Royal Murder:

Royal Murder Marc Alexander, 2013-01-05 Ignoring violent death by battle or political execution this book is devoted to personal acts of jealousy and revenge which has stained the Crown with blue blood down the ages The subjects range from those murders one may vaguely remember from schooldays without being aware of their backgrounds of intrigue and mystery to lesser known scandals such as the secret murder of Count von Konigsmarck the lover of Princess Sophia of Zell wife of George the First *Cover-up of a Royal Murder* John Morgan, 2007 Exposes one of the greatest cover ups of our time Provides credibility to the lingering doubts of a large section of the British and international public regarding the official line on the causes of the Paris crash Deals with many of the troubling questions that have risen since the death of Diana Lays down a huge challenge to those who believes the death of Diana Princess of Wales was just a tragic accident back cover

A Royal Murder Lyn Stone, 2011-01-17 BY ROYAL COMMAND Investigator takes on lovely assistant Nina Caruso had come to the kingdom of Montebello to find her brother's killer Steely investigator Ryan McDonough couldn't stop her With royal permission to shadow Ryan's every move Nina vowed to keep the brooding P I on his toes But when the killer went after her it was Ryan who swept Nina off her feet and into his protection He'd been ordered to work with her and to investigate her as a suspect But when Nina became a target Ryan took command The crazy attraction between them was just one more reason for Ryan to solve the case fast before passion betrayed them both **Royal Murders** Dulcie M Ashdown, 2011-08-26 This book examines the motives means and consequences of the murders among members of Europe's ruling families over the last 1 000 years Plucking true stories due to their historical significance and sheer intrigue this book relates violent deaths amid royal splendour and the overthrow of tyrants by oppressed populations Methods vary from sword and arrow to bomb and bullet to alleged witchcraft Settings range from Russia to Portugal British examples include the involvement Mary Queen of Scots may have had in her second husband's murder and a search for the facts behind Shakespeare's portrayal of the murderous usurpers Macbeth and Richard III But in European history there has been no royal murder to rival Russia's Tsar Ivan the Terrible a homicidal maniac responsible for thousands of deaths whose dramatic killing sprees are examined here Dulcie M Ashdown takes on a journey through the dark and tragic side of royal history from Richard III through to the recent controversy surrounding the death of Diana Princess of Wales **Lines on the death of ... princess Charlotte**

George Croly, 1818 **The Royal Saints of Anglo-Saxon England** Susan J. Ridyard, 1988 Within Anglo Saxon England there was a strong and enduring tradition of royal sanctity of men and women of royal birth who in an age before the development of papal canonisation came to be venerated as saints by the regional church This study which focuses on some of the best documented cults of the ancient kingdoms of Wessex and East Anglia is a contribution towards understanding the growth and continuing importance of England's royal cults The author examines contemporary and near contemporary theoretical interpretations of the relationship between royal birth and sanctity analyses in depth the historical process of cult

creation and addresses the problem of continuity of cult in the aftermath of the Norman Conquest of 1066. An understanding therefore emerges of the place of the English royal saint not only in Anglo Saxon society but also in that of the Anglo Norman realm.

Britain's Royal Heritage Marc Alexander, 2016-10-21. This book is more than a biography of kings and queens; it is an encyclopaedic work on every aspect of monarchy in Britain from semi legendary times to the present day. Arranged in an A Z format, it includes mini biographies on each of the forty two kings and queens who have ruled since the Norman Conquest, details of the royal lines in Scotland before the Act of Union, the background to the royal houses of Britain and the consorts, largely foreign, who have married into the monarchy. Royal scandals, wars, ceremonies, households, tombs and insignia make fascinating reading, and this book is the ideal reference work for all those who want to know more about individual monarchs and the impressive legacy of myths, traditions, beliefs and practices that have grown up around the institution of the monarchy.

Royal Murder Elizabeth MacLeod, 2008. Between the covers of this book you will meet some of history's most infamous murdered and murdering sovereigns.

[A Companion to the Royal Heritage of Britain](#) Marc Alexander, 2005-05-26. Blood Royal Harold Robbins, Junius Podrug, 2006-10-03. Her Royal Highness the Princess of Wales was an ordinary young woman who was picked to be the future queen. Her wedding was a worldwide sensation. But she was deceived and betrayed before the honeymoon was over. Five months after a fairy tale wedding, she threw herself down a flight of stairs when she was pregnant with a future heir to the throne. Suicide attempts, illicit affairs and paranoia that there were plots by the Royals to kill her became the norm as the fairy tale turned into a horror story. After suffering degradation and humiliation at the hands of her husband, the heir to the British throne, she shot him with one of his own antique pistols. Paranoid that her own attorneys would deceive her, the princess reaches across the Atlantic to hire someone she knows for certain has no ties to the Crown. Marlowe James is an American trial lawyer. Running away from an abusive home, she supported herself by working as a waitress, rising to become a famous trial lawyer. Marlowe James has been dubbed the burning bed lawyer by the news media because of her successful defense of women who killed their abusive husbands. And to top that, she was the accused in her first murder trial. Now she not only has to do battle in the Old Bailey with barristers loyal to the Crown, she has to come to grips with her own feelings about a woman who has been handed everything any woman would desire and throws it all away. The explosive tale that will be exposed in the courtroom is one of jealous rage and unfulfilled desires of sexual deceit by one of the most powerful men on earth and the bloody revenge enacted by a woman scorned.

The Death of Kings Michael Evans, 2007-01-01. A King's death was a critical and highly dramatic moment, often with major political consequences. This is an account of what is known about the deaths of all medieval English kings.

[Royal Poxes and Potions](#) Raymond Lamont-Brown, 2011-10-24. In this book

acclaimed biographer Raymond Lamont Brown casts light on a previously overlooked aspect of the monarchy From the instigation of the royal doctor in medieval times to the present day the tales of secrets murder medical incompetence and revolutionary operations revealed in this book make compelling reading This is a fascinating look at the relationship between monarchs and their doctors and reveals the complex and influential position that they held Included here are Sir William Gull court physician to Queen Victoria who was a suspect in the Jack the Ripper case and Sir Frederick Treves who not only was court physician to the four succeeding monarchs but was also the man who helped to rescue the Elephant Man Joseph Merrick from a fairground freak show

The Royal Shakspeare; the poet's works in chronological order from the text of professor Delius, with 'The Two noble kinsmen' and 'Edward iii', and an intr. by F.J. Furnivall, with illustrations. 3 vols. [publ. in 52 pt.]. William Shakespeare,1896 Love and Death of King Ananda Mahidol of Thailand Pavin Chachavalpongpun,2021-12-01 This book examines two aspects of the abbreviated reign of King Ananda Mahidol 1935 1946 or King Rama VIII of the current Chakri dynasty of Thailand First it discusses the royal family s plot to thwart a romantic relationship between the young king Ananda and his Swiss girlfriend Marileine Ferrari a daughter of a famous pastor of Lausanne Switzerland Interracial marriage particularly with Westerners has been strictly forbidden for Thai kings or heirs apparent The restriction stems from the interwoven connection between sexual relationship and the security of the throne The second part investigates the mysterious death of King Ananda a long held taboo topic in Thailand Although the two events were not specially related both in their own way served to unavoidably shake the position of the monarchy and hence threaten its existence The palace s reactions to these events demonstrated its continuous search to maintain its power and ultimately to warrant its survival
