Rough Notes On Seven Campaigns In Portugal Spain France And America During The Years 1809-1815:

Civilians and War in Europe, 1618-1815 Erica Charters, Erica Michiko Charters, Eve Rosenhaft, Hannah Smith, 2012-01-01
Civilians and War in Europe 1618-1815 is a comprehensive interdisciplinary look at the role of civilians in early modern warfare from the Thirty Years War to the end of the Napoleonic Wars Drawing on works by scholars in art literature history and political theory the contributors to this volume explore the continuities and transformations in warfare over the course of two hundred years examining topics central to civilian and war dynamics including incarceration cultures of plunder billeting and wartime atrocities in addition to the larger legal practices and philosophical underpinnings of warfare and its aftermath Showcasing the complex ways civilians were involved in war not just as anguished sufferers but as individuals who fought back who profited and who negotiated for their own needs Civilians and War in Europe probes what it meant to be a civilian in countries deeply involved in conflict

The A to Z of the War of 1812 Robert Malcomson, 2009-08-24 The War of 1812 was an extremely complicated war motivated by British seizures of American vessels and goods American desire to expand into Canada and impressment of American sailors into the British Navy However these are merely the immediate causes To fully understand the War of 1812 one must delve deeper into history This book does just that as it covers the period leading up to the war 1803-1812 and the events of the war itself 1812-1815 through the use of a dictionary consisting of more than 1 400 cross referenced entries covering descriptions of engagements ships weaponry the compositions of regiments significant political and military figures and a full list of key places issues and terms Also included are a chronology of events an introductory essay and a comprehensive bibliography subdivided by topic and fully annotated

Historical Dictionary of the War of 1812 Robert Malcomson, 2006-01-16 The War of 1812 was an extremely complicated war motivated by British seizures of American vessels and goods American desire to expand into Canada and impressment of American sailors into the British Navy However these are merely the immediate causes To fully understand the War of 1812 one must delve deeper into history This book does just that as it covers the period leading up to the war 1803-1812 and the events of the war itself 1812-1815 through the use of a dictionary consisting of more than 1 400 cross referenced entries covering descriptions of engagements ships weaponry the compositions of regiments significant political and military figures and a full list of key places issues and terms Also included are 21 photographs 6 maps a chronology of events an introductory essay and a comprehensive bibliography subdivided by topic and fully annotated

The British Soldier in the Peninsular War G. Daly, 2013-07-23 Combining military and cultural history the book explores British soldiers travels and cross cultural encounters in Spain and Portugal 1808-1814 It is the story of how soldiers interacted with the local environment and culture of their attitudes and behaviour towards the inhabitants and how they wrote about all this in letters and memoirs

Salamanca, 1812 Rory Muir, 2001-11-10 July 22 1812 Salamanca Spain Frustrated at their first advance British forces under Wellington's command have spent the last four days maneuvering and retreating from the French army Patient and

cautious Wellington is determined not to make a fatal mistake He glimpses a moment of opportunity and grasps it committing all of his troops to a sudden devastating attack At the end of the day the French army is broken panic stricken and reeling Wellington has achieved the finest victory of his brilliant military career This book examines in unprecedented detail the battle of Salamanca a critical British victory that proved crushing to French pride and morale in the Peninsular War 1808 1814 Focusing on the day of the battle award winning author Rory Muir conveys the experience of ordinary soldiers on both sides dissects each phase of the fighting and explores the crucial decisions each commander made Muir employs wide ranging British and French sources many unpublished or obscure to reconstruct every aspect of the battle Having walked the battlefield itself a site which remains today much as it was in 1812 he relates the ebb and flow of the battle with particular vividness Muir also discusses in separate commentary sections his sources of information and explains how he has dealt with the inevitable contradictions and gaps in evidence that emerged during his research Complete with maps battleground plans and other illustrations this compelling book focuses long overdue attention on a single day in Salamanca that changed European history Rory Muir is visiting research fellow in the department of history University of Adelaide His previous books include *Tactics and the Experience of Battle in the Age of Napoleon* and *Britain and the Defeat of Napoleon 1807 1815* both published by Yale University Press caption Charles Hamilton Smith Ensign with colour 9th foot National Army Museum

