Rose Cottingham:

Rose Cottingham Netta Syrett, 1915 **Rose Cottingham** Netta Syrett, 2008-06 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work **ROSE COTTINGHAM** Netta Syrett, 2016-08-28 **Rose Cottingham** Netta Syrett, 1978-12-01 Tells the story of the family life and courtship of a young girl growing up in Victorian England *Modernism and Cultural Conflict, 1880-1922* Ann L. Ardis, 2002-10-31 In *Modernism and Cultural Conflict* Ann Ardis questions commonly held views of the radical nature of literary modernism She positions the coterie of writers centred around Pound Eliot and Joyce as one among a number of groups in Britain intent on redefining the cultural work of literature at the turn of the twentieth century Ardis emphasizes the ways in which modernists secured their cultural centrality she documents their support of mainstream attitudes toward science their retreat from a supposed valuing of scandalous sexuality in the wake of Oscar Wilde s trials in 1895 and the conservative cultural and sexual politics masked by their radical formalist poetics She recovers key instances of opposition to modernist self fashioning in British socialism and feminism of the period Ardis goes on to consider how literary modernism s rise to aesthetic prominence paved the way for the institutionalization of English studies through the devaluation of other aesthetic practices *The Bookman* , 1915 **Rereading Modernism** Lisa Rado, 2012 Until about 1986 feminists generally considered modernism a reactionary misogynist and hegemonic mire not worth investigating Since then enough studies of modernism have appeared that 17 feminist critics can now review and debate their treatment of the period They evaluate the progress and goals of the new era of modernist scholarship As the authors in this volume suggest instead of condemning writers for not practicing or portraying an acceptable politics of gender we ought instead to show how their assumptions about the nature of the sexes inform their texts both in their creation and in their reception This also allows examination of the complex and changing relationship between human subjectivity and aesthetics This volume is a highly reflective dialogue introspective and evaluative at a moment of crisis within modernist studies and feminist studies The analysis of critical work on early twentieth century literature not only helps reread and redefine a definition of modernism it also intends to redirect and reintegrate feminist theory **The Wiser Folly** Leslie Moore, 1916 *Bulletin [Accessions to the Library]* Mercantile Library Association (New York, N.Y.), 1914 *Catalog of Copyright Entries* Library of Congress. Copyright Office, 1915 *Branch Library News* New York Public Library, 1914 **The Forgotten Female Aesthetes** Talia Schaffer, 2000 Schaffer English Queens College City U of New York analyzes the complex dialogue between male and female aesthetes in late Victorian England exploring the heretofore insufficiently recognized role that women such as Lucas Malet Ouida and others played in this influential late Victorian literary movement Annotation copyrighted by Book
