Rosy Is My Relative:

Rosy Is My Relative Gerald Durrell, 2012-01-19 Written with Gerald Durrell's usual sharp eye for observing humour in any situation *Rosy Is My Relative* will delight fans both old and new At the age of thirty Adrian Rookwhistle's life hasn't quite turned out the way he'd have hoped Working an unfulfilling job as a clerk in the city and living under the tyranny of his fearsome landlady he can't help but think that there is more to life However all of this suddenly changes when he receives a curious letter from his dying uncle who has bequeathed him 500 and an elephant by the name of Rosy who has a seemingly unquenchable thirst for liquor At a loss of what to do with his unexpectedly gargantuan and rarely sober inheritance Adrian sets forth on a journey believing to have the answer to his dilemma he'll give her away to the circus Together Adrian and Rosy carve a trail of destruction through the peaceful countryside of southern England meeting a curious cast of misfits along the way Drunk or sober Rosy spreads chaos in her wake until the full weight of the law finally catches up with her **Rosy**

Durrell, 1994-07-12 A rescue journey to save one of the world's most intriguing creatures from extinction Scientist conservationist and humorist Gerald Durrell shares his breathtaking adventures and misadventures in the forests of Madagascar in this lively account of his search for the elusive aye-aye an endangered member of the lemur family *Best Books for Young Adults* Holly Koelling, 2007-08-13 Rev ed of *Best books for young adults* Betty Carter with Sally Estes and Linda Waddle 2nd ed c2000 *The Durrells* Richard Bradford, 2025-06-05 A variously tragic tale of escapism and

assimilation Richard Bradford's *The Durrells* explores the truth behind the image. The Durrells are probably the most celebrated literary family of the 20th century. Gerald turned them into celebrities with his tripartite memoir beginning with *My Family and Other Animals* 1956 which told of his experiences with his widowed mother Louisa and three siblings during their time in 1930s Corfu. We know of the Durrells from their own writings and from the image of them created by TV film and biographical accounts of specific figures. What we do not know is the truth. Using previously unpublished material from the Jersey Archive, Richard Bradford unravels the lives of the famous four children of the Corfu era: Larry, Gerry, Margo, and Lesli as they find themselves geographically and emotionally divided amongst a backdrop of imperial decline and unrest. The children of moneyed colonialists, they were already used to being treated with aghast fascination by the island's locals and by expatriate Britons as a disgrace to the homeland. Yet their story goes beyond the Ionian Sea. *The Durrells* delves into the complex social and political circumstances in which the family lived with seemingly constant threats of war and endangerment to both themselves and their natural environment.

Writers Directory NA NA, 2016-03-05 Royal Engineer Philip Thomas, 2023-11-10 As compelling as it is, a delight to read *Royal Engineer* is a military memoir that is truly a breath of fresh air and a must read for anyone who has an interest in either the military or modern history and for those who quite simply enjoy a good read. Fascinating, honest, gripping, hard hitting and never shying away from the truth, the author's passion for chronicling his and others' past events and experiences becomes abundantly clear from the very beginning. The unique style of writing and the way in which detailed narratives are brilliantly incorporated make *Royal Engineer* a powerful and moving memoir. Emotions, opinions, positives and negatives are freely shared with the reader to ensure that there is no sugar coating on subjects and matters that are of a sensitive and topical nature in today's world. Be prepared for a reading experience like no other because *Royal Engineer* is filled with comprehensive and engaging narratives that will have the reader mesmerised from the very first page and it is also a remarkable piece of writing because of the honest approach and evocative language the author adopts throughout.
