin Mother and the holy Infant were clad in goldembroidered garments They were accompanied by St Dominic and St Catherine of Siena The throne was profusely decorated with flowers the beauty of Our Lady was marvelous Mary looked upon the sufferer with maternal tenderness and the patient saluted her with the words Queen of the Holy Rosary be gracious to me restore me to health I have already prayed to thee in a novena O Mary but have not yet experienced thy aid I am so anxious to be cured Child responded the Blessed Virgin thou hast invoked me by various titles and hast always obtained favors from me Now since thou hast called me by that title so pleasing to me Queen of the Holy Rosary I can no longer refuse the favor thou dost petition for this name is most precious and dear to me Make three novenas and thou shalt obtain all Once more the Queen of the Holy Rosary appeared to her and said Whoever desires to obtain favors from me should make three novenas of the prayers of the Rosary and three novenas in thanksgiving This miracle of the Rosary made a very deep impression on Pope Leo XIII and greatly contributed to the fact that in so many circular letters he urged all Christians to love the Rosary and say it fervently The Novena consists of five decades of the Rosary each day for twenty seven days in petition then immediately five decades each day for twenty seven days in thanksgiving whether or not the request has been granted The meditations vary from day to day On the first day meditate on the Joyful Mysteries on the second day the Sorrowful Mysteries on the third day the Glorious Mysteries on the fourth day meditate again on the Joyful Mysteries and so on throughout the fifty four days A laborious Novena but a Novena of Love You who are sincere will not find it too difficult if you really wish to obtain your request Should you not obtain the favor you seek be assured that the Rosary Queen who knows what each one stands most in need of has heard your prayer You will not have prayed in vain No prayer ever went unheard And Our Blessed Lady has never been known to fail Look upon each Hail Mary

Marian Apparitions, the Bible, and the Modern World Donal Anthony Foley, 2002 This groundbreaking book looks at the major approved Marian apparitions of the last five centuries and relates them to important historical moments the Reformation the French and Russian Revolutions the rise of Nazism These Marian apparitions and particularly Fatima are not historically unimportant events but rather follow a preordained plan they have a crucial role in helping us to see how the modern world with all its problems has developed Donal Foley makes clear the fascinating and intriguing connections between Marian apparitions and the Scriptural types of Mary found in the Bible a crucial element in the theology and exegesis of the early Church Fathers By understanding these biblical types and their symbolism we see that each of the apparitions has a much greater significance for both the Church and the modern world than has generally been recognised Here is a convincing demonstration that the future of the Church and the papacy is intimately bound up with a proper understanding of the role of Mary there will only be true peace in the world when her message is accepted and lived If you thought you really understood how the modern world developed and the role and meaning of Marian apparitions then this book will make you think again Donal Foley has written a book with an extraordinary message Aidan Nichols O P
