Royal Her Majesty Queen Elizabeth II:

Royal Robert Lacey, 2002 In 1977 Robert Lacey's bestselling MAJESTY was the first serious biography of Elizabeth II defining the affection for the Queen that underlay the popular success of the Silver Jubilee Now on the fiftieth anniversary of her accession ROYAL brings her remarkable story up to date It provides a fresh portrait of her relationship with Prince Philip and its effect on their children it describes how the Queen has worked to live up to and maintain her strongly held beliefs shaped over the years by the wishes and dreams and sometimes the anger and unhappiness of the people and it explains how and why the monarchy continues to enjoy such enduring support In addition the Jubilee Paperback edition has been updated to reflect all the fast changing events of the Jubilee year specifically The controversy over the work activities of Prince Edward and Sophie Prince Harry's escapades with drink and drugs The death of Princess Margaret The death of royal critic Lord Altrincham *Her Majesty* Robert Hardman, 2021-11-15 The hotly anticipated American edition of Robert Hardman's biography of Queen Elizabeth formerly *Our Queen in the U K* An intimate portrait of England's soon to be longest reigning queen in celebration of her diamond jubilee and the first ever book interview with her grandson Prince William History has known no monarch like her She has traveled farther than all her predecessors put together and lived longer than any of them She has known more historic figures than anyone alive from Churchill to Mandela de Gaulle to Obama Now the distinguished royal writer Robert Hardman has been granted special access to the world of Queen Elizabeth II to produce this enthralling new portrait of one of the most popular public figures on earth Not only has Elizabeth II reigned through Britain's transformation from an imperial power to a multi cultural nation but she has also steered the monarchy through more reforms in the last twenty five years than in the previous century Queen Elizabeth II sits at the head of an ancient institution that remains simultaneously popular regal inclusive and relevant in a twenty first century world It is down to neither luck nor longevity it is down to the shrewd judgment of a thoroughly modern monarchy with no small assistance from the longest serving consort in history Here is the inside story *The Queen* Michael Woodford, 2017-06-26 THE QUEEN Her Majesty Queen Elizabeth II A Royal Biography At some point when they reach their mid sixties most people will accept the ravages of later middle age and gracefully often gratefully ease themselves into retirement Not so the Queen At 91 years Her Majesty Queen Elizabeth II continues to work hard at her numerous duties for the nation and Commonwealth Having held the throne for 65 years she continues to demonstrate her commitment to fulfilling her various roles Head of State figurehead of many charities Supreme Governor of the Church of England upholder of the faith for the Church of Scotland She may now undertake far fewer trips abroad but her activities within the United Kingdom remain considerable During her reign there have been highs and lows but through the divorces disasters and sadly deaths as well as the joys and jubilees the Queen has stood firm With the support of her husband Prince Phillip children Charles Anne Andrew and Edward numerous grandchildren and great grandchildren she has remained an overwhelmingly popular monarch How has she achieved this

What enabled her to overcome the tribulations of the 80s and 90s And why does she remain loved and respected in the hearts of so many
