Arts & Humanities Citation Index, 1987 A multidisciplinary index covering the journal literature of the arts and humanities It fully covers 1 144 of the world s leading arts and humanities journals and it indexes individually selected relevant items from over 6 800 major science and social science journals      **Vadim Shershenevich, from Futurism to Imaginism** Anna M. Lawton, 1981      **D.H. Lawrence and Italian Futurism** Andrew Harrison, 2003 The significance of D H Lawrence s reading of two Italian Futurist volumes in the summer of 1914 is widely acknowledged but the nature of its significance has not been more closely examined nor traced through his major fictional and discursive writings of the Great War and its aftermath D H Lawrence and Italian Futurism addresses the oversight firstly by examining the context to Lawrence s now famous June 1914 letters concerning Futurism secondly by placing Futurism and Lawrence s interest in Futurism in the light of the movement s intellectual indebtedness to nineteenth century Naturalism and thirdly by providing new readings of *The Rainbow* *Women in Love* and *Studies in Classic American Literature* which draw on these contextual materials The book s form will make it attractive to scholars and students of European modernism as well as to those interested in the works of D H Lawrence      *More Alive Than Ever?* Christopher David Adams, 2016
