Runaway Rhymes James Clarence Harvey, 2016-11-07 Excerpt from *Runaway Rhymes* Limited The lilt of a rhyme must pass away As the scrolls of time unroll And the breathing canvas must decay Though it echoes a human soul The carved stone as the hours pass Will crumble in time to dust But the molded bronze is made to last Neath its countless years of rust But what has been given the sons of earth That is worthy to so endure Is aught that we know such homage worth From the taint of earth so pure The beauty of youth is a thing of to-day A king on a trembling throne We sigh with regret when old and gray For the treasure so swiftly own The tender ring of a voice that is true Elusive must ever be No art can give it the reverence due That others may bend the knee The glance of an eye is a transient thing That is gone ere the glance is born Like the song of a bird that awakes to sing To the first faint rays of morn But out from the soul there is one thing sweet Set free from all thought of guile To serve as a guide to wandering feet 'tis the warmth of a sunny smile It will change the deserts toowering plains Bring drink to the thirsting sod Change all our losses to lasting gains Like a Heaven-sent gift from God And the inner chambers of memory hold More dear than a hoarded pile More precious than garnered heaps of gold The joy of an honest smile So the lasting bronze if it will but serve The heart that would cherish hail Since the halting lines of the poet swerve And the sculptor's chisel fails And the smile shall live though the years that were Shall be lost in the years to be And the heart of a future age shall stir With its broad humanity Behold A sower went forth to sow Good seed in the Master's field The tale that was told in the long ago The fruit of his toil revealed And another parable I would tell Though it be with a faltering pen Of a noble soul who sows so well Good deeds in the hearts of men And though

Thomas Washington Talley meticulously compiles a rich anthology of African American oral traditions showcasing the vibrant culture and profound wisdom embedded within the folk rhymes of the African American experience. Talley's literary style intricately weaves together authentic dialects and narratives offering readers an immersive encounter with the rhythms and cadences of folk life. This collection serves not only as an artistic endeavor but also as a crucial sociolinguistic document reflecting the historical struggles, joys, and resilience of the African American community in an era of profound racial tension and cultural repression. Thomas Washington Talley, an esteemed educator and scholar, was deeply rooted in the African American culture of the South. His commitment to preserving these folk traditions stemmed from firsthand experiences noted during his youth. A graduate of Fisk University and an advocate for folklore studies, Talley's work arose from a critical need to validate and celebrate the oral heritage that so significantly shaped the African American identity. His passion was further influenced by the burgeoning folklorist movement of the early 20th century wherein African American voices began to gain a more prominent platform. *Negro Folk Rhymes* is a treasure trove for scholars, educators, and enthusiasts of African American literature. It offers invaluable insight into a cultural narrative often overlooked, resonating with timeless themes of community, spirituality, and social reflection. Readers are invited to explore the artistry and fundamental humanity woven into these verses which speak not only to historical realities but also to enduring truths that continue to resonate today.
