**Princess Catherine Radziwill**

## **Royal Marriages:**

**Royal Marriages** Susanna de Vries, 2018-10-01 Meghan Markle Duchess of Sussex made history when she married Prince Harry in a genuine love match as the first divorced bi-racial American woman to be welcomed into the British royal family. But for centuries it was accepted that princes married virginal aristocrats for dynastic reasons and often the large dowries of their brides and few arranged royal marriages were happy. Most kings and princes took mistresses or in the case of Edward II and James I male lovers. Royal wives were used as baby factories and if found to be unfaithful could be beheaded or have the lover murdered. Prince George of Wales later George IV married for money but found his bride Princess Caroline of Brunswick physically repulsive and his marriage became the first War of the Wales. This fascinating book is now able to tell the full story of the second War of the Wales, the tragic mismatch of Prince Charles and Princess Diana which ended in Camillagate and divorce. Now decades later the Queen has relaxed the ancient rules allowing Prince Charles to marry his mistress and the Queen's grandsons William and Harry to marry for love in a significant change in royal history.

Notorious Royal Marriages Leslie Carroll, 2010-01-05 From the author of *American Princess: The Love Story of Meghan Markle and Prince Harry* comes a funny and delightful history of the royal weddings and marriages of Europe's most famous and infamous monarchs. This edition includes bonus chapters. An irresistible combination of *People* magazine and the History Channel. Chicago Tribune: Since time immemorial royal marriages have had little to do with love and almost everything to do with diplomacy and dynasty. Clashing personalities have joined in unholy matrimony to form such infamous couples as Russia's Peter II and Catherine the Great and France's Henri II and Catherine de Medici, all with the purpose of begetting a male heir. But with tensions high and silverware flying, kings like England's Henry II have fled to the beds of their nubile mistresses while queens such as Eleanor of Aquitaine have plotted their revenge. Full of the juicy gossip and bad behavior that characterized Royal Affairs, this book chronicles the love-hate marriages of the crowned heads of Europe from the Angevins to Meghan Markle and Prince Harry and ponders how dynasties ever survived at all.

**Inglorious Royal Marriages** Leslie Carroll, 2014-09-02 It's no secret that the marriages of monarchs are often made in hell. Here are some of the most spectacular mismatches in five hundred years of royal history. In a world where many kings, queens, and princes lacked nothing but true love, marital mismatches could bring out the baddest, boldest behavior in the bluest of bloodlines. Margaret Tudor, her niece Mary I, and Catherine of Braganza were desperately in love with chronically unfaithful husbands, but at least they weren't murdered by them as were two of the Medici princesses. King Charles II's beautiful, high-spirited sister Minette wed Louis XIV's younger brother who wore more makeup and perfume than she did. Forced to wed her boring, jugged-eared cousin Ferdinand, Marie of Roumania, a granddaughter of Queen Victoria, proved herself one of the heroines of World War I by using her prodigious personal charm to regain massive amounts of land during the peace talks at Versailles. Brimming with outrageous real-life stories of royal marriages gone wrong, this is an entertaining, unforgettable book of

dubious matches doomed from the start      *Dissolving Royal Marriages* D. L. d'Avray, 2014-07-24 This book offers a chronological and geographical study of royal divorce cases from the Middle Ages through to the Reformation period

**Royal Marriage Secrets** John Ashdown-Hill, 2013-07-01 With a new royal baby we witness fundamental changes in the succession laws but then rules governing the royal weddings and the succession to the throne have always been shifting So what is marriage and who decides What special rules govern royal marriage and when did they come into force How have royal marriages affected history Were the Princes in the Tower illegitimate Did Henry VIII really have six wives Was Queen Victoria Mrs Brown How were royal consorts chosen in the past Did some use witchcraft to win the Crown History has handled debateable royal marriages in various ways but had the same rules been applied consistently the order of succession would have been completely different Here all controversial English and British royal marriages are reassessed together for the first time to explore how different cases can shed light on one another Surveying the whole phenomenon of disputed royal marriage the author offer some intriguing new evidence while highlighting common features and points of contrast
