the methods pleasures and pitfalls of architectural interpretation      **Jewish Culture and Society in North Africa** Emily Benichou Gottreich, Daniel J. Schroeter, 2011-07-01 With only a small remnant of Jews still living in the Maghrib at the beginning of the 21st century the vast majority of today's inhabitants of North Africa have never met a Jew Yet as this volume reveals Jews were an integral part of the North African landscape from antiquity Scholars from Morocco Algeria Tunisia Israel and the United States shed new light on Jewish life and Muslim Jewish relations in North Africa through the lenses of history anthropology language and literature The history and life stories told in this book illuminate the close cultural affinities and poignant relationships between Muslims and Jews and the uneasy coexistence that both united and divided them throughout the history of the Maghrib      **Byzantium and British Heritage** Amalia G. Kakissis, 2023-07-12 Byzantium was a very influential part of the development of the Arts and Crafts Movement 1880 1910 in Britain and although the influence of the Gothic Revival 1830 80 is well known that of the Byzantine Revival 1840 1910 is not This volume is about the people and the movements that created the Byzantine Revival and shows how they influenced British heritage from architecture to the decorative arts during the late nineteenth and early twentieth centuries The central pillars of the volume are the architects and scholars who created the Byzantine Research Fund BRF Archive a unique collection of architectural drawings and photographs of numerous monuments across the Byzantine world and the social and professional networks in which they circulated The BRF members an eclectic and little known group who based themselves at the newly founded British School at Athens established the research of Byzantium in Britain and Greece They were trained in the traditions of the Arts and Crafts Movement which sought authenticity in design and decoration in reaction to the styles that had developed through industrialisation Their work uniting a distinctively British design tradition with Byzantine arts and crafts represents a highly significant and under researched link between Britain and the Hellenic world This volume is the first contribution to try to fill this knowledge gap Byzantium and British Heritage will appeal to all those interested in the relation between Byzantine and British culture and Byzantine art      **The Oxford Companion to Scottish History** Michael Lynch, 2007 Searchable online reference covers more than 20 centuries of history and interpret history broadly covering areas such as archaeology climate culture languages immigration migration and emigration Multi authored entries analyze key themes such as national identity women and society living standards and religious belief across the centuries in an authoritative yet approachable way The A Z entries are complemented by maps genealogies a glossary a chronology and an extensive guide to further reading From title screen      **Urban Heritage in Europe** Gábor Sonkoly, 2023-04-17 Urban heritage which is part of the conceptual expansion of cultural heritage has become an extraordinarily complex notion Any aspect of urban life and experience can become heritage and this heritage is then continuously reinterpreted and exploited as a source not only for a city's identification but also for its cultural and economic innovation This book provides a detailed overview of Central European urban heritage It examines the key aspects of urban heritage tangible monumental natural

landscape world heritage urban quarter and heritage experience dark heritage The regimes of urban heritage approach retraces 200 years of the development of European urban heritage to understand how it has become so significant and how it could integrate practically every area of urban existence The novelty of the book is the interpretation of this development as a process of successive and integrating regimes which are examined through the changing urban heritage agency and discourse Through the examples of European cities and towns such as Belgrade Budapest Gdansk Krakow Ljubljana Subotica Szentendre Vienna but also Edinburgh Nordic cities and Rome these changes reveal their inner complexities and become comparable in an interdisciplinary analysis Further a particular aspect of the history of these cities is revealed through the development of their own urban heritage The book is primarily aimed at academics researchers and postgraduate students of cultural and economic geography cultural history culture and heritage management modern and contemporary history as well as urban history planning and sociology

**The Grand Designer** Rosemary Hannah, 2012-07-30 When the third Marquess of Bute 1847 1900 met the renowned Gothic designer William Burges it marked the start of a lifetime collaboration with architects and artists producing work ranging from the High Victorian Gothic exuberance of Cardiff Castle and Castell Coch to the ostentation of Mount Stuart on the Isle of Bute and the sumptuous restoration of the Renaissance Falkland Palace This fascinating biography tells the story of a rich eccentric whose learning insight and kindness produced extraordinary results in architecture and life a man who combined being amongst the richest men of the age with artistic patronage of an almost incomprehensible scale

Spaces for Shaping the Nation Marina Beck, Christina Strunck, 2024-04-02 As spaces of knowledge the national museums and galleries of nineteenth century Europe played an important role both in the shaping of nation states and the education of their populations In this context such institutions sought to convey the history of the people for example by displaying pictorial cycles of important scenes from their history exhibiting objects associated with certain formative events or arraying period rooms to promote a specific impression of the past The contributions to this volume examine the purposes and educational strategies of national museums and national galleries via case studies from Denmark France Germany Great Britain Italy the Netherlands Poland Sweden and Switzerland

*The Routledge Companion to Accounting History* John Richard Edwards, Stephen P. Walker, 2009-05-07 The Routledge Companion to Accounting History shows how the seemingly innocuous practice of accounting has pervaded human existence in fascinating ways at numerous times and places from ancient civilisations to the modern day and from the personal to the political Placing the history of accounting in context with other fields of study the collection gives invaluable insights to subjects such as the rise of capitalism the control of labour gender and family relationships racial exploitation the functioning of the state and the pursuit of military conflict An engaging and comprehensive overview also examining geographical differences this Companion is split into key sections which explore changing technologies used to represent financial and other data historical development of accounting theory and practice accounting institutions and those who perform

accounting accountancy and the economy accounting society and culture the role of accounting in the government protection and financing of states including chapters on the important role played by accountancy in religious organizations a review of how the discipline is portrayed in fine art and popular culture and analysis of sharp practice and corporate scandals The Routledge Companion to Accounting History has a breadth of coverage that is unmatched in this growing area of study Bringing together leading writers in the field this is an essential reference work for any student of accounting business and management and history     Directory of British Architects, 1834-1900 British Architectural Library, Royal Institute of British Architects, 1993
