In *Land of Promise* Irish immigrant Rose Carney arrives in Chicago to a life filled with family responsibilities that impede on her dreams of independence. And in *Land of Dreams* Swedish immigrant Kristin Swensen's family lives on a farm in Minnesota but her parents still cling to the life they'd known in Sweden. Follow their journeys as Rebekah, Rose and Kristin and their families struggle to find the courage, faith and resilience they'll need to conquer the odds, find their independence and realize the American dream. *Fellowship of the Snow Leopards* Joy O'Dwyer, 2013-11-01 You can conquer your fears and slay your dragons. Children are as much the hope for the future of humanity as this earth is the center of our existence. A belief in magic is the glue that keeps it all together. The Planet Shilough and their higher level beings, fairies and elves, have been watching our planet as environmental destruction, cynicism and consumerism plague our world. Michaela, thirteen year old Vancouverite who lives in fear of bullies and pain from the tragic loss of his father, emerges as an unlikely hero. He is filled with wonderment as he explores Shilough and is schooled in higher laws. Plagued with insecurities, he begins to realize that the most powerful force in the universe is love. He learns of the sacred and eternal nature of all beings. He comes to understand that on a planet with no incongruity, the vibratory levels are so high that anything is possible. The ways that Michael overcomes obstacles, bent on his destruction from a schoolyard bully on earth to a nine headed serpent on Shilough, teach us powerful lessons. As Pancras, Chancellor to the

Faerie Queen explains to Michael as he struggles with acceptance of his divine destiny The greatest battle that you will ever face is the one within your own mind Conquer the dragons within and you will never fear any dragons without In this other world expos could some of the methods that Michael uses to overcome his fears apply to us Could we harness other energy sources that cause less environmental destruction Could music play such a pivotal role in aligning our planet What lessons do we learn from the Cronusans What about life after death How can we heal our planet Social Justice and Counseling Cristelle Audet, David Paré, 2017-11-28 Social Justice and Counseling represents the intersection between therapy counseling and social justice The international roster of contributing researchers and practitioners demonstrate how social justice unfolds utterance by utterance in conversations that attend to social inequities power imbalances systemic discrimination and more Beginning with a critical interrogation of the concept of social justice itself subsequent sections cover training and supervising from a social justice perspective accessing local knowledge to privilege client voices justice and gender and anti pathologizing and the politics of practice Each chapter concludes with reflection questions for readers to engage experientially in what authors have offered Students and practitioners alike will benefit from the postmodern multicultural perspectives that underline each chapter *Canadian Shorthorn Herd Book* Canadian Shorthorn Association, 1909
