Rowley Images Of America Massachusetts:

Historic Powder Houses of New England Matthew E. Thomas,2013-11-05 In the turbulent history of colonial New England more than two hundred powder houses were built to store gunpowder guns and armaments Even the spark from a metal shoe nail could ignite their contents so they often sat in remote sections of town These volatile storehouses played a vital role in earning and preserving American independence It was after all to a powder house in Concord Massachusetts that the British army marched in April 1775 to seize colonists gunpowder The British were thwarted and the colonists defense of the powder house ignited the Revolutionary War Add to this the duels murders public hangings and tragic explosions that checkered the history of these structures and the reader will discover a fascinating and forgotten aspect of our New England heritage Using meticulous research Matthew Thomas narrates the colorful histories of New England s powder houses as he resurrects their historical significance in early American history Towns of New England and Old England, Ireland and Scotland ... Georgetown Anthony Mitchell Sammarco,2002 Referred to as one of the prettiest and pleasantest places of all New England towns Georgetown grew rapidly and by the mid nineteenth century the population had risen dramatically This town a pleasant and flourishing place saw the Boston Maine Railroad laid out in 1854 with depots at Pentucket Square and at Baldpate and two street railways in 1896 the Haverhill Georgetown Danvers Line and the Georgetown Rowley Ipswich Line both of which greatly facilitated the ease of transportation Join the author in Georgetown as he takes you on a tour through the town's early years Visit the schools and churches the Old Home Week in 1909 the Georgetown Peabody Library and the Baldpate Inn and Hospital Experience the natural features including Pentucket and Rock Ponds and Bald Pate Hill the highest elevation in Essex County See the local tanneries during the pre Civil War years which produced enough leather for 32 300 pairs of boots and over 300 000 pairs of shoes

The Puritan Ideology of Mobility Scott McDermott,2022-02-01 The Puritan Ideology of Mobility Corporatism the Politics of Place and the Founding of New England Towns before 1650 examines the ideology that English Puritans developed to justify migration their migration from England to New England migrations from one town to another within New England and often their repatriation to the mother country Puritan leaders believed firmly that nations colonies and towns were all bodies politic that is living and organic social bodies However if a social body became distempered because of scarce resources or political or religious discord it became necessary to create a new social body from the old in order to restore balance and harmony The new social body was articulated through the social ritual of land distribution according to Aristotelian distributive justice The book will trace this process at work in the founding of Ipswich and its satellite town in Massachusetts

The Mob and the Flock , Milestones & Guideposts of Massachusetts and Southeastern New Hampshire Mary E. Gage,James E. Gage,2014-02-03 Across Massachusetts roadsides are dotted with small stone markers giving the mileage to major cities These ancient road signs called milestones aided travelers during the 1700 s and 1800 s as our road signs today do with their mileage and destination information Although these old milestones no longer serve a useful purpose in our modern age of highways they continue to fascinate us This fascination has led to the preservation by local communities of at least 129 milestones in Massachusetts and a number of milestones in New Hampshire Milestones were for the most part commissioned by private citizens and made by local or itinerant stone carvers With the exception of the turnpike milestones no two milestones are alike There are differences in the type of stone chosen

the wording and the lettering styles of individual carvers These differences give the milestones personality and character This sense of character is one of the endearing aspects of these humble road signs that continues to draw us to them Although some of the milestones like those around Boston and those along the famous Upper Post Road are well known many are not The authors have spent a number of years combing through old books and newspapers and traveling through the state in search of these local historical treasures This book draws together all of their research in an effort to provide a comprehensive inventory of Massachusetts milestones In addition it includes milestones the authors have found in their travels through southeastern New Hampshire