The Greatest Fury William C Davis, 2020-10-06 Davis's accounts of small fights won by hot blood and cold steel are thrilling The Wall Street Journal From master historian William C Davis the definitive story of the Battle of New Orleans the fight that decided the ultimate fate not only of the War of 1812 but the future course of the fledgling American republic It was a battle that could not be won Outnumbered farmers merchants backwoodsmen smugglers slaves and Choctaw Indians many of them unarmed were up against the cream of the British army professional soldiers who had defeated the great Napoleon and set Washington D C ablaze At stake was nothing less than the future of the vast American heartland from the Gulf Coast to the Great Lakes as the ragtag American forces fought to hold New Orleans the gateway of the Mississippi River and an inland empire Tipping the balance of power in the New World this single battle irrevocably shifted the young republic's political and cultural center of gravity and kept the British from ever regaining dominance in North America In this gripping comprehensive study of the Battle of New Orleans William C Davis examines the key players and strategy of King George's Red Coats and Andrew Jackson's makeshift army A master historian he expertly weaves together narratives of personal motivation and geopolitical implications that make this battle one of the most impactful ever fought on American soil

German Forces and the British Army M. Wishon, 2013-07-19 This book examines the partnerships between Britain's famed redcoats and the foreign corps that were a consistent and valuable part of Britain's military endeavors in the eighteenth century While most histories have portrayed these associations as fraught with discord a study of eyewitness accounts tells a different story

The Lines of Torres Vedras John Grehan, 2015-11-30 This is a well researched well

written closely argued and fascinating contribution to the historiography of the Peninsular War The Spectator In 1809 French armies controlled almost every province of Spain and only Wellington s small force in Portugal stood between Napoleon and the conquest of Iberia The French invaded Portugal in the summer of 1810 but found their way blocked by the most extensive field fortifications the world had ever seen the Lines of Torres Vedras Unable to penetrate the Lines the French were driven back into Spain having suffered the heaviest defeat yet experienced by Napoleon s armies The retreat from Portugal marked the turning point in the Peninsular War and from the security of the Lines Wellington was able to mount the offensive campaigns that swept France s Imperial armies back across the Pyrenees The Lines of Torres Vedras is an authoritative account of the planning construction and occupation of the Lines and of the battles sieges and horrors of the French invasion It is also an important study of Wellington s strategy during the crucial years of the war against Napoleon Essential reading for every Peninsula enthusiast this is recommended highly Military Illustrated

Sickness, Suffering, and the Sword Andrew Bamford, 2013-05-01 Although an army s success is often measured in battle outcomes its victories depend on strengths that may be less obvious on the field In *Sickness Suffering and the Sword* military historian Andrew Bamford assesses the effectiveness of the British Army in sustained campaigning during the Napoleonic Wars In the process he offers a fresh and controversial look at Britain s military system showing that success or failure on campaign rested on the day to day experiences of regimental units rather than the army as a whole Bamford draws his title from the words of Captain Moyle Sherer who during the winter of 1816 1817 wrote an account of his service during the Peninsular War My regiment has never been very roughly handled in the field But alas What between sickness suffering and the sword few very few of those men are now in existence Bamford argues that those daily scourges of such often ignored factors as noncombat deaths and equine strength and losses determined outcomes on the battlefield In the nineteenth century the British Army was a collection of regiments rather than a single unified body and the regimental system bore the responsibility of supplying manpower on that field Between 1808 and 1815 when Britain was fighting a global conflict far greater than its military capabilities the system nearly collapsed Only a few advantages narrowly outweighed the army s increasing inability to meet manpower requirements This book examines those critical dynamics in Britain s major early nineteenth century campaigns the Peninsular War 1808 1814 the Walcheren Expedition 1809 the American War 1812 1815 and the growing commitments in northern Europe from 1813 on Drawn from primary documents Bamford s statistical analysis compares the vast disparities between regiments and different theatres of war and complements recent studies of health and sickness in the British Army

Storm and Sack Gavin Daly, 2022-10-06 Explores British soldiers violence and restraint towards enemy combatants and civilians in sieges during the Napoleonic era

Wellington Against Soult David Buttery, 2016-07-31 At the heart of David Buttery s third book on the Peninsular War lies the comparison between two great commanders of enormous experience and reputation Arthur Wellesley later Duke of Wellington and Jean de Dieu Soult In Soult Wellesley met one of his most

formidable opponents and they confronted each other during one of the most remarkable and neglected of the Peninsular campaigns Soult's invasion of Portugal is rarely studied in great depth and likewise the offensive Wellesley launched which defeated and expelled the French has also received scant coverage As well as giving a fresh insight into the contrasting characters of the two generals the narrative offers a gripping and detailed reconstruction of the organization and experience of a military campaign 200 years ago

Wellington's Men Remembered: A Register of Memorials to Soldiers who Fought in the Peninsular War and at Waterloo Janet Bromley, David Bromley, 2024-06-06 Wellington's Men Remembered is a reference work which has been compiled on behalf of the Association of Friends of the Waterloo Committee and contains over 3 000 memorials to soldiers who fought in the Peninsular War and at Waterloo between 1808 and 1815 together with 150 battlefield and regimental memorials in 24 countries worldwide

