Rupert Piper and the Dear, Dear Birds Ethelyn M. Parkinson, 1976-01-01 When a group of boys lose their circus tickets because of an incident with a bird watcher they form a bird haters club to tell the truth about birds **A Landscape with Dragons** Michael D. O'Brien, 2011-05-24 The Harry Potter series of books and movies are wildly popular Many Christians see the books as largely if not entirely harmless Others regard them as dangerous and misleading In his book *A Landscape with Dragons* Harry Potter critic Michael O'Brien examines contemporary children's literature and finds it spiritually and morally wanting His analysis written before the rise of the popular Potter books and films anticipates many of the problems Harry Potter critics point to *A Landscape with Dragons* is a controversial yet thoughtful study of what millions of young people are reading and the possible impact such reading may have on them In this study of the pagan invasion of children's culture O'Brien the father of six describes his own coming to terms with the effect it has had on his family and on most families in Western society His analysis of the degeneration of books films and videos for the young is incisive and detailed Yet his approach is not simply critical for he suggests a number of remedies including several tools of discernment for parents and teachers in assessing the moral content and spiritual impact of this insidious revolution In doing so he points the way to rediscovery of time tested sources and to new developments in Christian culture If you have ever wondered why a certain children's book or film made you feel uneasy but you couldn't figure out why this book is just what you need This completely revised much expanded second edition also includes a very substantial recommended reading list of over 1 000 books for kindergarten through highschool *Good Old Archibald* Ethelyn M Parkinson, 2014-01-01 In this amusing story that is both slightly vintage and completely timeless good old Ralph Jackson has deserted Brookfield School his family has had to move to another city just four weeks before the picnic day baseball game against the Lawson Lions His buddies Trent Wilmer and Harley are not happy but they get only gleeful heckling rather than sympathy from classmates Wonderful Wanda Gorgeous Glenora and Susie Scott The dismal situation is not improved by the arrival of a new boy Archibald Brewster who wears a suit and tie and is taken to and from school by a chauffeur he is NOT the answer to the Brookfield Bumblebees prayers However the boys especially Trent cannot get rid of Archibald he is there every time they turn around He seems to be particularly captivated by Trent's offbeat and lovable family made up of dad mom and seven sons So begin four rather harrowing weeks in which the Brookfield Bumblebees have the opportunity to discover that things are truly not always what they seem to be Written by an accomplished storyteller this touching and humorous tale is a great family read aloud Ethelyn M Parkinson was born in 1906 in Oconto County Wisconsin She trained and worked both as a teacher and as a nurse later drawing from her experiences to create the many humorous situations in which she placed her appealing young characters She wrote plays poetry and fiction for periodicals as well as her more well known books for children In 1970 she was awarded the Abingdon Press Award for her book *Never Go Anywhere with Digby* Though her books are set in a period 1950's 1970's in which

attitudes dress and behavior may seem somewhat strange to readers today the stories remain engaging and accessible It is human to smile and to laugh no matter what the time period and Mrs Parkinson provides her readers with ample cause to do both Young People's Books in Series Judith K.
