Rosenbach ,1966 **Rosenbach** Edwin Wolf (2nd.), John F. Fleming, 1960 **A Biography of Rosenbach** Edwin Wolf, 1960 Bibliophiles and Bibliothieves Opritsa D. Popa, 2008-08-22 In Bibliophiles and Bibliothieves Opritsa Popa has documented what might justifiably be described as the most celebrated case of looting of two German cultural treasures by a member of the U S Army at the end of World War II and their subsequent odyssey across both an ocean and a continent the pilfering from a cellar in Bad Wildungen of the ninth century Liber Sapientiae containing the two leaves of the oldest extant German heroic poem the Old High German Hildebrandslied along with the fourteenth century illuminated Willehalm codex both of which had been removed from the State Library in Kassel for protection from bombing raids *An Autobiographical Sketch Written in 1987 and A Bibliography of the Published Writings of Edwin Wolf* 2nd Edwin Wolf, 1991 **Bookleggers and Smuthounds** Jay A. Gertzman, 2011-09-02 Between the two world wars at a time when both sexual repression and sexual curiosity were commonplace New York was the center of the erotic literature trade in America The market was large and contested encompassing not just what might today be considered pornographic material but also sexually explicit fiction of authors such as James Joyce Theodore Dreiser and D H Lawrence mail order manuals pulp romances and little dirty comics Bookleggers and Smuthounds vividly brings to life this significant chapter in American publishing history revealing the subtle symbiotic relationship between the publishers of erotica and the moralists who attacked them and how the existence of both groups depended on the enduring appeal of prurience By keeping intact the association of sex with obscenity and shameful silence distributors of erotica simultaneously provided the antvice crusaders with a public enemy Jay Gertzman offers unforgettable portrayals of the pariah capitalists who shaped the industry and of the individuals organizations and government agencies that sought to control them Among the most compelling personalities we meet are the notorious publisher Samuel Roth the Prometheus of the Unprintable and his nemesis John Sumner head of the New York Society for the Suppression of Vice a man aggressive in his pursuit of pornographers and in his quest for a morally united and ethnically homogeneous America **The Pennsylvania Magazine of History and Biography** ,1929 **Collecting the Past** Toby Burrows, Cynthia Johnston, 2018-10-03 Today s libraries and museums are heavily indebted to the passions and obsessions of numerous individual collectors who devoted their lives to amassing collections of books manuscripts artworks and other culturally significant objects Collecting the Past brings together the latest research on a wide range of significant British collectors from the eighteenth to the twentieth centuries including Hans Sloane Sarah Sophia Banks Thomas Phillipps

Sydney Cockerell J P Morgan Jr Alfred Chester Beatty and R E Hart Contributors to the volume examine the phenomenon of collecting in a variety of settings and across a range of different materials Considering the aims and motives that led these collectors to assemble such remarkable collections the book also examines the history of these collections after the collector's death Particular attention is given to the often complicated relationship between collectors and the public institutions that subsequently came to house their collections Situated within the framework of cultural collecting more generally this book offers an authoritative series of essays on key collectors Collecting the Past should be most interesting to researchers academics and postgraduate students engaged in the study of museum studies book history manuscript studies museum history library history and the history of collecting Professionals in libraries museums and galleries will also find the volume of great interest
