Sandler,1998 On cartoon animation Nothin' Comes Easy Michael Seth Starr,2025-04-29 The first ever biography of the legendary comic and the most improbable rise to fame in the history of American comedy Getting there wasn't always a laughing matter Rodney Dangerfield's fidgety delivery self-deprecating humor and catchphrase I don't get no respect made him a comedy icon in nightclubs on television and in movies But Rodney's long road to stardom was as rocky as his real life Born Jacob Cohen in 1921 to a coldhearted mother and absentee father anxiety prone Jacob found escape from reality by writing and performing jokes It led to ten years going nowhere in the toilets of the club circuit What followed was marriage fatherhood selling aluminum siding and depression self-doubt and debt That's when he decided to give comedy one last shot Back in the clubs and thanks to a fortuitous prime time set on The Ed Sullivan Show at the age of 45 the newly christened Rodney Dangerfield was an overnight success It was the greatest second act in the history of show business Rodney mined his insecurities personal and professional setbacks and dismal childhood into comedy gold on The Tonight Show Starring Johnny Carson The Dean Martin Show The Joey Bishop Show The Merv Griffin and The Mike Douglas Show A generation of new fans discovered him in a string of hit comedies including Caddyshack Easy Money Back to School he even popped up in Oliver Stone's Natural Born Killers And behind that iconic comedy persona was a caring compassionate man who took in a hard luck friend for the rest of his life a dedicated father who almost single-handedly raised two children and a selfless and supportive mentor to such up-and-comers as Jerry Seinfeld Jim Carrey and George Carlin Nobody didn't love him An honest moving and funny portrait of the real Rodney Dangerfield Nothin' Comes Easy gives the legend the man the father and the friend all the respect he deserves Film Cartoons Douglas L. DreamWorks influence on the narrative and tonal qualities which have come to define contemporary animated features including their use of comedy genre music stars and intertextuality It makes original interventions in the fields of film and animation studies by discussing each of these techniques in a uniquely animated context with case studies from Shrek Antz Kung Fu Panda Madagascar Shark Tale Bee Movie Trolls and many others It also looks at the unusual online afterlife of these films and the ways in which they have been reappropriated and remixed by subversive online communities American National Biography John A.
