The Rover Aphra Behn, 1640-89 was both successful and controversial in her own lifetime her achievements are now recognized less equivocally and her plays often revived demonstrate wit compassion and remarkable range This volume collects her most important comedies with annotation and modernized spelling *Early Women Dramatists 1550-1801* Margarete Rubik, 2016-01-14 A comprehensive survey of women's drama between the Renaissance and the end of the eighteenth century assessing the plays characteristic features and the ruptures in the text indicating the writers precarious social and artistic position and ambiguous stances to their own creativity and sex Chapters are devoted to individual writers as well as to general developments in specific periods The most significant plays are analysed in detail and related to the male literary canon of the time in order to stress both their originality and the existence of an albeit tentative female literary tradition **Aphra Behn** Mary Ann O'Donnell, 2017-03-02 This annotated bibliography constitutes a thoroughly revised and more easily readable study of Behn's publications of those edited or translated by her of publications that included her works and of writings ascribed to her along with an annotated bibliography of over 1600 works about her from 1671 to 2001 with an unannotated update covering 2002 The augmented primary bibliography describes all known editions and issues of her works to 1702 and adds a catalogue of editions to 2002 including on line sources The secondary bibliography adds close to 1000 items published since 1984 to the original 600 of the first edition along with about 175 more from 1671 to 1984 with attention to materials not in English New appendices include a list of dedicatees actors recent productions with reviews and provenances This volume will be invaluable for book dealers collectors and librarians as well as students and scholars of Aphra Behn and of Restoration literature *The Sublime Invention* Michael R Lynn, 2015-10-06 Ballooning like the Enlightenment was a Europe wide movement and a massive cultural phenomenon Lynn argues that in order to understand the importance of science during the age of the Enlightenment and Atlantic revolutions it is crucial to explain how and why ballooning entered and stayed in the public consciousness *Theatre History Studies 2018, Vol. 37* Sara Freeman, 2018-12-18 Theatre History Studies THS is a peer reviewed journal of theatre history and scholarship published annually since 1981 by the Mid America Theatre Conference THEATRE HISTORY STUDIES VOLUME 37 STEFAN AQUILINA Meyerhold and The Revolution A Reading through Henri Lefebvre's Theories on Everyday Life VIVIAN APPLER Shuffled Together under the Name of a Farce Finding Nature in Aphra Behn's The Emperor of the Moon KRISTI GOOD Kate Soffel's Life of Crime A Gendered Journey from Warden's Wife to Criminal Actress PETER A CAMPBELL Staging Ajax's Suicide A Historiography BRIAN E G COOK Rousing Experiences Theatre Politics and Change MEGAN LEWIS Until You See the Whites of Their Eyes Brett Bailey's Exhibit B and the Consequences of Staging the Colonial Gaze PATRICIA GABORIK Taking the Theatre to the People Performance Sponsorship and Regulation in Mussolini's Italy ILINCA TODORUT AND ANTHONY SORGE To Image and to Imagine Walid Raad Rabih Mour and the Arab Spring SHULAMITH LEV ALADGEM

