Mortal Sins Michael D'Antonio, 2013-04-09 A Publishers Weekly Best Nonfiction Book of 2013 A Kirkus Reviews Best Book of 2013 An Edgar Award for Best Fact Crime Nominee An explosive sweeping account of the scandal that has sent the Catholic Church into a tailspin and the brave few who fought for justice In the mid 1980s a dynamic young monsignor assigned to the Vatican's embassy in Washington set out to investigate the problem of sexually abusive priests He found a scandal in the making confirmed by secret files revealing complaints that had

been hidden from police and covered up by the Church hierarchy He also understood that the United States judicial system was eager to punish offenders and those who aided them He presented all of this to the American bishops warning that the Church could be devastated by negative publicity and bankrupted by its legal liability They ignored him Meanwhile a young lawyer listened to a new client describe an abusive sexual history with a priest that began when he was ten years old His parents complaints were downplayed by Church officials who offered them money to go away The lawyer saw a claim that any defendant would want to settle Then he began to suspect he was onto something bigger involving thousands of priests who had abused countless children while the Church had done almost nothing about it The lawsuit he filed would touch off a legal war of historic and global proportions Part history part journalism and part true crime thriller Michael D Antonio s *Mortal Sins* brings to mind landmark books such as *All the President s Men* *And the Band Played On* and *The Informant* as it reveals a long and ferocious battle for the soul of the largest and oldest organization in the world **Saint Benedict's**

Wisdom Luigi Gioia, OSB, Translated by Barry M. Hudock, 2020-09-15 Monastic spirituality has much to offer Christians who live far beyond monastery walls In *Saint Benedict s Wisdom* Luigi Gioia OSB demonstrates that monastic spirituality is a gift for the whole Church Because monastic vows are fundamentally a deep dive into one s baptismal commitments monastic experience speaks to all the faithful who wish to do the same within different lifestyles As an expression of divine wisdom monasticism offers a way of deeply integrating spirituality with the rest of life teaching us to seek holiness not only in prayer but also through work sharing of food sleep and life in community Written by one of the most insightful commentators on monastic life today *Saint Benedict s Wisdom* shines the light of monasticism on many aspects of contemporary Christian living including evangelization leadership suffering authentic chastity the experience of God reform of structures and the practice of theology It will appeal to anyone seeking to live a more authentic Christian life in addition to vowed monastics monastic oblates and associates *Bless Me Father for I Have Sinned* Thomas G. Plante Ph.D., 1999-09-30 A tremendous amount of media attention has been devoted to revealing sexual abuse perpetrated by Roman Catholic priests These essays outline a clinical and research agenda for professionals dealing with clergy sexual abuse They should enable research clinical professionals and clergy to identify the relevant issues in the identification diagnosis treatment and prevention of child and adolescent sexual abuse committed by Roman Catholic priests Leading experts in the field from the United States and Canada have offered their different perspectives on this compelling problem including victim profiles for determining who is at risk *Predatory Priests, Silenced Victims* Mary Gail Frawley-O'Dea, Virginia Goldner, 2016-05-06 The sexual abuse scandal in the Catholic Church captured headlines and mobilized public outrage in January 2002 But much of the commentary that immediately followed was reductionistic focusing on single causes of clerical abuse such as mandatory celibacy homosexuality sexual repressiveness or sexual permissiveness anti Catholicism and a decadent secular culture *Predatory Priests Silenced Victims The Sexual Abuse Crisis and the Catholic Church* a collection of groundbreaking articles

edited by Mary Gail Frawley O Dea and Virginia Goldner eschews such one size fits all theorizing In its place the abuse situation is explored in all its troubling complexity as contributors take into account the experiences respectively of the victim survivor the abuser perpetrator and the bystander whether family member professional clergy or the community at large Setting polemics to the side *Predatory Priests Silenced Victims* provides a sober and sobering analysis of the interlacing historical doctrinal and psychological issues that came together in the sexual abuse scandal It is mandatory reading for all who seek thoughtful informed commentary on a crisis long in the making and yet to be resolved **The Sex Offender:**

Theoretical advances, treating special populations, and legal developments Barbara K. Schwartz, Henry R.

Cellini, 1995 **Will Pope Francis or a Successor Call a Vatican III Council?** John Raymaker, Gerald

Grudzen, 2020-06-30 In 2008 the authors wrote *Steps toward Vatican III* which explored developments occurring in the Catholic Church including its teachings on social justice interreligious dialogue and Small Christian Communities This update of *Steps* explores how Pope Francis has developed such themes in original ways in his encyclicals and in his use of synodal consultations For example in his Encyclical *Laudato Si* the pope seeks to lead us into the mysteries of the universe of creatures and the harmony of creation It helps us reflect on the universal communion of nature Calling for a global ecological policy and a cooperative approach the pope warns us that unless we respect nature the entire planet and humanity will face drastic consequences In his meetings with economists and entrepreneurs the pope has proposed a pact for renewing the economy to counteract the asocial aspects of modern business practices He has discussed some of the most complex problems in today s world from safeguarding the environment to courageously committing oneself to rethink the economic paradigms of our time Young people in particular have responded with enthusiasm to Pope Francis initiatives The book notes how some traditional Catholics have opposed the pope but it argues that in fact the pope is more traditional than his critics for he insists on going back to Jesus own teachings The new ongoing crises such as the breakdown and rise of new ideologies terrorism massive advances in the sciences and in technology as well as fundamental shifts in gender relations are further factors considered in the book Indeed the world is now radically different from the world of the early 1960 s when Vatican II Council was held Due to these many radical changes the book suggests the need for a Vatican III which would consolidate the Church s global outreach on every continent **Impressively Free** Higgins, Michael W., Burns, Kevin, 2019 Explores the

genesis and evolution of Nouwen s multi layered understanding of priestly ministry *Encyclopedia of Sex and Gender* Carol R. Ember, Melvin Ember, 2003-12-31 The central aim of this encyclopedia is to give the reader a comparative perspective on issues involving conceptions of gender gender differences gender roles relationships between the genders and sexuality The encyclopedia is divided into two volumes *Topics* and *Cultures* The combination of topical overviews and varying cultural portraits is what makes this encyclopedia a unique reference work for students researchers and teachers interested in gender studies and cross cultural variation in sex and gender It deserves a place in the library of every university and

Pastoral Misconduct Janelle M. Eliasson-Nannini,2017-09-08 In the past clergy malfeasance was mentioned only in passing by group members or adherents The subject was invisible and those who studied it were often stigmatized as hostile to religion itself Today clergy misconduct is acknowledged as a social problem with growing conceptual and theoretical implications In *Pastoral Misconduct* Anson Shupe and Janelle M Eliasson Nannini argue that the history and traditions of black pastoral leadership coupled with the close identity of many black congregants with their pastor congregation and racial subculture creates opportunity structures that facilitate predatory behavior Familiarity and mutual identity frequently leads victims to drop their normal levels of wariness Major denominations and minor sects have been studied but this unique study by Shupe and Eliasson Nannini pursues nuances of pastoral bad behavior in a new context This book is not a tabloid treatment of the American black church In fact the black church becomes the vehicle for a major new sociological development a theory of clergy misconduct in any minority religion
