Splendours and Miseries: The Roy Strong Diaries, 1967-87 Roy Strong, 2017-08-10 The Alan Clark diaries of cultural politics Sunday Times At every word a reputation dies A N Wilson Roy Strong is best known as the flamboyant former director of two great cultural institutions the National Portrait Gallery and the Victoria Albert Museum In his first volume of diaries he takes the reader into the heart of his career revealing himself to be not just a mercurial and brilliant administrator but also a shrewd observer of the glittering and political milieu into which he was drawn We encounter David Hockney in his studio the poignant figure of Cecil Beaton in decline Nureyev fizzing with ideas and the Philistine Mrs Thatcher among many others including a bevy of the Royal Family And throughout the diaries runs the thread of an exceptional marriage following his elopement with the designer Julia Trevelyan Oman Splendours and Miseries provides a unique panorama of the world of the arts fashion and society taking us from the outrageous Swinging Sixties to the hard edged glitz of Thatcher's Britain

The Roy Strong Diaries, 1967-1987 Roy Strong, 1998 For over three decades Roy Strong has teased tantalized amused and sometimes enraged the British public firstly in his capacity as the Director of two great cultural institutions the National Portrait Gallery and the Victoria and Albert Museum and more recently as a broadcaster writer garden expert and historian Provocative on the issues of running a cash starved museum above all the diaries are a wonderfully entertaining chronicle of an age and some of its most memorable celebrities Scenes and Apparitions Roy Strong, 2016-11-03 Viper wit from the gardener writer and Knight of exquisite taste DAILY TELEGRAPH Funny barbed and moving magnificently readable THE TIMES Scenes and Apparitions covers a period of Roy Strong's life from 1988 to 2003 A seguel to Splendours and Miseries it is an unmissable record of how a citizen at the close of the second Elizabethan age observed and chronicled his own world at the turn of the century Although it is not without tragedy the murder of his friend Gianni Versace and the death of his beloved wife Julia Trevelyan Oman there is plenty to enjoy from his descriptions of Elton John's fiftieth birthday party to a concert for the Queen Mother and his portraits of marriage friendship work and his celebrated garden The Laskett **Types** and Shadows: Diaries 2004-2015 Roy Strong, 2020-11-26 Roy Strong s diaries are a treasure magnificently readable THE TIMES Essential reading TATLER When it comes to viperish high society gossip Roy Strong is in a class of his own DAILY MAIL In January 2004 where his third volume of Diaries begins Roy Strong was in a state of deep grief following the death of his wife Julia Trevelyan Oman three months earlier Yet the following years demonstrate his determination energy and creativity New ideas for books are brought to fruition regular forays into the worlds of TV and radio are made concluding with the Sir Portrait exhibition at the National Portrait Gallery and news of his forthcoming appointment as a Companion of Honour for services to the nation's culture Encounters with churchmen politicians royalty and friends old and new are all described with a telling eye for detail and delicious wit While there is frustration at the changing world around him Types and Shadows is a hugely informative and entertaining record of a uniquely full and colourful life Scenes and Apparitions

Roy Strong, 2017-01-31 Scenes and Apparitions begins where its predecessor Splendours and Miseries left off It covers a period of Roy Strong's life from 1988 to 2003 Shaking off the shackles of public life Roy was free for the first time to reinvent himself leaving behind the political and cultural machinations of the art world Left with little to live on he turned his hand to what came his way first as a consultant to the Canary Wharf development then as a television and radio presenter and finally as a full time writer of books on the nation's history and civilisation as well as on garden design and history. The urge to keep a diary ebbed and flowed and continues to be nothing other than sporadic when this or that prods his pen to describe a scene or a person This volume of his diaries is an unmissable record of how a citizen at the close of the second Elizabethan age observed and chronicles his own world as the last decade of the twentieth century gave way to the first decade of the twenty Scenes and Apparitions Roy Strong, 2017-01-31 Scenes and Apparitions begins where its predecessor Splendours first and Miseries left off It covers a period of Roy Strong s life from 1988 to 2003 Shaking off the shackles of public life Roy was free for the first time to reinvent himself leaving behind the political and cultural machinations of the art world Left with little to live on he turned his hand to what came his way first as a consultant to the Canary Wharf development then as a television and radio presenter and finally as a full time writer of books on the nation s history and civilisation as well as on garden design and history The urge to keep a diary ebbed and flowed and continues to be nothing other than sporadic when this or that prods his pen to describe a scene or a person This volume of his diaries is an unmissable record of how a citizen at the close of the second Elizabethan age observed and chronicles his own world as the last decade of the twentieth century gave way to the first decade of the twenty first Histories of Exhibition Design in the Museum Kate Guy, Hajra Williams, Claire Wintle, 2023-11-30 Histories of Exhibition Design in the Museum Makers Process and Practice offers a new model for understanding exhibition design in museums as a human and material process It presents diverse case studies from around the world from the nineteenth century to the recent past It moves beyond the power of the finished exhibition over both objects and visitors to highlight historic exhibition making as an ongoing task of adaptation experimentation and interaction that involves intellectual creative and technical choices Attentive to hierarchies of ethnicity race class gender sexuality and ableism that have informed exhibition design and its histories the volume highlights the labour involved in making museum exhibitions It presents design as filled with personal and professional demands on the body senses and emotions Contributions from historians anthropologists and exhibition makers focus on histories of identity collaboration and hierarchy behind the scenes of the museum They argue for an emphasis on the everyday objects of museum design and the importance of a diverse range of actors within and beyond the museum from carpenters and label writers to volunteers and local communities Histories of Exhibition Design in the Museum offers scholars students and professionals working across the museum and design sectors insight into how past methods still influence museums today Through a postcolonial and decolonial lens it reveals the lineage of current processes and supports a more informed contemporary practice Frances

