plus side she's climbing the ladder in the salon of Paramount Pictures styling hair for actress Clara Bow Clara is a handful The It Girl of the Jazz Age personifies the new woman of the 1920s onscreen smoking drinking bootleg hooch and bursting with sex appeal But her conduct off the set is even more scandalous Hoping to impose a little order on Clara's chaotic life Paramount persuades Daisy to sign on as Clara's personal secretary Thanks to Daisy Clara's bank account is soon flush with cash And thanks to Clara Daisy can finally shake off her embarrassing past and achieve respectability for herself and her family The trouble begins when Clara's newest fianc cowboy star Rex Bell wants to take over and he and Daisy battle for control Torn between her loyalty to Clara and her love for her family Daisy has to make a difficult choice when she ends up in the county jail Here Daisy sets the record straight from her poverty stricken childhood to her failed marriage from a father in San Quentin to her rollercoaster time with Clara leaving out none of the juicy details Fair Tomorrow Emilie

Loring,2022-08-01 In Fair Tomorrow Emilie Loring intertwines themes of romance and personal growth within the richly textured backdrop of early 20th century America The narrative follows the journey of its protagonist who navigates the complexities of love ambition and societal expectations Loring's fluid prose and vivid characterizations draw readers into a world where emotional resilience triumphs over adversity The book reflecting the post World War I era's hopeful ethos is marked by its optimistic outlook exploring the interplay of fate and free will in the shaping of one's destiny Emilie Loring a pioneer in American women's literature wrote during a time when women's roles were evolving Her personal experiences including traveling and engaging with diverse social circles provided rich material for her characters development Loring's affinity for crafting strong independent female leads showcases her commitment to exploring women's agency during a period of societal transition Her novels often infused with her own philosophies on love and life resonate strongly with readers seeking both inspiration and escapism Fair Tomorrow is a compelling read for those who appreciate character driven narratives steeped in emotional depth Loring's masterful storytelling invites readers to reflect on their own experiences of love and hope making it a timeless addition to the literary canon This book is a heartfelt reminder that the future is always ripe with possibilities **Giftwares** ,1924 **Performing Pippin Pearmain 2**

Lark Westerly, Pip hasn't worked in a decade when her new agent calls unexpectedly A movie role is on offer and Magda Quest Saxer wants an answer in less than a week She gives Pip an implied ultimatum Take it and fly to Sydney for a screen test Turn it down it and never work again With no one else to advise her Pip consults the cats Kittisack and Amberjill are probably real Lupin's cat is made of pottery All of them think she ought to take the role This disruption is bad enough but Cousin Lupin's legacy is confusing Pip risks a call to ask what it's all about and within the hour she's off on a magical mystery tour on a yacht crewed by people she doesn't know It's bewildering stuff especially when one of the crew goes missing and the other two don't seem to care Pip cares but dialling triple zero has its complications when someone nearby can make the phone jump right out of her hand Armenian Legends and Poems Zabelle C.
