Hays,2021-01-22 Leo was a simple minded youth of princely blood and proud birth He knew that much was expected of him and that he was destined to rule yet he was easily satisfied with the simplest things and lay about all day basking in the sun watching with languid gaze the movements of the world about him And the world where he lived was very beautiful On a fertile plain surrounded by mountain peaks threaded by silver streams and so well watered that its vegetation was almost tropical Under Leo s father Prince Morpheus Lazybones the family thrived and was well supplied with all manner of delicacies for the servants were many and there was never a lack of corn or wine Leo was most fair to see To be sure his drooping lids half concealed his azure eyes and his golden locks sometimes hid his snowy forehead but his smile was charming his face had such an expression of calm satisfaction such a patient tranquillity that his smile was as the sudden sunshine on a placid lake It was the smile of the family an inherited feature like the blue hood of a Spanish Don And then it was given so freely the beggar would have preferred it to be accompanied with the jingle of a coin but as the coin never came and the smile did he tried to think that it warmed his heart though his wallet went empty There were those who said a smile cost nothing else it would not have been bestowed It had a peculiarity of its own which these same critics also objected to it nearly always ended in a yawn One day Leo was idling the day watching the rain drops drip out the spout when he heard a voice It turned out it was a founding member of the S P C C challenging Leo s inactivity Leo demanded that the voice show himself only to learn he would have to have his eyes anointed in order to see the voice Following instruction Leo felt a little pressure forcing down his eyelids and the pouring of a drop of cool liquid on each When he opened his eyes again there stood before him the quaintest strangest being he had ever beheld Well what happened next you may ask and what else did he see Would the smallish being lead Leo on his many adventures Well you ll have to download this most interesting book to find out for yourself 10% of the profit from the sale of this book is donated to charities KEYWORDS TAGS Adventures of Prince Lazybones action fantasy awakening Phil Fairies Florio Florella Boreas Bluster Christmas Present Prince king land of plenty Swanlike Boat Eagle Sturgeon Useful green land plentiful forest supernatural fairy tale folklore elves elf pixie simple minded princely blood silver stream beautiful land fertile plane Prince Morpheus Lazybones delicacies servants calm satisfaction placid lake engaging smile tranquillity inactivity Paz minerals diamonds squirrel spiced wine monastery castle cloister chapel savory stews atonement revolt Society for the Prevention of Cruelty to Children geography study wanderings silk stockings hobnailed boots cellar strange door Knops      **Goodbye My Love and Other Stories** Marcus A. Stockton,2017-11-16 There are two ways that a person can walk in this life You can

either walk into your blessing or walk into your curse How can you do that You can do that by doing things that are natural for you to do Success at anything is not by chance or by luck It is seeing things you have already been doing brought to fruition Therefore successful people are not surprised by their success They actually knew it would happen before it happened The blessing is the reward for a life of integrity and commitment to achieving goals and setting standards What is the curse It is all the negatives that we curse our lives with the negative friends the negative conversations the negative situations An unsuccessful person who continues to put himself or herself in those situations in those conversations and around those people will bring a curse to their lives that they will never be able to shake I am grateful for the friends and the relationships that I have been blessed with in my life They have helped me to overcome all the obstacles of life And that is what any man needs incarcerated or free people who believe in him when no one else in the world does Emily's Stitches: The Confessions of Thomas Calloway and Other Stories Leverett Butts, 2012-11-25 Emily's Stitches The Confessions of Thomas Calloway is a collection of interrelated short stories about a teenaged boy growing up in rural Georgia and faced with the challenges of approaching adulthood When he stumbles across a young homeless girl he must decide how best to protect her from the world despite the fact that he barely understands the world himself Also included in this collection are five other short stories and three poems including Requiem an authorized sequel of sorts to Scott Thompson's novel Young Men Shall See Other notable selections include Negative Space which tells the story of a recently divorced photographer who finds himself sharing Thanksgiving dinner with his ex wife's family Gods for Sale Cheap a humorous examination of the commercialization of American religion and Misdirection the story of two down on their luck hitmen and their quest for identity