Yates and the Hermetic Tradition Marjorie G. Jones, 2008-01-01 This is the first full length biography of British historian Frances Yates author of such acclaimed works as Giordano Bruno and The Hermetic Tradition and The Art of Memory one of the most influential non fiction books of the twentieth century Jones s book explores Yates remarkable life and career and her interest in the mysterious figure of Giordano Bruno and the influence of the Hermetic tradition on the culture of the Renaissance Her revolutionary way of viewing history literature art and the theater as integral parts of the cultural picture of the time period did much to shape modern interdisciplinary approaches to history and literary criticism Jones focuses not only on the particulars of Yates life but also sheds light on the tradition of female historians of her time and their contributions to Renaissance scholarship In addition to her insightful commentary on Yates academic work Jones quotes from Frances diaries and the writings of those who were close to her to shed light on Yates private life This biography is significant for those with an interest in literary criticism women s history scientific history or the intellectual atmosphere of post war Britain as well as those interested in the Hermetic tradition Q Craig Brown, 2024-10-01 With equal measures of wit and wisdom the author of 99 Glimpses of Princess Margaret draws a deeply original hilarious and telling portrait of the Queen herself She was the most famous person on earth she first appeared on the cover of Time magazine at the age of three When she died few people were old enough to recall a time when she was not alive Her likeness has been reproduced in photographs on stamps on the notes and coins of thirty different currencies more than any since Jesus It is probable that over the course of her ninety six years she was introduced to a greater number of different people than anyone else who has ever lived likely well over half a million Yet this most closely observed of all women rarely left any real impression on those she encountered beyond vague notions of her radiance and sense of duty A high proportion of those she met can remember what they said to her but not a word of what she said to them Up until now the curious tactic employed by biographers of the Queen has been to ignore what is interesting and to concentrate on what is not Craig Brown the author of 150 Glimpses of the Beatles and Hello Goodbye Hello rejects this formula bringing his kaleidoscopic approach to the most famous and most guarded woman on earth examining the Queen through a succession of interlocking prisms With Q this fantastically funny marvelously insightful journalist gives us an unforgettable portrait of the omnipresent elusive Queen Elizabeth II Traitor King Andrew Lownie, 2022-07-05 Drawing upon newly released archives bestselling biographer Andrew Lownie tells the story of the Duke and Duchess of Windsor's glittering lives after Edward abdicated the throne a world that was riddled with treachery and betrayal 11 December 1936 The King of England Edward VIII has given up his crown foregoing his duty for the love of Wallis Simpson an American divorc e Their courtship has been dogged by controversy and scandal but with Edward s abdication they can live happily ever after But do they Beginning this astonishing dual biography at the moment that most biographers turn away bestselling historian Andrew Lownie reveals the dramatic lives of the Windsors post abdication This is a story of a royal shut out by his family and forced into exile of the Nazi attempts to recruit the duke to their cause and of

why the duke as Governor of the Bahamas tried to shut down the investigation into the murder of a close friend It is a story of a couple obsessed with their status financially exploiting their position all the while manipulating the media to portray themselves as victims The Duke and Duchess of Windsor were in their day the most glamorous exiles in the world flitting from sumptuously appointed mansions in the south of France to luxurious residences in Palm Beach But they were spoiled selfish people obsessed with their image and revelling in adulterous affairs Drawing upon previously unexplored archives Lownie shows in dramatic fashion how their glittering world was riddled with treachery and betrayal and why the royal family never forgave the duke for choosing love over duty Crisis? What Crisis? Alwyn W. Turner, 2009-03-19 The 1970s They were the best of times and the worst of times Wealth inequality was at a record low yet industrial strife was at a record high These were the glory years of Doctor Who and glam rock but the darkest days of the Northern Ireland conflict Beset by strikes inflation power cuts and the rise of the far right the cosy Britain of the post war consensus was unravelling in spectacularly lurid style Fusing high politics and low culture Crisis What Crisis presents a world in which Enoch Powell Ted Heath and Tony Benn jostle for space with David Bowie Hilda Ogden and Margo Leadbetter and reveals why a country exhausted by decline eventually turned to Margaret Thatcher for salvation Yesterday Tobias Becker, 2023-12-05 Nostalgia supposedly is the sphere of the sentimentalist But also and most definitely it is a force in the creation of the present and future and thus worth careful thought Yesterday argues that nostalgia s critics defend an idea of progress as na ve as the longing they denounce while conflating nostalgia itself with historical whitewashing Collecting the Revolution Emily R. Williams, 2022-03-08 In the late 1960s student protests broke out throughout much of the world and while Britain's anti-Vietnam protestors and China's Red Guards were clearly radically different these movements at times shared inspirations aspirations and aesthetics Within Western popular media Mao s China was portrayed as a danger to world peace but at the same time for some on the counter cultural left the Cultural Revolution 1966 1976 contained ideas worthy of exploration Moreover because of Britain's continued colonial possession of Hong Kong Britain had a specific interest in ongoing events in China and information was highly sought after Thus the objects that China exported propaganda posters paintings Mao badges periodicals ceramics etc became a crucial avenue through which China was known at this time and interest in them crossed the political divide Collecting the Revolution uses the objects that the Chinese government sent abroad and that visitors brought back with them to open up the stories of diplomats journalists activists students and others and how they imagined engaged with and later remembered Mao s China through its objects It chronicles the story of how these objects were later incorporated into the collections of some of Britain's most prominent museums thus allowing later generations to continue to engage with one of the most controversial and important periods of China's recent history **Diana** Sarah Bradford, 2007-07-03 An icon remembered in death as vividly as she appeared in life Diana Princess of Wales is one of the most enduring personalities of the twentieth century and one of the most enigmatic With exclusive access to all those closest