Red Coat, Green Machine Charles Kirke, 2014-07-04 How different were the men who fought at Blenheim and at Goose Green Is there a human thread that connects the redcoat of 300 years ago with the British soldier of today What would they find in common if they faced a common foe This book is about the people in the Army and the very human interactions between them in their daily lives It marries the disciplines of Social Anthropology and Military History to provide a novel way of looking at the anatomy of the British Army at unit level from an entirely human perspective Concentrating on the attitudes expectations and concerns expressed by the people involved it sets out a set of simple models of life at regimental duty that can be used to describe analyze and explain their behaviour over the past 300 years The book is grounded on what soldiers of all ranks have said using the author's research interview material for the modern witnesses and memoirs diaries and letters published and unpublished for earlier ones

A History of the Peninsular War Charles Oman, 1998 *The Bloody Eleventh: 1685-1815* R. E. R. Robinson, 1988 The Peninsular War 1 Arrival in Spain Busaco August 1809 September 1810 2 To Torres Vedras and Back to the Coast 28th September 1810 8th April 1811 3 The Almeida Drama and the March to Arronches and Back April December 1811 4 The Marching Division 1st January 10th June 1812 5 The Salamanca Forts Advance to the Duero and Back 13th June 21st July 1812 6 Salamanca 22nd July 1812 7 The Nightmare of Burgos and the Retreat to Portugal 23rd July December 1812 8 Farewell to Portugal and the Great Flank March to Vittoria November 1812 24th June 1813 9 Sorrauren Pyrenees 22nd June 30th July 1813 10 Into France Crossing the Bidassoa Nivelle Nive 31st July 13th December 1813 11 Crossing the Gaves Orthes Tarbes 13th December 1813 20th March 1814 12 Toulouse 21st March 10th April 1814 Conclusion The End of an Era and the Way ahead

[Recollections of the Storming of the Castle of Badajoz](#) Captain MacCarthy, 2001 The siege and storming of Badajoz from 18 March to 6 April 1812 was one of the bloodiest episodes of the Peninsular War In conditions resembling the trenches of the First World War Wellington's infantry dug their way towards the huge medieval walls of the Spanish frontier fortress before storming the place on the night of 6 April The town had denied them on two previous occasions and it is little wonder that once inside the men went berserk and embarked upon an orgy of

rape pillage and destruction that lasted for a full seventy two hours Even the iron hand of Wellington himself could not stop it and in the words of one of the great historians of the war the disorder subsided rather than it was quelled The storming of Badajos was not achieved without huge cost to Wellington however Indeed he watched helpless as the flower of his army was smashed upon the breaches Over forty times did the 4th and Light Divisions attack and forty times were they beaten back with heavy loss Fortunately two other attacks intended only to distract the French succeeded One of them was made by the 3rd Division who took the Castle of Badajos by escalade the men scaling the forty feet high walls by means of flimsy ladders The 3rd Division was guided to its point of attack by James MacCarthy whose own vivid account of the siege and storming is reproduced here in this facsimile the latest in the acclaimed Spellmount Library of Military History series As well as being a graphic account of the siege MacCarthy s book is both extremely rare and is much sought after by students of the Peninsular War and by book collectors alike Dust jacket *Fuentes de la historia española e hispanoamericana* Benito Sánchez Alonso,1927 Marching with Sharpe B. J. Bluth,2001 Using the same re enactment groups that provided much of the man and woman power for the TV series Marching With Sharpe reveals what it was like to fight in Wellington s Army during the Napoleonic Wars How to fire a musket rifle sword fighting forming square how to cook chickens in a cavalry breastplate not just the military detail but all the nitty gritty of everyday life What was it like to wear the uniforms of the period what did you eat what medical treatment was available and how to withstand the lash are also covered **Notes on the Battle of Waterloo** James Shaw Kennedy,2003 First published in 1865 this is a facsimile of an extremely rare and lively account of the Battle of Waterloo by the Quartermaster General of General Baron Alten s 3rd Division Kennedy is credited with inventing a new tactic for formations of infantry to withstand cavalry onslaughts **Hamilton's Campaigns** Anthony Hamilton,1998 Hamilton s Campaigns

The Top Books of the Year Rough Notes On Seven Campaigns In Portugal Spain France And America During The Years 18091815 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have captivated audiences this year. Rough Notes On Seven Campaigns In Portugal Spain France And America During The Years 18091815 : Colleen Hoovers "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Rough Notes On Seven Campaigns In Portugal Spain France And America During The Years 18091815 : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
