Contemporary Ukraine on the Cultural Map of Europe Larissa M. L. Zaleska Onyshkevych, Maria G.

Rewakowicz,2014-12-18 The concept of a return to Europe has been integral to the movement for Ukrainian national rebirth since the nineteenth century While the goal of a more fully reformed politics remains elusive numerous expressions of Ukrainian culture continue to develop in the European spirit This wide ranging book explores Ukraine s European cultural connection especially as it has been reestablished since the country achieved independence in 1991 The contributors discusses many aspects of Ukraine s contemporary culture history politics and religion in Part I literary culture in Part II and language popular culture and the arts in Part III What emerges is a fascinating picture of a young country grappling with its divided past and its colonial heritage yet asserting its voice and preferences amid the diverse and at times conflicting realities of the contemporary political scene Europe becomes a powerful point of reference a measure against which the situation in post independence Ukraine is gauged and debated This framework allows for a better understanding of the complexities deeply ingrained in the social fabric of Ukrainian society *Eurasian Slavery, Ransom and Abolition in World History, 1200-1860* Christoph Witzernath,2016-03-09 Recent research has demonstrated that early modern slavery was much more widespread than the traditional concentration on plantation slavery in the context of European colonial expansion would suggest Slavery and slave trading though little researched were common across wide stretches of Eurasia and a slave economy played a vital part in the political and cultural contacts between Russia and its Eurasian neighbours This volume concentrates on captivity slavery ransom and abolition in the vicinity of the Eurasian steppe from the early modern period to recent developments and explores their legacy and relevance down to the modern times The contributions centre on the Russian Empire while bringing together scholars from various historical traditions of the leading states in this region including Poland Lithuania and the Ottoman Empire and their various successor states At the centre of attention are transfers transnational fertilizations and the institutions rituals and representations facilitating enslavement exchanges and ransoming The essays in this collection define and quantify slavery covering various regions in the steppe and its vicinity and looking at trans cultural issues and the implications of slavery and ransom for social economic and political connections across the steppe In so doing the volume provides both a broad overview of the subject and a snapshot of the latest research from leading scholars working in this area **Subject Index of Modern Books Acquired** British Library,1971
