Royal Palaces In The National Heritage Of Spain:

Royal Palaces in the National Heritage of Spain Óscar Collazos,1988 The cultural & heritage guide for Spain,2025-09-24 **Royal Tourism** Phil Long,Nicola J. Palmer,2008 The relationships between tourism and royalty have received little coverage in the tourism literature This volume provides a critical exploration of the relationships between royalty and tourism past present and future from a range of disciplinary perspectives **The Geography of Spain** Francisco J. Tapiador,2019-08-19 This book is the latest and most comprehensive reference to the regional geography of Spain taking into account emergent issues such as biodiversity climate change and nationalism It appeals to scientists as well as to students and instructors and all fields of geography regional environmental and cultural studies and business related disciplines It covers the whole range of topics from the physical to the human geography of Spain and provides detailed insights into all 17 autonomous communities Dozens of GIS maps and hundreds of photographs and images including remote sensing imagery make this volume a must have for every geography department Air Pollution and Cultural Heritage C. Saiz-Jimenez,2004-08-15 This collection includes thirty six important recent works on the effects of pollutants on heritage sites including thirty papers delivered to the Seville International Workshop on Air Pollution and Cultural Heritage in 2003 and six invited new additions All papers have been written by a team of leading international contributors and are divided into five subject areas to cover the main topics of interest today This volume is aimed at archaeologists and molecular biologists as well as advanced students and researchers in the fields of biodeterioration building materials micro organisms and cultural heritage **Sites of the Dictators** Xosé M. Núñez Seixas,2021-06-13 This book explores the changing evolution of memory debates on places intimately linked to the lives and deaths of different fascist para fascist and communist dictators in a truly transnational and comparative way During the second decade of the twenty first century a number of parallel debates arose in Italy Spain Portugal Albania Austria and other European countries regarding the public management by democratic regimes of those sites of memory that were directly linked to the personal biographies of their former dictators The ways in which each democracy deals with the dead bodies mausoleums and birthplaces of the dictators vary considerably although common questions occur such as whether oblivion or re signification is better the risk of a posthumous cult of personality being established and the extent to which the shadow of the authoritarian past endures in these sites of memory Using the concept of sites of the dictators the author explains why it is so difficult to deal with some sites of memory linked to dead autocrats as those places contribute directly or indirectly to humanizing them making their remembrance more acceptable for the present and future generations and discusses the potential of the Europeanization of these dark memories of the past Exploring the imperatives of memory politics and how these are reconciled with local actors interested in exploiting the dictator s remembrance this book will be useful reading for students and scholars of history politics and memory studies **The Spanish Empire** H. Micheal Tarver,Emily Slape,2016-07-25 Through reference entries

and primary documents this book surveys a wide range of topics related to the history of the Spanish Empire including past events and individuals as well as the Iberian kingdom's imperial legacy The Spanish Empire A Historical Encyclopedia provides students as well as anyone interested in Spain Latin America or empires in general the necessary materials to explore and better understand the centuries long empire of the Iberian kingdom The work is organized around eight themes to allow the reader the ability to explore each theme through an overview essay and several selected encyclopedic entries This two volume set includes some 180 entries that cover such topics as the caste system dynastic rivalries economics major political events and players and wars of independence The entries provide students with essential information about the people things institutions places and events central to the history of the empire Many of the entries also include short sidebars that highlight key facts or present fascinating and relevant trivia Additional resources include an introductory overview chronology extended bibliography and extensive collection of primary source documents *The Regional Travel Guide for Madrid Community (Spain)* , **Architectural Conservation in Europe and the Americas** John H. Stubbs, Emily G. Makaš, 2011-05-04 From such well known and long vexed sites as the Athenian Acropolis to more contemporary locales like the Space Age Modernist capital city of Brasília the conflicting and not always neatly resolvable forces that bear upon preservation are addressed as clearly and thoughtfully as the general reader could hope for New York Review of Books an astonishing feat of research compilation and synthesis Context The book delivers the first major survey concerning the conservation of cultural heritage in both Europe and the Americas Architectural Conservation in Europe and the Americas serves as a convenient resource for professionals students and anyone interested in the field Following the acclaimed Time Honored this book presents contemporary practice on a country by country and region by region basis facilitating comparative analysis of similarities and differences The book stresses solutions in architectural heritage protection and the contexts in which they were developed [The city trip guide for Segovia\(Spain\)](#) , **Ibn Khaldun** ,2006
