Roster Of Revolutionary Soldiers In Georgia Vol 2 Of 3 Volume Set:

Roster of Revolutionary Soldiers in Georgia Mrs. Howard H. McCall, 2010-07 Mrs McCall s roster of Georgia soldiers in the Revolution was compiled over many years The work as a whole is cumulative with only slight albeit significant differences in the kinds of information which may be found in one volume versus another This volume Volume II contains records of officers and soldiers not only from Georgia but from other states many of whose descendants later came to Georgia because of liberal land grants The Appendix contains miscellaneous records and documents of the families of some Revolutionary soldiers and officers Clearfield Company also publishes Volumes I and III Volume I coontains the records of hundreds of Revolutionary War soldiers and officers of Georgia with genealogies of their families and lists of soldiers buried in Georgia whose graves have been located Volume III the longest of the work is similar in scope to this volume except that the majority of the entries are for Georgia officers and soldiers with only some material relating to other states The three volumes each of which is indexed refer to as many as 20 000 persons overall Chaplains of the Revolutionary War Jack Darrell Crowder, 2017-09-20 There is a time to preach and a time to fight And now is the time to fight With those words the Rev John Muhlenberg stepped from his pulpit removed his clerical robe revealing the uniform of a Colonial officer and marched off to war Many of the ministers who became chaplains in the Continental Army during the Revolutionary War carried muskets while ministering to the spiritual needs of the troops Their eyewitness accounts describe the battles of Lexington and Concord life on a prison ship the burning of New York City the Battle of Rhode Island the execution of Major Andre and many other events *American Book Publishing Record* ,1985 *They Went Thataway* ,1974 Composed almost entirely of abstracts of wills deeds marriage records powers of attorney court orders church records cemetery records tax records guardianship accounts etc this unique work provides substantive evidence of the migration of individuals and families to Virginia or from Virginia to other states countries or territories Although primarily concerned with Virginians the data are of wide ranging interest England France Germany Scotland Barbados Jamaica and twenty three American states are represented all entries splendidly tied to court sources and authorities Each record provides prima facie evidence of places of origin and removal irrefutably linking individuals to both their old and their new homes and incidentally naming parents and kinsmen all 10 000 of whom are listed in alphabetical order in the indexes It is a safe observation that half of the records having been exhumed from the most improbable sources some augmented by the compiler s personal files are the only ones in existence which can prove the ancestor s identity and origin **American Book Publishing Record Cumulative, 1950-1977** R.R.
