*Route 66 and the Formation of a National Cultural Icon* Daniel Milowski, 2023-12-06 During the twentieth century Route 66 became a national icon and was commonly associated with classic American cuisine road trips and the golden age of postwar American prosperity This conception however is mythic The reality of Route 66 travel was congestion danger and racism Route 66 and the Formation of a National Cultural Icon Mother Road to Mythic American Byway by Daniel Milowski explores the divergence between Route 66 myth and reality and provides a critical examination of the cultural origins of the Route 66 myth and the road's historical role in community development in the American West Milowski discusses how Route 66 became so clogged with traffic in the 1960s that it garnered the dark nickname Bloody 66 due to the high volume of serious traffic accidents He examines rampant racism at travel businesses and racialized policing in many towns along the highway Finally he contrasts this with the myth of Route 66 which incorporates aspects of cultural nostalgia for supposedly simpler times while representing Route 66 as emblematic of a past more authentic America Milowski demonstrates that the history of Route 66 and its towns is deeper and more nuanced than the

**WHY WE MUST HAVE IT ALL** Terry Wayne Brownlee,2019-05-15 What Do You Collect That depends on what demographic you belong to If you grew up in the 1960s and 1970s you are either a Trekkie or a Star Wars fan Or maybe you re more into Marvel or DC Universe Either way you know you were hooked into reliving the adventure For me I was there in the beginning as a baby boomer with all that was on TV music and movies It was all a good place to bring you back to all the thrill of your heroes and how one day you too can ride off into the sunset For me I did one better I got to act out a role just like my hero and do the very things they did With what you collect you buy movies music toys and anything connected with these treasured moments I am very sure what I collect is what people stored in their closets So sad I thought they should be sure what they collect to their friends and to the world For what your collect and are attracted to is part of a million no trillion dollar industry that grabs your attraction Here it begins my search on how we as baby boomers and generations beyond get caught up once in a never ending spend cycle that must be met as each decade unfolds as each generation get

sucked into being duped and persuaded This would be the beginning of your spending habits You are very much targeted Many do not care I too get caught up in this friendship Difference is I care and dare to ask why Why do we need to collect so much So says I your friendly neighborhood self appointed baby boomer consumer advocate **Congressional Record** United States.
