La Mina Christopher B. Donnan, 2022-03-15 La Mina A Royal Moche Tomb focuses on La Mina an extraordinarily rich tomb that was looted on the north coast of Peru in 1987 The ceramic and metal objects it contained were among the most extraordinary ever produced in the Andean area and it had the most colorfully decorated pre-Columbian burial chamber ever found in the Americas The artifacts are now scattered throughout the world nearly all of them held in private collections In this work Donnan reveals how he was able to locate and document many of the tomb's contents and determine how the tomb was constructed and embellished With more than two hundred color images of the archaeological treasures unearthed at La Mina remarkable works in ceramic and metal that are among the greatest masterpieces of art from the ancient world students and scholars will welcome the mystery of how careful archaeological sleuthing can piece together valuable information to recover what seemed to be unrecoverable

Klaus,J. Marla Toyne,2016-07-26 Traditions of sacrifice exist in almost every human culture and often embody a society's most meaningful religious and symbolic acts Ritual violence was particularly varied and enduring in the prehistoric South American Andes where human lives animals and material objects were sacrificed in secular rites or as offerings to the divine Spectacular discoveries of sacrificial sites containing the victims of violent rituals have drawn ever increasing attention to ritual sacrifice within Andean archaeology Responding to this interest this volume provides the first regional overview of ritual killing on the pre Hispanic north coast of Peru where distinct forms and diverse trajectories of ritual violence developed during the final 1 800 years of prehistory Presenting original research that blends empirical approaches iconographic interpretations and contextual analyses the contributors address four linked themes the historical development and regional variation of north coast sacrifice from the early first millennium AD to the European conquest a continuum of ritual violence that spans people animals and objects the broader ritual world of sacrifice including rites both before and after violent offering and the use of diverse scientific tools archaeological information and theoretical interpretations to study sacrifice This research proposes a wide range of new questions that will shape the research agenda in the coming decades while fostering a nuanced scientific and humanized approach to the archaeology of ritual violence that is applicable to archaeological contexts around the world *Golden Kingdoms* Joanne Pillsbury,Timothy Potts,Kim N. Richter,2017-09-26 This volume accompanies a major international loan exhibition featuring more than three hundred works of art many rarely or never before seen in the United States It traces the development of gold working and other luxury arts in the Americas from antiquity until the arrival of Europeans in the early sixteenth century Presenting spectacular works from recent excavations in Peru Colombia Panama Costa Rica Guatemala and Mexico this exhibition focuses on specific places and times crucibles of innovation where artistic exchange rivalry and creativity led to the production of some of the greatest works of art known from the ancient Americas The book and exhibition explore not only artistic practices but also the historical

cultural social and political conditions in which luxury arts were produced and circulated alongside their religious meanings and ritual functions Golden Kingdoms creates new understandings of ancient American art through a thematic exploration of indigenous ideas of value and luxury Central to the book is the idea of the exchange of materials and ideas across regions and across time works of great value would often be transported over long distances or passed down over generations in both cases attracting new audiences and inspiring new artists The idea of exchange is at the intellectual heart of this volume researched and written by twenty scholars based in the United States and Latin America