The Theatre of Aphra Behn D. Hughes, 2001-02-20 During the nineteen years of her play writing career Aphra Behn had far more new plays staged than anyone else This book is the first to examine all her theatrical work It explains her often dominant place in the complex theatrical culture of Charles II s reign her divided political sympathies and her interests as a free thinking intellectual It also reveals her as a brilliant theatrical practitioner who used the seen as richly and significantly as the spoken **The Cambridge Companion to Aphra Behn** Derek Hughes, Janet Todd, 2004-11-25 Traditionally known as the first professional woman writer in English Aphra Behn has now emerged as one of the major figures of the Restoration She provided more plays for the stage than any other author and greatly influenced the development of the novel with her ground breaking fiction especially Love Letters between a Nobleman and his Sister and Oroonoko the first English novel set in America Behn s work straddles the genres beside drama and fiction she also excelled in poetry and she made several important translations from French libertine and scientific works This Companion discusses and introduces her writings in all these fields and provides the critical tools with which to judge their aesthetic and historical importance It also includes a full bibliography a detailed chronology and a description of the known facts of her life The Companion will be an essential tool for the study of this increasingly important writer and thinker *A Study Guide for Aphra Behn's "The Forc'd Marriage"* Gale, Cengage Learning, 2016 A Study Guide for Aphra Behn s The Forc d Marriage excerpted from Gale s acclaimed Drama For Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Drama For Students for all of your research needs **Rival Queens** Felicity Nussbaum, 2011-10-11 In eighteenth century England actresses were frequently dismissed as mere prostitutes trading on their sexual power rather than their talents Yet they were Felicity Nussbaum argues central to the success of a newly commercial theater Urban recently moneyed and thoroughly engaged with their audiences celebrated actresses were among the first women to achieve social mobility cultural authority and financial independence In fact Nussbaum contends the eighteenth century might well be called the age of the actress in the British theater given women s influence on the dramatic repertory and through it on the definition of femininity Treating individual star actresses who helped spark a cult of celebrity especially Anne Oldfield Susannah Cibber Catherine Clive Margaret Woffington Frances Abington and George Anne Bellamy Rival Queens reveals the way these women animated issues of national identity property

patronage and fashion in the context of their dramatic performances. Actresses intentionally heightened their commercial appeal by catapulting the rivalries among themselves to center stage. They also boldly challenged in importance the actor managers who have long dominated eighteenth century theater history and criticism. Felicity Nussbaum combines an emphasis on the actresses themselves with close analysis of their diverse roles in works by major playwrights including George Farquhar, Nicholas Rowe, Colley Cibber, Arthur Murphy, David Garrick, Isaac Bickerstaff, and Richard Sheridan. Hers is a comprehensive and original argument about the importance of actresses as the first modern subjects actively shaping their public identities to make themselves into celebrated properties.

Selected Philosophical and Scientific Writings

Emilie Du Châtelet, 2009-09-15 Though most historians remember her as the mistress of Voltaire, Emilie Du Châtelet (1706-49) was an accomplished writer in her own right who published multiple editions of her scientific writings during her lifetime as well as a translation of Newton's *Principia Mathematica* that is still the standard edition of that work in French. Had she been a man, her reputation as a member of the eighteenth century French intellectual elite would have been assured. In the 1970s, feminist historians of science began the slow work of recovering Du Châtelet's writings and her contributions to history and philosophy. For this edition, Judith P. Zinsler has selected key sections from Du Châtelet's published and unpublished works as well as related correspondence, part of her little-known critique of the Old and New Testaments, and a treatise on happiness that is a refreshingly uncensored piece of autobiography, making all of them available for the first time in English. The resulting volume will recover Châtelet's place in the pantheon of French letters and culture.

Enrico; or, Byzantium

Conquered Lucrezia Marinella, 2009-09-15 Lucrezia Marinella (1571-1653) is by all accounts a phenomenon in early modernity: a woman who wrote and published in many genres whose fame shone brightly within and outside her native Venice and whose voice is simultaneously original and reflective of her time and culture. In *Enrico; or, Byzantium Conquered*, one of the most ambitious and rewarding of her numerous narrative works, Marinella demonstrates her skill as an epic poet. Now available for the first time in English translation, Enrico retells the story of the conquest of Byzantium in the Fourth Crusade (1202-04). Marinella intersperses historical events in her account of the invasion with numerous invented episodes, drawing on the rich imaginative legacy of the chivalric romance. Fast-moving, colorful, and narrated with the zest that characterizes Marinella's other works, this poem is a great example of a woman engaging critically with a quintessentially masculine form and subject matter, writing in a genre in which the work of women poets was typically shunned.

Literary

Culture in Early Modern England, 1630-1700 Ingo Berensmeyer, 2020-06-22 This book explores literary culture in England between 1630 and 1700, focusing on connections between material, epistemic, and political conditions of literary writing and reading. In a number of case studies and close readings, it presents the seventeenth century as a period of change that saw a fundamental shift towards a new cultural configuration: neoclassicism. This shift affected a wide array of social practices and institutions, from poetry to politics and from epistemology to civility.
